Dedication

MRS. J. M. COURTNEY

The 1960-61 Minutes of the 132nd Annual Catawba River Baptist Association are dedicated to the memory of Mrs. J. M. Courtney.

Mrs. Sally Clark Courtney was born on December 25, 1873, to Mr. and Mrs. Alexander Clark of Caldwell County. She was the eldest of six children.

She was married on January 3, 1892 to Mr. J. M. Courtney who preceded her in death some years ago.

Mrs. Courtney, better known to her friends as "Granny," was an inspiration to all who knew her. She made a profession of faith in Christ in the year of 1887, a young girl before the age of fourteen, although she said she wasn't really converted until she was 30 years old.

One of the first prayer meetings that began the organization of Calvin Heights Baptist Church was held in her home. Although Granny was an invalid for more than nine years before her death, which occurred on June 22, 1961, she maintained an optimistic spirit. She did not know how many times she read the Bible through. During the time that she was an invalid, she read most of the religious books in the Morganton library, and those of her friends. She always would say, "Although I enjoy reading other books, my Bible is my greatest delight."

She was a most faithful and loyal member of the Calvin Heights Baptist Church before her illness prevented her from taking an active part. One of the Circles of the W.M.S. was named in her honor and now in her memory, as the Sally Courtney Circle. So it is with great pleasure we dedicate these Minutes to her memory.

Church Covenant

Having been led, as we believe, by the Spirit of God, to receive the Lord Jesus Christ as our Saviour, and on the profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Spirit, we do now, and in the presence of God, angels and this assembly, most solemnly and joyfully enter into covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit to walk together in Christian love; to strive for the advancement of this church, in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship ordinances, discipline and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expense of the church, the relief of the poor, and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings; faithful in our engagements, and exemplary in our deportment; to avoid all tattling, backbiting and excessive anger, to abstain from the sale and use of intoxicating drinks as a beverage and to be zealous in our efforts to advance the kingdom of our Saviour.

We further engage to watch one another in brotherly love; to remember each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feelings, and courtesy in speech; to be slow to take offense, but always ready to reconciliation, and mindful of the rules of our Saviour to secure it without delay.

We moreover engage that when removed from this place we will as soon as possible unite with some other church, where we can carry out

the spirit of the Covenant and the principles of God's Work.

"And may the God of Peace, who brought again from the dead our Lord Jesus, the Great Shepherd of the sheep, through the blood of the everlasting covenant, make us perfect in every good work to do His Will, working in us that which is well pleasing in His sight through Jesus Christ; to whom be glory for ever and ever."

Articles Of Faith

1. We believe that the *Holy Bible* was written by men divinely inspired, that it has God as its author, salvation for its end, and truth without any mixture of error for its matter; and that it is the supreme standard by which all human conducts, creeds, and opinions should be tried.

2. We believe the Scriptures teach that there is one, and only one, living and true *God;* that in the unity of the Godhead there are three persons, the Father, the Son, and The Holy Ghost; equal in every divine perfection, and executing distinct but harmonious offices in the great work of redemption.

3. We believe the Scriptures teach that *man* was created in holiness, but by voluntary transgression fell from that state, in consequence of which all mankind are now sinners, not only by constraint, but choice, and being by nature utterly void of holiness, are under just condemnation.

4. We believe the Scriptures teach that *election* is the eternal purpose of God, according to which He graciously regenerates, sacrifices and saves sinners; that being perfectly consistent with the free agency of men it comprehends all means in connection with the need.

5. We believe the Scriptures teach that the salvation of sinners is wholly of *grace,* through the mediatorial office of the Son of God.

6. We believe the Scriptures teach *Regeneration,* or the new birth, is that change wrought in the soul by the Holy Spirit, by which a new nature not before possessed is imparted, and the person becomes a new creation in Christ Jesus.

7. We believe the Scripture teaches that *repentance* is a personal act promoted by the Spirit, and consists in a godly sorrow for sin, together with prayer for pardon, resulting in a persistent turning away from evil.

8. We believe the Scriptures teach that *faith,* as an evangelical grace wrought by the Spirit, is the medium through which Christ is received by the soul as its sacrifice and Saviour. It is an assent of the mind and a consent of the heart, consisting in belief and trust.

9. We believe the Scriptures teach that the blessings which Christ secures to such as believe in Him in *justification;* that justification includes the pardon of sin and the promise of eternal life; that it is bestowed not because of our works of righteousness but through the faith in the Redeemer's blood, being imputed to us of God.

10. We believe the Scriptures teach that *adoption* is a gracious act by which the Father for the sake of Christ, accepts believers to the estate and condition of children, by a new and spiritual birth.

11. We believe the Scriptures teach that *sanctification* is the process by which, according to the will of God, we are made partakers of His holiness; that it is progressive work, begun in regeneration and carried on in the hearts of the believers by the Holy Spirit through the continued use of the appointed means.

12. We believe the Scriptures that teach such as are truly regenerate will not *utterly fall away* and finally perish but will endure unto the end through their preserving attachment to Christ.

13. We believe the Scriptures teach that the law of God is the eternal and unchangeable rule of His moral government which is holy,

just and good; and that the end of the Gospel is to restore men through a mediator to unfeigned obedience to his holy law.

14. We believe the Scriptures teach that a visible *Church of Christ* is a congregation of baptized believers, associated by covenant in the faith and fellowship of the Gospel, observing the ordinances of Christ, governed by His laws, and seeking to extend His Kingdom in the world; that its only Scriptural officers are pastor and deacons.

15. We believe the Scriptures teach that Christian *baptism* is the immersion in water of a believer in Christ, into the name of the Father, the Son, and the Holy Spirit to show our faith in the crucified, buried, and risen Saviour, being also emblematic of our death to sin, and resurrection to a new life; that it is prerequisite to the privileges of a church relation and to the Lord's Supper.

16. We believe the Scriptures teach that the *Lord's Supper* is a provision of bread and wine, as symbols of Christ's body and blood, to be partaken of by the members of the church in commemoration of Christ's death; its observance should be *preceded by* faithful self-examination.

17. We believe the Scriptures teach that the first of the week is the *Lord's Day,* that it is to be kept sacred to religious purposes by abstaining from all secular labor, except works of mercy and necessity, by the devout observance of all means of grace, both private and public.

18. We believe the Scriptures teach that *civil government* is of divine appointment for the interest of good order of human society; that magistrates are to be prayed for, conscientiously honored and obeyed, except only in things opposed to the will of our Lord Jesus Christ, who is only Lord of the Conscience; that civil rulers have no right of control over, or of interference with, religious matters.

19. We believe the Scriptures teach that there is a radical and essential difference between the *righteous* and the *wicked,* and this distinction holds among men both in this life and after death.

20. We believe the Scriptures teach that at the *Last Day* Christ will descend from Heaven, raise the dead from the grave, and set up His Judgment Throne; that the wicked will be adjudged to endless sorrow, and the righteous to endless joy; and this judgment will fix forever the final state of men in Heaven or Hell, on principles of righteousness.

21. We believe no ministers have a right to the administration of the ordinance only such as are regularly called and come under imposition of the head of Presbytery.

4. The Report on Stewardship was given by Rev. C. W. Teague. This report was adopted as given.

Report On Stewardship

Stewardship is derived from the words *Steward* and *Ship*, both are nouns. The word steward means: an officer in a large family or estate, to manage and supervise servants, collect and report rents and income; and to obey and carry out God's command as given in His word.

The digest of church letters shows that we have 13,426 members in our Association and only 2,522, or 19%, tithe their income. We cannot base our stewardship altogether on tithing, but it gives a fair indication of our stewardship.

The U. S. News and World Report states that during 1960 churches of all denominations gave only one and two tenths per cent of all salaries. This indicates that our nation robbed God of eight and eight tenths per cent of the tithe during 1960. "Will a man rob God? Yet ye have robbed me. But ye say, Wherein have we robbed thee? In tithes and offerings." Malachi 3:8. Are we on trial for our unfaithfulness in this hour of world crisis? Can God be pleased with our stewardship? Southern Baptists gave a little over 17 million dollars for foreign missions in 1960. Dr. Baker James Cauthen, Executive Secretary of our Foreign Mission Board, tells us that the Foreign Mission Board had to leave unmet needs, totaling more than three million dollars last year.

Dr. Courts Redford, Executive Secretary of our Home Mission Board, states that at least two million dollars are needed for new church sites, and no investment would bear larger dividends in the plans to establish churches. Considering our shifting population, we have many thousands living where Baptist churches should be built. Jesus commanded stewardship and tithing. "These ought ye to have done and not leave the other undone." Matthew 23:23. Again in Matthew 5:17 Christ said, "think not that I am come to destroy the law or the prophets: I am not come to destroy, but to fulfill." He must be asking, 'What have you done with all I have given you? Your income, your minds, your sons and daughters?" Only when hearts are right and God is first in our lives, can we be found faithful stewards. Have we really thought deeply about thoughtless spending in light of world needs?

A good steward makes provision for his money to continue serving God long after death. Through our Baptist Foundation, advice is given to anyone who wishes to remember his church, or any Baptist work, or institution in his will.

C. W. Teague

Rev. Teague brought a brief message on Stewardship and its meaning.

5. The report on State Missions was given by Rev. Glenn Neal. The report was adopted as given.

Report On State Missions

Jesus, over 1900 years ago, gave us our Great Commission, "and ye shall be witnesses unto me, both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost parts of the earth." Acts 1:8. In this call North Carolina becomes our Jerusalem. Thus, the State Missions department begins its effort to reach the unsaved for Christ, teach and train them, as well as the saved, to serve Christ through a stewardship of life.

The North Carolina Cooperative World Mission Program divides the State Mission work into three (3) divisions: Division of Missions, Division of Church Programs, and Division of Evangelism. Under these three divisions there are more than 30 phases of work combined together to carry out the job of State Missions. We can make progress by informing our people of the Ministry of State Missions.

One principle of progress is that of conservation. One of the greatest challenges facing Baptists is that of matching our evangelistic fervor with an equal zeal for developing those we win. Presently, we are developing about one third of those we win. Here lies the purpose of the Training Union phase of work. The Training Union undergirds the local church as it seeks to reach the 1,300 churches in the state now without Training Unions.

To date in North Carolina, 161 new churches and 220 missions have been established. Shifting population and growth indicates a present need for at least 601 more churches and missions.

Sunday School work is so well established in the minds of our people and in our churches that we often miss this as a basic State Mission program. The endless task of reaching, teaching, winning, and developing people in discipleship and Bible study is the main line of activity.

State Missions also provides aid on church buildings, the purchases of sites for new churches, and pastors' salaries in areas unable to support a man on the field.

Many other areas of need included in State Missions are: The Allied Church League, The Silent People, the Camp at Fruitland, Caswell Assembly, Summer Student work, Student Loans, Ministry through Service, Institutions and Pastoral Care.

The financial support of the divisions of State Missions are supported by money given through the Cooperative Program, Sunday School, Home Mission Board, and special State Missions Offerings promoted in the local churches by the WMU and the Division of State Missions.

The evangelistic call in Christ's Commission can be accomplished by God's people in our churches and in cooperation among churches, praying, studying, living, witnessing and contributing so that God's redemptive grace may be experienced in the lives of all people. Let us continue to hold together as in the past year and work more for the cause of Christ in North Carolina.

Respectfully submitted,
Rev. Glenn W. Neal

6. Marse Grant was recognized and gave a discussion on the Biblical Recorder. We were reminded that the Biblical Recorder is a free publication and is available to all Baptists in the state.

7. Rev. Earl Bradley was recognized and gave a message on the Co-Operative Program Advance and its relation to Christian Education. We must have "Quality Education" which is Christian.

8. Mr. C. Lee Harris led in singing "Onward Christian Soldiers."

9. Rev. Oliver C. Price gave a report of the Executive Promotion Committee. The report was adopted as given.

Report Of The Executive Promotion Committee

Your Executive Promotion Committee is composed of the officers of the Association, four members from each local church. The Committee met quarterly — January 9, April 3, July 10, October 2, 1961. Every action of the Committee is subject to the approval or disapproval of the Association. A smaller committee, the Advisory Steering Committee plans and reviews the work of the Association quarterly and reports to the Executive Promotion Committee.

Your Associational Officers have been busy. Many hours were applied to counsel with churches at their request, and to planning the work of the Association.

Your Executive Promotion Committee acted upon many matters and the following items are brought to you for your consideration and approval.

1—We recommend that April 1-15 be observed in Catawba River Baptist Association as Baptist Jubilee Revivals.

2—We approved of the Associational WMS effort to secure enough Green Stamps to purchase a new station wagon for Region 8 Baptist Camp.

3—We reviewed the budget for 1961-62 presented by the Budget and Finance Committee and recommend its approval when presented.

4—We approved several nominations to fill vacancies during the year.

5—Approved of a Sunday School Central Training School for Oct. 29 - Nov. 1, 1962.

6—Approved reports of the Missions Committee and its work with churches and its good progress in establishing many institutional missions through the local churches.

Quarterly reports were presented by the following committees, organizations, or persons:

Sunday School, Training Union, WMS, Music, Associational Missionary, Evangelism, Ordination of Ministers, Maintenance, Nominations, Reception and Location of New Churches, Budget and Finance, Missions, and Advisory Steering.

The moderator and clerk possess full copies of the minutes of the Executive Promotional Committee if you desire to read them.

Respectfully submitted,
Charles Moseley, Clerk
Oliver Price, Moderator

10. The report of the Nominating Committee was given by Rev. Charles L. Moseley. The report was adopted as given.

11. Rev. John W. Woody gave the report of the Missions Committee. The report was adopted as given.

Missions Committee Report 1960-61

The Missions Committee was slow in beginning its work because of the removal of several committee members from the Association. However, after the selection of new members and the re-organization of the committee, several things worthy of mention were done.

1—The committee worked with the Mull's School group in accordance with the commitment of the previous Missions Committee. The commitment called for the committee to help the Mull's School group

secure an interim pastor and another location. When these two objectives had been secured, the committee and Mull's School group (now the Brookwood Church) ceased their working relationship on a friendly, Christian basis.

2—Our committee surveyed the rest homes and institutions of our County as to their religious needs. Of the twenty institutions mailed survey sheets, ten replied giving the requested information. Three institutions were satisfied with the religious services already provided. One, Valdese General Hospital, plans to begin services for nurses when the New Nurses' Home is complete. The churches in the Valdese area will be responsible for the services on a rotating basis. Six of those surveyed asked for assistance from the churches religious services for their inmates. These six were assigned to nearby churches and six institutional missions have been established.

3—The committee has some projected plans for 1961-62. An effort is to be made to provide our Negro Baptist Churches with assistance in their Vacation Bible School work, May 6, 1962 is suggested as a date to take a census in the Bethel Street area of Morganton.

The Missions Committee urges that every church make every effort to discover all the needs of its immediate community. After the needs have been discovered, take whatever steps necessary to meet these needs. These steps may require more than your church is doing or has ever done before. Do not despair or refuse to meet the need. Remember the words of Paul when he said, "I can do all things through Christ which strengtheneth me." (Phil. 4:13).

Respectfully submitted,
Missions Committee
John W. Woody, Chairman

12. Rev. Earl Pearson gave the Associational Missionaries Report. Rev. Glenn Neal made a motion that the report be adopted. The motion was seconded and the report was adopted as given.

Associational Missions Report

All that is presented in the minutes of an association concerning the total world missions program, which includes the work of the local churches, the associational officers and committees, as well as the missionary, composes the report on associational missions. No report of an associational missionary would be complete without an expression of gratitude for the cooperation and help of all the churches, the associational officers and committees, and many others who do many helpful things. The real test of the success of the whole program is made in the local churches. The results, good or bad, can be seen in the reports from the churches.

RECOMMENDATIONS

A. Beginning October 1st, 1961 the salary will be paid on a weekly basis.

B. Beginning October 1, 1961, that travel will be paid on an *average* monthly basis of $80.00 per month at the rate of 8c per mile and no more than $240.00 be paid in any one quarter unless it is a "carry over" from the previous quarter. This amount is not to exceed $960.00 for the budget year. The mileage account will be paid once a month upon the account of mileage given to the Treasurer.

C. That we encourage the Missionary to secure regular office help to relieve himself of these secretarial duties so that more time can be spent in the field.

D. It is recommended that the Vacation Bible School Superintendent request the churches to send the Commencement Offering to the Associational Treasurer for support of mission Vacation Bible School work.

E. It is recommended that for the Baptist Jubilee Revivals, April 1962 be supported by contributions of ten cents per resident member by the churches participating in the revivals.

F. It is also recommended that each church treasurer send to the Associational Treasurer contributions for the budget on a monthly basis if possible. This will enable us to pay our monthly obligations promptly.

G. Since we are still $900.00 behind with our bills we recommend that churches giving regularly to the budget increase their gifts by 10%, their churches are asked to accept a goal of at least $1.00 per resident member as a starting point of giving to our work. The churches giving more than this amount are asked to increase their gifts by 10% so we may meet our bills promptly and keep our good name, as far as payment of our obligations go.

H. We recommend that we apply for $730.00 aid on the Missionary's salary.

Chairman of Finance Committee
and Treasurer

C. Lee Harris was recognized and urged that we support the Associational Program by more regular giving to the Associational Program.

14. Jack Campbell gave the Music Report which was adopted as given.

REPORT OF CHURCH MUSIC COMMITTEE
Year Of October 1, 1960 Through September 30, 1961

During this, the second year of its organization, the Church Music Committee has led the churches in the following major activities:

December 12, 1960—THE ASSOCIATIONAL CAROL SING. Nine churches took part in this endeavor, with 146 persons participating. The choirs from the churches which participated visited hospitals, rest homes and penal institutions in this area—20 in all—and sang carols for them. After this had been done, the carollers returned to the Calvary Baptist Church for a period of group singing of carols and for a period of fellowship and refreshment.

January 16, 1961—CHURCH MUSIC LEADERSHIP CONFERENCE. Eleven churches participated in this conference with 25 in attendance. This was a dinner meeting at the Rainbow Grill with the aim in mind of fostering good fellowship among the music leadership in the association, and of allowing them an opportunity to evaluate what is being done in our associational music activity, and of offering constructive suggestions as to how it may be improved.

April 17, 1961—EVANGELISTIC RALLY AND HYMN SING. The number of churches participating in this endeavor is uncertain, but the attendance was approximately 730. This hymn-sing was planned in conjunction with the Evangelistic Rally in order to give impetus to the importance of hymn-singing in evangelism. A number of pastors, music and educational directors and their wives formed a choir for this occasion and sang very effectively.

The Associational Director of Music, for personal reasons, found it necessary to resign from that position in June of this year, and the tentative plans for an Associational Choral Clinic to have been held in August were not consummated. This would have been the final major associational music emphasis.

In addition to the above activities, the Church Music Committee:

(a) Meets at least once each quarter

(b) Plans music for the monthly meetings of the Association

(c) Seeks to foster and encourage attendance to Music camps and assemblies

(d) Encourages use of our Baptist hymnals and other music publications

(e) Offers assistance, to the limited degree possible, to those churches seeking and needing advice or suggestions regarding its music ministry

Respectfully submitted,
Jack H. Campbell
Director of Church Music

Historian's Report

Catawba River Baptists of Burke County, North Carolina, are now nearing the completion of one hundred thirty four years of work and witness for their Lord. The Catawba River Baptist Association was constituted on November 16, 1827. The first session of this body was held with a church in Caldwell County, called the Head of Yadkin. A previous meeting had been held on April 15, 1827, preparatory to its constitution, which resulted in the drafting of an abstract of principles by which this body was to be governed.

During the first regular meeting of the body, letters were read from thirteen churches, all of which formerly belonged to the Broad River Association, which body was made up of churches from both the Carolinas. Therefore, the Broad River Association may rightly be designated as the mother of the Catawba River Association. As of today only one of the thirteen original churches, Silver Creek, is a member of this body. Union Church was in the territory which later formed Lincoln County.

The original thirteen churches were located in counties as follows:

1.	Burke	(1. Silver Creek
		(2. Union
2.	Caldwell	(3. Globe
		(4. Head of Yadkin
		(5. Kings Creek
		(6. Lower Creek

3. Catawba
4. Iredell
5. Rutherford
(7. Mt. Ruhama
(8. New Bethany
(9. Big Spring
(10. Bills Creek
(11. Ebenezer
(12. Head of First Broad
(13. Mountain Creek

During the first session of this body Elder Alfred Webb preached the introductory sermon. Elder Reuben Coffey was chosen moderator and Elder Alfred was elected as clerk.

Elder E. A. Poe, by request of the Association, compiled and wrote a brief history of the first forty years of the Association and its work covering the period 1827-1867. A copy of this history is now extant in the Baptist Historical Collection of the Wake Forest Library in Winston-Salem. An exact typed copy of this history has been made and is now in possession of this Association.

More than a year ago the Executive Promotional Committee empowered your Historical Committee to have made a complete microfilm copy of all the recoverable and extant minutes of this Association. For lack of funds this task is yet unfinished. But let it be said that all but some twenty copies of the annual minutes are in existence in the combined collection of the libraries of Wake Forest College and the Southern Baptist Theological Seminary, Louisville, Kentucky.

Today our Association is made up of 49 cooperating, missionary Baptist churches, all of which are located in Burke County. A brief resume of the work of these churches for the year 1960-1961 is as follows:

ABEE'S GROVE has carpeted their sanctuary.

AMHERST has built a beautiful new building. It has been in use since March 8, 1961.

ANTIOCH called Howard Keller as pastor on May 7, 1961.

CALVARY, dedicated, on June 11, a new cottage at Ridgecrest Baptist Assembly. Cost was $18,000.00 for construction.

CATAWBA VALLEY dedicated a bulletin board August 13, 1961, in memory of Rev. H. A. Quick, beloved pastor now deceased.

CROSS MEMORIAL has started a library. One of the rooms of the church has been specially prepared for this purpose.

DREXEL MEMORIAL has built a new educational unit at an approximate cost of $20,000. It was ready for occupation October 1, 1961.

HIGH PEAK has installed a hot water system costing $6,000.00.

LAKE VIEW has added a new room for educational purposes.

ASHEVILLE STREET has remodeled, brick veneered, and put new windows in their church. The grounds of the church and parsonage have been graded and improved.

FIRST BAPTIST, MORGANTON has employed an architect to prepare plans for a new building.

NORTH MARGANTON has liquidated their debt on their sanctuary and educational building.

MULL'S GROVE has purchased a new Lord's Supper Service. They have also purchased a piece of land adjoining their property.

PLEASANT HILL has installed a new heating system for their sanctuary, and remodeled their old kitchen into a Primary Department. They report that 1,779 books have been read by members of their congregation this year.

PLEASANT VIEW has installed a water cooler with two levels, and an amplifying system for their nursery. They have painted their church auditorium and vestibule. In November 1960 their church debt was paid and note burned.

EAST VALDESE called a new pastor this year — Charles V. Hardin.

VALDESE FIRST has bought approximately 6 acres of land for a new church site.

MT. CALVARY has redecorated, painted, and laid new tile on the floor of their nursery. They have also installed new beds and a bottle for

their infants. They have redecorated and painted the assembly and rooms in the basement of their church. They have refinished their pews and floors in the Sanctuary.

WALKER ROAD has built a new pulpit platform, purchased a piano, sanded the floors, and painted their church inside and out. They have also installed a new and different porch light.

ZION has purchased a new organ for their Sanctuary.

BETHEL dedicated their new parsonage August 27, 1961.

NORTH LAUREL—Redecorated auditorium, installed new pews, new seating system, rest rooms, and constructed 4 new rooms. The parking lot was constructed. The church went on full-time schedule February 5.

MOUNTAIN VIEW 2—Paid off debt on the church building, and burned the note on September 3.

Respectfully submitted,
R. P. Hamby

6. Mr. C. Lee Harris gave a report and spoke on the report for the Sunday School. The report was adopted as given.

Sunday School Report

The Sunday School is the only organization of the Church that is concerned with ALL the people. "Ye shall be witnesses unto me . . ." has been the Lord's call to us down through the years. Since the beginning of time people have occupied the center of the stage in the drama of life. Even in the creation of the world, God was preparing a place where people could dwell and prosper and serve each other. Through the years people have challenged the attention, concern and ingenuity of others.

People are important because they are the product of God's creation, the deep concern of Christ's heart, and the responsibility of Christians. This year in our association we have about twelve thousand people enrolled in our Sunday Schools in the fifty churches. According to reliable estimates all other faiths in our County have the same number enrolled as we do. Thus if all the churches of all faiths have about twenty-four thousand people enrolled in all Sunday Schools this leaves about twenty-six thousand people in our association not enrolled in anybody's Sunday School and the majority of these are Baptists' responsibility.

May we in the coming year make an extra effort to go out into the highways and hedges and bring these people into the Kingdom of our Lord.

Our churches reported 4,395 enrolled in 46 Vacation Bible Schools this year. The First Baptist Church, Glen Alpine, again sponsored a very successful Negro school at Chambers Chapel. These figures indicate a loss of 4 church schools, and a drop from 4,896 to 4,395 in enrollment. It is hoped state leadership will help us this year to have a strong Vacation Bible School Clinic and a much better year in the Vacation Bible School program. Churches are urged to check on the vacation plans of the factories and industries before setting dates for the schools. The sudden announcement concerning such plans last year radically affected the plans of our churches throughout the entire year. Many schools had to be rescheduled, new faculties enlisted, and some schools were shortened. This bad start on the season is greatly responsible for the loss of schools and enrollment.

May God help us to be a blessing in this new year.

Respectfully submitted,
C. Lee Harris

7. Rev. John W. Woody gave the Training Union Report and spoke on the report. The report was adopted as presented.

Training Union Report

Our theme for the Training Union year has been, "Found Faithful."

The first big event of the year 1960 was "M" night at Drexel First. Mr. William H. Spradlin, Jr. was the speaker for the evening. 410 people attended with 38 churches represented. There were 32 pastors present. We have 50 churches in our association with only 40 Training Unions. We have an enrollment of 4,260 members.

Fifteen churches in our association sponsored Youth Week this year. We anticipate a good year in Training Union Program for 1961-62.

The first major event of this year will be a pastor-led Training Union Enlargement Campaign. Twelve churches will be participating. However, all people of all the churches may attend the morning sessions at the First Baptist Church, Morganton, Monday through Friday. ALL who attend will receive credit for Baptist Training Union Manual.

Let your associational officers help you establish a great Training Union program in your church.

Respectfully submitted,
William Ross

8. Rev. Earl Pearson gave a brief report on the Training Union Pastor-led Enlargement Campaign. There is still time for others to enter this program if they so desire.

9. Rev. Albert Ambrose gave the report of the Homes for the Aging. The report was adopted as given.

Homes For The Aging

During this year your representative had an opportunity to visit the Home for the Aging in Winston-Salem. The physical plant was impressive, but more important than that was the dedication of those who have assumed this important responsibility. We ought to support with our interest and our prayers Mr. William A. Poole, General Superintendent. All the others were going about their duties in such a way to inspire, and provide the maximum care for the ones who are spending the twilight years of their lives in our Baptist institution.

One of the problems faced by the Homes for the Aging is the large number of people who desire admittance, but are unable to be admitted because of lack of space. More and more Baptists are realizing that we have a need, and an obligation in this area, but we are not keeping up with the demand. The Cooperative Program contributes a great deal to the support of the Homes. Also, the special February offering contributes a great deal to the financial needs. If it were not for this special offering and the special designated gifts by the churches and individuals the work would be seriously hampered. With the work that is being done by the three Homes, and the prospects of the finishing of Hamilton Home, they are looking forward to doing all they can. Every pastor and every messenger is encouraged to go back to the churches of our association with the needs for the Homes for the Aging on their hearts.

Respectfully submitted,
Albert Ambrose

Mrs. Doris Short of the Home introduced the group visiting the associational meeting. Those visiting were: Mrs. Grubb, Mr. and Mrs. Olive, and Mrs. Bowles.

Mrs. Rachael Bowles showed a display of items made at the Homes and gave a report on other activities at the Homes.

10. Rev. Charles Moseley gave a report from the Seminary Extension Committee. It is recommended that the Association refer this study back to the committee for another year of study

and consideration.

11. Mr. C. Lee Harris led in singing "I've Found a Friend."

12. A motion was made by Mr. C. Lee Harris that the Steering Committee be authorized to publish a calendar of Events for next year. The motion was seconded and carried.

13. Rev. W. A. Hunneycutt made a motion that the report on the Children's Homes be adopted. The motion was seconded and adopted.

Report Of Baptist Children's Homes

North Carolina Baptists are interested in their Children's Homes and have demonstrated it by their contributions.

The Baptists Children's Homes of North Carolina have provided Christian love and care for more than 800 boys and girls annually. These children are the neglected and dependent ones who have been denied the loving care of their own parents.

The three homes that are provided by the Baptists of North Carolina are: Mills Home in Thomasville, Kennedy Home in Kinston, and Odum Home in Pembroke.

125 children live in Christian Foster Homes throughout our state. Some mothers who have lost husband and father receive financial grants in the home which enables them to keep and care for their own children. Well trained case-workers are spending an increasing amount of time working with and strengthening families.

During the past year it became necessary to reduce the number of children in Foster Home care by 35 boys and girls. At one time 162 children were cared for in Foster Homes. There are now 127. Additional income is necessary before more children can receive care through Foster Homes.

The financial support for this year has come from the following sources:

Thanksgiving Offering	33 Per Cent
Cooperative Program	32 Per Cent
Once a Month Offerings	18 Per Cent
Special Gifts and Endowments	17 Per Cent

Last year the Catawba River Association contributed to the support of these children.

One third of the support of these children comes through the Thanksgiving Offering. The Thanksgiving goal for 1961 is $400,000. You can help make this goal a reality!

F. T. Bowman, of Kannapolis, former accountant for the Cannon Mills Company, has been elected treasurer of the Baptist Children's Homes. He assumed his duties October 16, succeeding R. E. Muth, who had held this position since 1950.

The *Charity and Children* which is printed on the Mills Home campus each week has been considered the "right arm" of the institution from the standpoint of support. The subscription price is the same today as it was in 1887 — only 60c a year in bundles of ten or more to the same address, 75c for individually mailed clubs of ten or more, and $1.00 for a single subscription. Most of the circulation goes out in bundles to churches, although the individual subscriptions have grown steadily.

With the increase in population, the development of industry, the growth of cities and the mounting of tensions that accrue to urbanized society there will be, and there is now, an increasing demand for services to dependent children through our child care program.

With your prayers and material support, the Baptist Children's Homes of North Carolina will continue their Christ-ordained ministry to dependent children.

Respectfully submitted,
Richard Hollifield

15. In the absence of Miss Mona Smith, Rev. Al Lineberger gave the report of Church Libraries. The report was adopted as presented.

Report On Church Libraries

A library is one of the great needs of our churches. Good reading is very vital today.

In Timothy 4:13 we find these words, "Give attention to reading" and in Hosea 4:6, "My people are destroyed for lack of knowledge." A church library helps to develop a better-read, better-informed church.

Less than half of the fifty churches in our association have a library. Let us work and pray that many new libraries will be organized in the new year.

In the coming year we will have an Associational Library Council. Any church that desires help on library work, may contact our Associational Missionary or the Library Council, whose names and addresses may be found in the Associational Directory of the Catawba River Baptist Associational Minutes.

Any church organizing a new library and registering it with the Sunday School Board in Nashville, Tenn., will receive a free book offer.

Let us seek to prepare ourselves for better Christian witnessing through the printed page.

Respectfully submitted,
Miss Mona Smith

16. Rev. Millard Hall gave the report of the Southern Baptist Protection Plan. The report was adopted as given.

Southern Baptist Protection Plan

Gaines S. Dobbins in his book *The Years Ahead,* says, "Your Church loses when its ministers are neglected . . . It loses its own self-respect. It loses the respect of the people of the world for whom it is trying to win to Christ. It loses in the lessened efficiency of its ministers who, unless provision is made for their future, face the alternative of spending time and energy needed by the church in efforts to earn a competence for old age. A church loses also in the waste of its minister's mental and spiritual power due to his inescapable concern over the uncertainties of the future; or in frequent change as pastors yield to the call to go where there is a promise of greater security during the years ahead. From a purely business standpoint a church cannot fail to make provision for its minister's future."

Look what your church does when it pays the 10% dues in the Protection Plan:

1—It assures your church that its pastor in the Protection Plan has security against times of retirement, disability, or death.

2—It helps remove the total obligation from your church if death, disability, or old age forces your pastor out of the pulpit.

3—It relieves your pastor of fears and anxieties about the welfare of his family if something should happen to him. It gives him the assurance that he will have a definite income when he retires, too.

4—It helps protect the denomination from a growing relief fund.

5—It makes possible a protection program for the entire ministry instead of just one minister.

6—It strengthens the protection program in your state convention.

7—It provides a benefit for your pastor just as most businesses and industries have been doing for their employees for years.

8—It helps Southern Baptists to provide for their pastors as well as other evangelical denominations are doing for theirs. For example, every pastor in the Protestant Episcopal Church is in that denomina-

tion's retirement plan in which the churches pay all the cost.

9—It allows your pastor to buy insurance, or to join Social Security in which he must pay the total cost.

We have only 21 churches in this Plan.

Those desiring information please contact the Associational office.

Respectfully submitted,
Millard Hall

18. Rev. John T. Tiller gave the report on Evangelism. The report was adopted as given.

Report On Evangelism

These are tremendous days in which to live. Billions are being spent for getting man to the moon, while comparatively little is spent for getting man to God. Multitudes sit in darkness and many in despair while the forces of darkness move constantly in a dedicated abandon toward their objectives. The number of hopeless people — hopeless because they do not know Christ — grows daily. The world's population is increasing by 48,000,000 per year. All religions are winning only 10,000,000 per year.

Many of these lost people live in the territory of our association. They live near our churches. In regard to their need for God they have been deluded by the powers of darkness, and numbers of them disillusioned by the apathy and lack of dedication to Christ on the part of professing Christians. In this desperate day God's people must wake up to the fact that "business as usual" will not suffice. Surely this is the time for total dedication to Christ in His purpose of winning the multitudes to God.

Our Clinic on Evangelism was held on February 6 at North Morganton Baptist Church. The meeting was well attended. Dr. A. L. Parker was our inspirational speaker. The Rally, in preparation for the Crusade, was held at Pleasant Hill on April 10. John Lawrence preached to 750 people. Our simultaneous Crusade, April 23-30, resulted in 167 baptisms and 77 additions to our churches otherwise. Twenty-seven churches cooperated in this endeavor.

Now in order to move forward we must start from where we are. Our association is the best launching place for new frontiers in evangelism and missions.

Therefore, we recommend:

1—That we encourage ourselves in the Lord our God for the resurging interest in evangelism across our Convention, continuously praying that God may work in us and through us to bring the revival we need.

2—That each church prayerfully and studiously consider participating in the Baptist Jubilee Revivals April 1-15, 1962 and March 29 - April 12, 1964, and that special emphasis in all revivals and week by week evangelism throughout the year be placed upon personal, face-to-face, heart-to-heart soul winning and faithful teaching and preaching of the Gospel.

3—That all churches make full use of the Revival Plan Book for 1962-1964, supplied free to all pastors by the Division of Evangelism, Baptist State Convention. Reprints of portions of the book are available for members of the church councils.

4—That our association have an Evangelistic Clinic following the suggested program supplied by the Division of Evangelism. This date for our next clinic is January 25, 1962.

5—That our Association recognize the elected associational officers as the evangelism committee, the Chairman of Evangelism to be the

Chairman of this committee, and that we pledge our wholehearted cooperation to this committee.

6—And that our Association send the Chairman of Evangelism to Ridgecrest for the annual conference on Evangelism during Home Mission Week.

Respectfully submitted,
John T. Tiller, Chairman,
Committee on Evangelism

FRIDAY MORNING SESSION, OCTOBER 27, 1961
PLEASANT HILL BAPTIST CHURCH

1. Rev. Oliver C. Price called the session to order. Mr. C. Lee Harris led in singing "Crown Him With Many Crowns." Rev. Howard Keller led in Scripture and prayer.

2. A motion was made that the report on Temperance and Morals be adopted as it appears in the Book of Reports. The motion was seconded and passed.

Temperance And Public Morals

Temperance is total abstinence from that which is evil and the practice of moderation in all that is good. There are many dangerous and undermining trends in our national life. Excessive and selfish spending is a grave danger to any individual or nation. The average American spends $5.95 daily. Of this amount 15c per day is spent for alcoholic beverages. All Americans spend annually $9,600,000,000 for alcoholic beverages alone and only $4,281,000,000 for Christian and welfare work. We spend more than twice as much to be inebriated and incapacitated as we do to be spiritual and moral.

Our divorces are ever on the increase. In the period from 1950-1959 our divorce courts over the nation granted 3,439,144 divorces. The family altar of prayer and Bible reading is unknown in many homes. A striking motto of our generation is: "The family that PRAYS together, STAYS together." Americans are a "mobile" people. Around 20% of our population moves annually. Crime is ever on the increase. Arrests of our American youth under 18 years of age have increased from 4% in 1950 to 16% in 1958. Crime in our urban areas has increased over the 1950 rate as follows for the following offenses: rape 47%, auto theft 41%, larceny 38%, burglary 33%, roberry 23%, and aggravated assault 8%.

In 1960, 4,247,000 babies were born in America. What kind of life is in store for these little ones who are born into a society that is fast growing more criminal? We often speak of juvenile delinquency. Our problem is really parental delinquency. Every new baby has a moral right to be born into a Christian home. Millions of them are deprived of this privilege. Arrests of our youth under 18 years of age for violation of narcotic drug laws, forgery, murder, and driving while intoxicated are constantly on the increase. It is time for adults to face these issues soberly and prayerfully. It is time for the adults of our nation to turn our youth toward God. A Christian home, a Christian Church and a Christian School can be potent factors in changing these downward trends of our youth in our national society. In this period of perilous national moral decay "it is time to seek the Lord."

3. Rev. William Pyatt gave the report of the American Bible Society. The report was adopted as given.

American Bible Society

Please listen to this earnest appeal of a Chinese college student: "We students want to know Jesus. We must have this book." Then listen to another who says: "Your English speaks to my head, but my Chinese Bible speaks to my heart."

The words of these students express two basic principles of mission work which are true in all lands:

People must have the Bible
because it presents Jesus Christ, the one hope of men and nations.

Each person must have the Bible in his own language
because it speaks to his heart as no other language can speak.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave — and keep on speaking to a person's heart. But we must remember, *in most lands people cannot afford even the cost of printing the Scriptures.*

The American Bible Society helps missionaries to translate the Bible. It publishes without note or comment and distributes without profit, usually below cost. In cases of special need at home and abroad, Scriptures are given without charge. The Bible Society is an active partner of Southern Baptists and serves every form of Southern Baptist work around the world.

During 1960 the American Bible Society:

—rejoiced that some part of the Bible has been published in 1,165 languages: the full Bible in 221, a testament in 277 more and a Gospel or other complete book in 667 more.

—gave over a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as vital link between the home churches and men in service.

—observed its 125th anniversary of supplying Scriptures for the Blind, far below cost, in Braille and other raised letter systems and on talking book records.

—enlarged the ministry of the Finger-Fone, a phonograph operated by one finger, with Bible records in the language needed, for use in areas throughout the world where many people cannot read. Records are now available in 30 languages and others are being prepared.

—helped the Korean Bible Society to realize their long sought goal of distributing more than a million Scriptures volumes in a single year; also rejoiced in the sustained interest in Japan where for the last 5 years, Scripture distribution has averaged almost 2 million volumes.

—distributed throughout the world a record total of over 23 million volumes of Scripture. This was over 5 million more than the number of volumes distributed in 1959 and over 8 million more than the 15 million volumes per year average for the past 9 years.

Southern Baptists Support the Work

Because the Society serves mission work — the Southern Baptist missionaries depend on the Bible Society for Scriptures they need for their people — Southern Baptist churches believe in the Missionary importance of giving to the American Bible Society.

In 1960 Southern Baptist Churches gave $151,626 to the American Bible Society. Gifts from all churches in the U.S.A. totaled $1,001,768.

Although gifts have been increased and the work has expanded, the world-wide need for the Bible is still greater than the supply.

The help of every Southern Baptist church is needed. Has your

church given this year? Here are suggestions, based on what many churches are now doing:

Every church can give *at least* these amounts *each year*:

Smaller churches ----------$10 to $ 60
Larger churches ----------$60 to $300
Greater city churches ----------$300 to $600 or more

William Pyatt

4. Rev. Lee Roy Denton gave the report of the Radio Committee with its recommendations as follows:

Report Of Radio Committee

The Radio Committee of the Catawba River Baptist Association recommends the following:

1. That our Catawba River Baptist Hour be composed of the Southern Baptist Hour, and associational announcements, this to be sponsored by cooperating churches in the association.
2. That the radio committee be responsible for enlisting churches to sponsor the radio program.
3. That the church sponsoring the program pay the regular $14 and be recognized on that Sunday as the host church.
4. That the announcements be made alternately by members of the radio committee and the associational missionary.
5. That announcements from churches be limited to those of associational-wide interest. Such announcements to be called in to the asociational office by noon on Saturday.

Respectfully submitted,
Boyd Hopkins, Chairman
Radio Committee
Roy Denton, Member
Howard Keller, Member
Charles Moseley, Member

Rev. John W. Woody made a substitute motion that we maintain our Associational radio program as it now is over Radio Station WMNC in Morganton, with the Baptist Hour being broadcast at the station's discretion and that our Radio Committee be instructed to work with the Valdese station to secure the most desirable hour for their broadcast of the Baptist Hour. The substitute motion was seconded and passed by a majority vote.

5. Mr. W. R. Williams gave the report on the South Mountain Institute. The report was adopted as given upon the recommendation of Rev. Bill Byrd.

Report Of South Mountain Institute

The South Mountain Institute, Inc., is a home for the orphan, the neglected, and the underprivileged boys and girls from Burke and McDowell Counties. Needy cases from surrounding counties are considered when we have vacancies and there is an agency to sponsor the application. The institution is controlled by a self-perpetuating Board of Trustees, none of which are compensated for any services they may render. The home is nondenominational and is supported entirely by charity. The home operates, as much as is possible, on the large family plan. The children help with all the chores that are connected with the home. There is always time for fun, free play, as well as supervised

recreation and study hours.

Last year the home provided for more than 18,000 days of care for 53 children. Total care was provided for each child in the institution. This care was provided at an average yearly cost at $1,000.00 per child. (The average per child per year for all institutions of our size in North Carolina was $999.00). The churches in this association contributed $3,692.17. This includes the donated commodities as well as cash. We are indeed grateful for this contribution, without which we would have found it very difficult to meet our obligations to our children and to our creditors.

We believe that with our present staff and facilities, we are providing opportunities for our boys and girls that is comparable to some of the larger Child Caring Institutions.

We extend a cordial invitation to all the ministers of this Association and the ministers of other faiths in Burke County to visit our institution and if we can be of any service to needy children it will be our pleasure to do all we can.

Respectfully submitted,
W. R. Williams, Superintendent

6. New officers were elected to serve for the following year as follows: Moderator, Rev. John T. Tiller; Vice Moderator, Rev. Albert Ambrose; Clerk, Rev. Charles L. Moseley; Historian, Rev. Bill Goble; Treasurer, Mrs. Wayne Huffman.

7. After the nomination and election of officers, Mr. C. Lee Harris led in singing "We've a Story to Tell to the Nations."

8. Rev. T. B. Deese gave the recommendation of the Committee on Place and Preacher as follows: Rev. John W. Woody, preacher, first day; Rev. Howard Hodges, alternate. Rev. Edgar Cole, preacher, second day; Rev. William Goble, alternate. The meeting will be held next year with Hopewell the first day and with Zion the second day. The report was adopted as given.

9. A motion was made that the Brotherhood report be adopted as given in the book of reports. The motion was seconded and passed.

Brotherhood Report

The 1960-61 associational year was significant for Baptist Brotherhoods in North Carolina. On October 1, 1960, a new plan of organization went into effect. It now appears that every Brotherhood in the state is organized on the new plan. The Brotherhood Department gave special emphasis to leadership training. Good attendance was reported for many associational Brotherhood workshops for church Brotherhood officers. Seventy-five men attended the Brotherhood weekend at Fruitland where they received instructions on how to teach the *Church Brotherhood Guidebook.*

One of the most significant events of the year was World Missions Week at North Carolina Baptist Assembly near Southport. Eleven hundred men, women, boys, and girls were in attendance. This week is sponsored jointly by Brotherhood and Woman's Missionary Union of North Carolina and is an annual missionary emphasis.

In the ten Regional Conferences, the Brotherhood cooperated with the North Carolina director of Retirement Plans and the Annuity Board of the Southern Baptist Convention in presenting the Protection plan for pastors.

During the year the Brotherhood Commission published *Effective Christian Witnessing* by Nelson Tull. This book is to be used by the Brotherhood to teach men how to witness for Christ to lost people. In October the Brotherhood Department will conduct 6 Christian Witnessing Leadership Workshops for the purpose of preparing men to teach

this book in their churches. In cooperation with the Brotherhood Commission and the Baptist Convention of Ohio, the Brotherhood Department sent 20 men to Ohio for special mission work. These men were led by Paul Drake, Captain, USMC, of Morehead City. These men engaged in personal winning and conducted services during their week-long stay in Ohio. At the close of the week two new missions were established. As a result of the excellent work which these men did, the Ohio Convention has requested that we send 100 men for a similar crusade next year.

The Royal Ambassador Program is undergoing a change in organizational plan beginning October 1, 1961. This plan will be as follows:

Crusaders (9-10-11 year olds), Pioneers (12-13-14 year olds), Ambassadors (15-16-17 year olds). This new plan offers many possibilities for leading boys in missionary education.

Plans are still being made to develop a State RA Camp near Asheboro in the next few years. A site has been selected and preliminary plans for developing it have begun.

We believe that through Brotherhood and Royal Ambassadors Baptist men and boys will be challenged to take a more active part in churches' efforts to bring the gospel to the whole world.

After the Associational Nominating Committee enlisted the Brotherhood officers for 1961-62, these officers met and formulated plans for the following features of our Associational Brotherhood program for the year:

A Rally to be held at North Morganton Baptist Church on October 20, with Sgt. Billy Fallaw of the South Carolina State Highway Patrol, as speaker.

A workshop in all phases of Brotherhood and Royal Ambassador programs to be held at the First Baptist Church, Drexel, on November 16, 17, and 18, 1961.

Associational officers to definitely visit and help the Brotherhoods in the local churches.

All Brotherhood activities and associational night programs were established in the 1961-62 calendar of activities for the Association.

In addition to these plans associational officers helped establish RA work at Oak Grove Baptist Church, and introduced the Brotherhood at Riverside Baptist Church.

We anticipate trying to establish Brotherhood and Royal Ambassador work in all churches of our association and to try to give encouragement and help to all in our conferences, Rallies, and other activities.

Respectfully submitted,
Max Bryant,
Associational Brotherhood President

Woman's Missionary Union Report

"For the love of Christ constraineth us." 2 Corinthians 5:14

It has always been costly to be different from other people. The world has an armory full of barbed words which it hurls at all who follow after life's noblest aim — such as *foolish — crazy — mad — disobedient* and *insane* are among the words used. The imperishable words that Paul addressed to the church at Corinth, "For the love of Christ constraineth us," is the secret of success that men and women have under the influence of Christ's love. This has been the Watchword of the Woman's Missionary Union for the year and has helped each one as we have said these words over and over again.

The origin of love is God. When Paul says "the love of Christ" he means Christ's love for him and not his love for Christ. The molding power in Paul's life, in any life, is found in God, not in himself.

The medium of love is Christ, "God so loved ... that He gave ...

His Son." The love that constraineth us is the love that died on the cross.

The power of Love "Constraineth us" — "Impel" — "compressed" or "Bear away." This leaves the Christian no choice but to live for Christ. A Christian impelled by the love of Christ cannot be an isolationist. Like Paul he will be driven on by Love's irresistible power in the face of every obstacle, for we have no alternative, but to obey.

"Christ For The Whole Wide World," a hymn written by Mrs. Clifton J. Allen, has been our hymn this past year. A missionary returning from China, upon hearing a congregation sing the hymn, made this comment, "This is the greatest missionary hymn I have ever heard and until now I did not know the hymn existed. If every Christian would carry out the message that has just been sung, most of our problems relative to missions would be solved."

Even accurate figures are not an adequate measure of labor or results of work done in our association. There are some things that cannot be totaled by figures. We feel that this has been a very good year in our work, although the results are not as we wish they could have been.

The following is a report of activities done during the year:

Number of WMS in our Association, 39; number of YWAs, 17; number of GAs, 41; number of Sunbeams, 38; total number of members, 2355.

Mission Study—books taught, 143; books read, 824.

Two Mission Study Institutes were held, one for the Foreign Mission series and one for the Home Missions. These were good in attendance.

Community Missions is a phase of our work in which we cannot tell all that has been done in each church. 120 organizations reported that they had participated in planned Community Missions in their churches this year.

We have had two Weeks of Prayer and two seasons of prayer to be observed during the year. The number of organizations observing these are:

Foreign Mission Week of Prayer	94
Home Mission Week of Prayer	81
Heck-Jones Season of Prayer	64
State Season of Prayer	82

STEWARDSHIP—

We made our 13% increase in our giving to the Lottie Moon Foreign Missions Offering, but we did not on the Home Missions. We gave to:

Foreign Missions	$15,091.89
Home Missions	$ 2,891.28
Heck-Jones	321.77

State Missions offering was combined with the church and did not keep a separate amount.

Number reported giving through the Cooperative Program was 1,793.

There were 1,067 reported to be tithers. This is a report that could partly be given, but time and talents and giving of each one's self cannot be told. We have tried to the best of our ability to work and cooperate with the entire program of our association.

We have coming into our Association the following magazines:

Royal Service	670
YWA Window	94
Tell	360
Sunbeam Activity	66

We have a Leadership Conference for all local church officers. The associational officers attended the WMU Workshop promoted by the State office at Fruitland.

The WMU of our Association sponsored a banquet for pastors and

wives. This was well attended. Rev. Lawson Allen of Gardner-Webb was the guest speaker.

We, the members of the Woman's Missionary Union, desire during the new year to WORK, PLAN and COOPERATE with our association in all activities — and ask that each one pray for us as we continue to carry the message of Christ where we live and into the uttermost parts of the world.

Respectfully submitted,
Mrs. H. A. Quick

Rev. Earl Pearson spoke on the report of the W.M.U.

11. Rev. J. C. Goare gave the report on Home Missions. The report was adopted as given.

Report On Home Missions

A study of the past, present, and future work of the Home Mission Board is a thrilling one, and the average Southern Baptist probably does not appreciate its work as we should. But a survey of its accomplishments would point out that 1,378,286 professions of faith have been made through the efforts of its missionaries, and the Home Mission Board has helped to constitute 13,248 churches, or more than one-third of all Baptist churches in the Southern Baptist Convention, with a net gain of 5,142 in the number of churches in the past 12 years.

Such phenomenal strides have been made through a multiple type ministry including work among foreign language groups, pioneer areas, mountain people, migrants, displaced persons, sharecroppers, rural and big city missions, Jews, Juvenile Rehabilitations, Negroes, Good Will Centers, and Rescue Missions.

A recent report from our Home Mission Board indicates that the work continues to prosper, and great plans for the future are being launched. This report reveals that Southern Baptists will spend $4,425,000 to support the work of 2,034 missionaries of the Home Mission Board in 1961.

This exceeds the budget of 1960 by a third of a million, according to a recent report by Dr. Courts Redford, executive secretary.

Most of the funds will be supplemented by budgets of state conventions in carrying out the missions work in the United States. At present 23 of the 28 state conventions cooperate in this plan of supplementation.

The budget is distributed among the Board's five divisions — missions division—$3,331,694; evangelism division—$165,226; education and promotion division—$173,682; chaplain's division—$85,460; church loans division — $156,974; and the remainder went to general missions — $367,200, and administration—$251,688.

A much larger portion of the budget, you will notice, will go to the big missions division. The reason for this is that an intensive effort will be made to help less developed areas of work. This division includes departments of city, associational, and pioneer groups, language group ministries, work with National Baptists, survey work, and a new special mission ministries department.

The Home Mission Board would like to call on Baptists throughout the Convention to recognize the size and urgency of our home mission task, and to pledge anew their prayers and support in meeting the challenge of this crusade in home missions.

Respectfully submitted,
J. C. Goare

Rev. Goare spoke on the subject of Home Missions.

12. Mrs. R. P. Hamby gave the report on Foreign Missions. The report was adopted as given.

Foreign Missions Report

At their annual Missions meetings in 1960, Southern Baptist Mis-

sions around the world made urgent requests for 786 new missionaries. With the appointment of 137 new missionaries in 1960, a new high peak of missionary expansion was reached. As of July 15 there were 1,539 missionaries serving in 46 countries. The objective of the Foreign Mission Board is to have under appointment by the close of 1964 a minimum of 2,000 missionaries. The objective for 1961 is to appoint 160 additional missionaries. These missionaries need our continual support through prayer, missionary giving, and life dedication

In financing the work of Foreign Missions, there are three main divisions of responsibility. First, missionaries must be sent and supported. Second, funds must be provided to cultivate developing programs of work on mission fields. Third, resources must be made available for capital expenditures. The importance of buildings for churches, schools, hospitals, seminaries, publishing houses, good will centers, and missionary residences can hardly be overstated. Each year the needs presented before the Foreign Mission Board by official action of the missions actually exceed funds available by a minimum of $3,000,000. Southern Baptists gave last year $1.69 per capita for Foreign Missions. There is urgent need for a great increase per capita in our giving. God continues to move the hearts of many people to volunteer for missionary service. Advance in missionary personnel and advance in financial reinforcements must proceed in parallel lines. The urgency of the missionary task across the world increases daily. Work must be begun in many fields, and the fields where we are now serving must be strengthened and expanded. The Foreign Mission Board looks to the Cooperative Program and the Lottie Moon Christmas offerings for financial resources for world-wide missionary labor.

GEOGRAPHICAL DIVISIONS

I.—*LATIN AMERICA*

The 526 missionaries assigned to Latin America, as of December 31, 1960, were located in 90 stations and 15 political entities as follows: Argentina, the Bahamas, Brazil, Chile, Columbia, Costa Rica, Ecuador, Guatamala, Honduras, Mexico, Paraguay, Peru, Uruguay, Venezuela, and the United States (Baptist Spanish Publishing House, El Paso, Texas). 494 missionaries were serving in Latin America at the beginning of 1960. Fifty new missionaries were appointed during the year, but 5 retirements and 13 resignations held the total at the year's end to 526. There are 2,028 churches, 1,348 national pastors, with a total membership of 208,708 and a Sunday School enrollment of 241,596. These churches had 17,219 baptisms last year. We support 334 schools with an enrollment of 39,166 students. Publication work is enormous and our medical work is growing rapidly.

II.—*THE ORIENT*

At the beginning of 1960 there were 464 Southern Baptist missionaries in the Orient. During 1960 there were 45 new missionaries appointed for the Orient and one couple reappointed. The area had a net gain of 36 in missionary personnel, making a staff of 500 at the close of the year. The following countries and areas are included in the Orient: Guam, Hawaii, Hong Kong, Indonesia, Japan. Korea, Macao, Malaya, Okinawa, Pakistan, the Philippines, Taiwan, Thailand, and Vietnam.

III.—*AFRICA, EUROPE, AND THE NEAR EAST*

In January 1960 there were 423 missionaries under appointment for Africa, Europe, and the Near East.

During the year 39 missionaries were appointed for the area. Resignations and retirements caused a loss of 7, making a net gain of 31 missionaries for the year of 1960. The staff of this area as of January 1, 1961, stood at 454 distributed as follows: 358 in countries of Africa, 44 in five countries of Europe; and 52 in four countries of the Near East. The achievement of statehood by Hawaii brought about a new status for missions in this fertile field. At the close of 1960 the Southern

Baptist mission work in Hawaii was "graduated" to new status, no longer as a Foreign Mission field, but now as a recognized state within the Southern Baptist Convention life. This change was the culmination of plans carried out by the Foreign Mission Board over a period of several years. The Baptist institutions developed by the Foreign Mission Board during its twenty years of work in Hawaii have been released to the Hawaii Baptist Convention. The work has grown to 24 churches and 8 missions with a church membership of over 5,000 and a Sunday School enrollment of 9,000. The Foreign Mission Board has left 24 missionaries on loan to Hawaii Baptist Convention. The Board is also providing some continuing financial aid on an annually diminishing basis to maintain strength during the period of transition.

18. Rev. W. A. Hunneycutt made a motion that we adopt the Report on Christian Literature. The motion was seconded and passed.

Christian Literature Report

Have you ever stopped to think that God chose to use "writing" as His means of self-revelation to the world? He made His nature and will known to men through writing. Where would the world be today if it were not for the divinely written revelation, the Bible? Since God Himself saw fit to use literature to reveal His will, as Christians we obviously have a divine plan to follow. In 1962 this principle still holds true as we think of all the fine Christian literature being written.

Baptists believe in democracy; they helped launch it in this nation. Baptist democracy depends largely on well-informed and enlightened people for progress. To be well informed a person must read. Baptists need to know what their fellow-Baptists are doing; the work of missions, evangelism, education, and the wide program of Bible teaching, Christian training and benevolence. Baptists who read will come to understand the magnitude and glory of Baptist growth. They who read and know will themselves grow. Information about Kingdom building brings inspiration for Christian action.

When North Carolina Baptists think of their own literature, they naturally think of their state Baptist paper since 1833 — the *Biblical Recorder*. Down through the years it has been the one connecting link among Baptists. Not satisfied to live in the past, though, the *Recorder* strives to convey its message in an attractive, appealing manner. It is the *Recorder's* job to keep North Carolina Baptists informed — but please remember this is a two-way street. Even the *Recorder* can be of no value to you unless you are receiving it.

North Carolina Baptists can be justifiably proud and grateful for a second type of religious literature; namely the publications reporting on the activities of our benevolent and healing ministries of our Convention.

Another type of literature which we have is books. Through our Baptist Book Store catalogues and advertising tracts we are made aware of the great store-house of Christian books available.

When we feel the need of a closer touch with God, the ladder of inspired literature can bring us into His presence.

Respectfully submitted,
Bill Cline

19. Rev. Garland Earley gave the report on Christian Education. The report was adopted as given.

Report On North Carolina Baptist Colleges

You will note that in giving a title to this report it has been defined as "Report On North Carolina Baptist Colleges." Such terms as "Christian Education," "Christian Higher Education," and "Baptist Colleges" are in common usage today. They are not exactly synonymous. We usually refer to Christian education in the broader sense, denoting every type of training and activity which we provide in our homes, churches, communities, schools, colleges, and seminaries for the purpose of Christian growth. Our goal then should be to provide our children from very birth with an environment that is totally Christian.

Such a concept requires that we make the training in our homes and churches Christian in every aspect as we prepare our youth for college. Many difficulties and failures in college could be solved and overcome if in the earlier years young people were spiritually prepared. It is therefore, imperative that the home, the church, and the college work in closest cooperation as a team, each fulfilling its particular responsibility.

But in this effort we are more directly concerned (as the title indicates) with the role and ministry of our seven Baptist Colleges — Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest, and Wingate.

We are not satisfied to be only a good college, nor even a good Christian college. There must be added characteristics which are distinctive to the Baptist faith. Herein is our reason for being. Our colleges should offer opportunity for a thorough study of Baptist history and doctrines to all its students. Perhaps such courses should be required by those who are in training for church-related vocational services.

Now let's look back at the young people who are living in these seven college communities for the greater part of each year. There are approximately 8,000 regular students enrolled, with another 2,000 who do special work and come for summer school. Two-thirds of these are Baptist young people and one-third young people of other denominations. We are happy to help this group from the other churches because three-fourths of all Baptist youth in college are in other than Baptist colleges. We must never forget that three out of four Baptist youth in college must look to some college other than our seven Baptist colleges, and we are deeply concerned for their welfare also. This is why we must be careful to continue to provide a good ministry through Baptist Student Union in all colleges along with and in addition to the work in our Baptist colleges. Also, we should never place requirements on these students of other denominations in our seven colleges which are part of us and we would not want other colleges to do the same to our students. These are important matters which are often overlooked by critics of our Baptist colleges. Of the Baptist students attending one of our seven colleges, ONE OUT OF EIGHT students is preparing either for the ministry or some other church-related vocation. Here we find our Baptist seed corn for the kind of Baptist harvest we may expect to reap in the future.

The annual operating budget of these seven colleges total between eleven and twelve million dollars. Students pay somewhat over half of this total and Baptists through the Cooperative Program this last college year paid about five per cent of the operating costs. In addition to these two sources, students and Baptists, other sources provided nearly one-half the operating costs. Other sources include endowment income, net earnings from such auxiliary enterprises as dormitories, dining room, student-centers, etc. In addition to these costs for operation, the seven

colleges are spending several million dollars each year in expanding and improving their physical plants and equipment. For the last ten years our Baptist people have provided an average of $500,000 each year to help with these capital outlay costs.

I trust that each of us will be encouraged to do more for our Baptist colleges in the years ahead and help them provide a Christian education for the many thousand boys and girls who will be seeking entrance in the next few years.

Respectfully submitted,
J. Garland Early

Dr. J. T. Gillespie of Gardner-Webb College spoke as representative and Rev. Davis represented Mars Hill College.

20. Rev. William Goble gave the report of the Baptist Hospital. The report was adopted as given.

Report On Our Baptist Hospital

Our Baptist Hospital continues to try to serve our people in the fullest measure possible as an instrument of God's grace. On the Hospital staff are 1,200 men and women who serve us in its varied program of teaching, preaching and healing. Last year there were 78,426 visits to the Out-Patient Clinics from 96 of our 100 counties. 75,000 private clinic visits were made and 16,857 bed patients received 140,000 days of care. Special and unusual cases are being referred to our Hospital by a large number of community hospitals.

Truly our Hospital is a refuge for the needy sick. Service patients (*i.e.*, those who need financial assistance either wholly or partially) receive 40% of the total work of the Hospital. May it be noted and emphasized that any patient (needy) desiring financial assistance must express this desire to the admitting officer in the Out-Patient Department at the time of admittance or in case of emergency to the attending nurse. Total free service to the Service Patients in 1960 amounted to $1,936,000. Our Mother's Day Offerings were $233,000. The cost of caring for the Service Patients beyond what the patients paid was $968,000, with no charges made for professional services of physicians beyond insurance payments. To pay this cost the Hospital received $312,500 from the various Welfare and health agencies, foundations, and other voluntary gifts for this purpose. Consequently the Hospital leans heavily upon the Mother's Day fund to provide assistance for the rapidly growing number of Service Patient requests. As we give liberally to this worthy Christian cause it should make us happy to know that our gifts make it possible for the Hospital to see that no person who needs its care is turned away because he cannot pay the full cost.

Among the needs at our Baptist Hospital, there are some which are acute — one of which is a building to provide classrooms and other facilities for the eight schools operated by the Hospital. Another urgent need is the enlargement of the overcrowded and seriously limited Out-Patient Department, Children's Center, and Psychiatry section of the Hospital. The need is far beyond the present facilities in each of these departments. In 1960 the Hospital received $146,862 through the Cooperative Program all of which is yearly committed to capital needs: payments on buildings, equipment, etc. Your generous gifts through the Cooperative Program help to provide for these capital needs.

One of the newer services of our Hospital is the new Progressive Care Unit which was opened in March, 1960. This new unit provided for 80 beds (a total of 530 beds for the Hospital) for patients who do not require the more expensive and intensive care of the regular hospital. It represents a major effort on the part of the Hospital to reduce the cost of care. The Hospital regrets that at the present time it does not have the money to open it to Service Patients. This unit was built and paid for by borrowed funds which will be repaid by funds received from the non-service patients who use it.

In 1961, 48 of the 50 churches in the Catawba River Association gave $2590.00 to the Mother's Day fund as compared to $2279.11 given in 1960 by 44 of the 49 churches.

The constant and increased need for Mother's Day Funds for helping Service Patients grows more and more acute. We cannot emphasize too strongly the importance of this fund and the need for our churches greatly to enlarge their Mother's Day Offerings.

Respectfully submitted,
William O. Goble, Jr.,
Hospital Representative

The Resolutions Committee

The Resolutions Committee recommends that:

1. We, the messengers to the 132nd session of the Catawba River Baptist Association, express our appreciation to the people of the First Church of Drexel and the Pleasant Hill Church of Enola for for their gracious hospitality and every provision for our comfort.
2. We express thanks to our moderator, the Reverend Oliver Price, our Clerk and other associational officers for their continuous labors as they lead us forward in Kingdom work. Also, we wish to thank all the committees who have given time and thought to planning and guiding our work during the past year. For every person who has been a part of our associational program this session, we are grateful for the information, challenge, and worship opportunities that have been afforded us.
3. In a special way, we express our appreciation to all guest speakers from outside our association who have come to share in our fellowship and lead us to greater service.
4. Also, let us express our deep appreciation to our associational missionary and his wife, the Reverend and Mrs. Earl Pearson, for their untiring services as they lead us in promoting God's work.
5. For the cooperation in publicity of associational activities during the year shown by the Morganton News-Herald, the Valdese News, the Hickory Daily Record, Radio Stations WMNC and the Valdese station, we are deeply grateful and wish to thank them publicly.
6. We are aware that without the leadership of our Heavenly Father, none of these privileges would have been ours; therefore, in all humility we say—"Unto Thee, O God, do we give thanks"—"Praise ye the Lord, Praise Him for His mighty works."

Respectfully submitted,

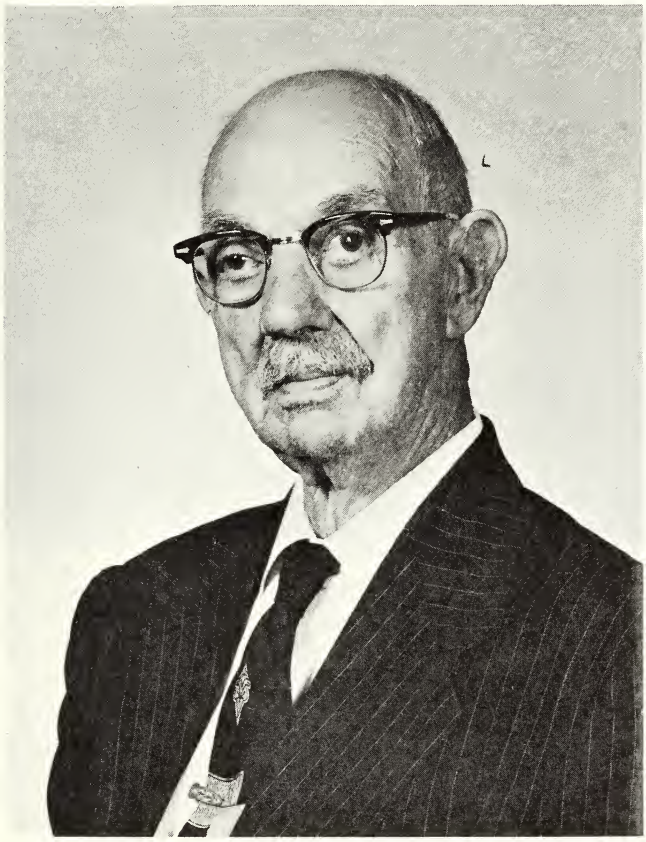
Dedication

The 1961-1962 Minutes of the 133rd Annual Catawba River Baptist Association are dedicated in honor of Mr. and Mrs. Tom Hemphill and Mr. Jesse Hoffman.

It is with a deep sense of gratitude that we dedicate these Minutes to Mr. and Mrs. Hemphill and Mr. Hoffman for their contribution to the kingdom of God and their dedication to the cause of Jesus Christ our Lord.



Mr. Jesse Hoffman was born February 23, 1864 in Gaston County North Carolina. His parents were Miles and Caroline Hoffman. He is the father of two sons and five daughters. Three of these children are deceased.

Mr. Hoffman, known affectionately to his friends as Jesse, became a Christian in August 1885. He was baptised into the fellowship of Corinth Baptist Church in Catawba County. He became a member of Mount Home Baptist Church in 1890. Mr. Jesse has helped organize two of our churches in the Catawba River Baptist Association. In 1895 he helped organize Mull's Grove and in 1916 he helped organize Burkemont. He returned to the fellowship of Mount Home Baptist Church in 1920. His pastor says of him, "We can always depend upon Brother Jesse."

Dedication

(CONTINUED)

Mr. and Mrs. Tom Hemphill, of the El Bethel Baptist Church, have been involved in Baptist work in Burke County for over 60 years. They have missed only two or three associational meetings in the last thirty years.

Mr. Hemphill, the son of the late Mr. and Mrs. William Hemphill, was born in Burke County near Smyrna Church on June 18, 1877. He was baptized into the membership of the First Baptist Church, of Morganton, when he was 16 years of age. He was first elected as a messenger to the association over 65 years ago. He has served as deacon in five different churches for the past 50 years. He was recently made a life time deacon at El Bethel.

Mrs. Hemphill, the daughter of the late Rev. and Mrs. P. J. Shell, was born in Mitchell County on April 17, 1887. At the age of 11 she was baptized into the membership of the Linville Baptist Church. She has served with distinction in many positions in various churches. Currently she is teacher of an Adult ladies class. She has taught for over 50 years.

The dedication of this Christian couple includes their home. They have five children living, all of whom are active Christians. One son is a pastor, another a deacon, and one of the daughters is married to a pastor, and the other two daughters are married to deacons.

Recently Mr. and Mrs. Hemphill were awarded pins by their church for perfect attendance during the past year.

CONSTITUTION AND BY-LAWS

Article 1. The body shall be called THE CATAWBA RIVER BAPTIST ASSOCIATION.

Membership

Article 2. (Sec.a) It shall be composed of regularly constituted Baptist Churches in Burke County and adjacent territory which shall be represented at its regular or special meetings of duly elected messengers in the following ratio:

1. Three for the first hundred members or fraction thereof and one for each additional hundred.
2. All ordained ministers who are members thereof or laboring in connection therewith.

(Sec. b) The Association shall be the sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Provided: The churches so received shall agree and come under the Watch-Care of the Association for a period of one year. It is understood that during this period of probation such church or churches and its messengers shall be entitled to all the rights and privileges of the Association except that of holding office and voting. They may then be voted in as members of the Association in regular standing with full privileges.

(Sec. c) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice, or that fails to represent itself either by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d) Any church may withdraw from the Association at its pleasure.

Objects

Article 3. The Objects of the Association shall be to advise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, The State Baptist Convention and the Association itself.

Power And Prerogatives

Article 4. This Association ought not to have, and shall not have any power to legislate, but may frame rules and devise plans, as an advisory council, for the faithful administration of the law of Christ.

Organizations

Article 5. The officers of the Association shall be a Moderator,

Vice-Moderator, Clerk, Treasurer, and Historian, who shall be elected at each annual session, and the first two officers shall not serve more than two years in succession, and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next annual session unless for a cause removed or until their successors are appointed. In the event that any of the above officers move their residence outside the boundaries of the Catawba River Baptist Association they automatically cease to become officers of the Association. When such vacancy exists, the Executive Committee at its next regular meeting shall select a qualified person to serve until the next annual meeting.

Church Covenant

Having been led, as we believe, by the Spirit of God to receive the Lord Jesus Christ as our Saviour, and on the profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Spirit, we do now, and in the presence of God, angels and this assembly, most solemnly and joyfully enter into convenant with one another, as one body in Christ.

We engage, therfore, by the aid of the Holy Spirit to walk together in Christian love; to strive for the advancement of this church, in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship ordinances, discipline and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expense of the church, the relief of the poor, and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; too seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings; faithful in our engagements, and exemplary in our deportment; to avoid all tattling, backbiting and excessive anger, to abstain from the sale and use of intoxicating drinks as a beverage and to be zealous in our efforts to advance the kingdom of our saviour.

We further engage to watch one another in brotherly love; to remember each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling, and courtesy in speech; to be slow to take offense, but always ready to reconciliation, and mindful of the rules of our Saviour to secure it without delay.

We moreover engage that when removed from this place we will as soon as possible unite with some other church, where we can carry out the spirit of the Covenant and the principles of God's Work.

"And may the God of Peace, who brought again from the dead our Lord Jesus, the Great Shepherd of the sheep, through the blood of the everlasting covenant, make us perfect in every good work to do His will, working in us that which is well pleasing in His sight through Jesus Christ; to whom be glory for ever and ever."

Articles Of Faith

1. We believe that the *Holy Bible* was written by men divinely inspired, that it has God as its author, salvation for its end, and truth without any mixture of error for its matter; and that it is the supreme standard by which all human conducts, creeds, and opinions should be tried.

2. We believe the Scriptures teach that there is one, and only one, living and true *God;* that in the unity of the Godhead there are three persons, the Father, the Son, and The Holy Ghost; equal in every divine perfection, and executing distinct but harmonious offices in the great work of redemption.

3. We believe the Scriptures teach that *man* was created in holiness, but by voluntary transgression fell from that state, in consequence of which all mankind are now sinners, not only by constraint, but choice, and being by nature utterly void of holiness, are under just condemnation.

4. We believe the Scriptures teach that *election* is the eternal purpose of God, according to which He graciously regenerates, sacrifices and saves sinners; that being perfectly consistent with the free agency of men it comprehends all means in connection with the need.

5. We believe the Scriptures teach that the salvation of sinners is wholly of *grace,* through the mediatorial office of the Son of God.

6. We believe the Scriptures teach *Regeneration,* of the new birth, is that change wrought in the soul by the Holy Spirit, by which a new nature not before possessed is imparted, and the person becomes a new creation in Christ Jesus.

7. We believe the Scripture teaches that *repentance* is a personal act promoted by the Spirit, and consists in a godly sorrow for sin, together with prayer for pardon, resulting in a persistent turning away from evil.

8. We believe the Scriptures teach that faith, as an evangelical grace wrought by the Spirit, is the medium through which Christ is received by the soul as its sacrifice and Saviour. It is an assent of the mind and a consent of the heart, consisting in belief and trust.

9. We believe the Scriptures teach that the blessings which Christ secures to such as believe in Him in *justification;* that justification includes the pardon of sin and the promise of eternal life; that it is bestowed not because of our works of righteousness but through the faith in the Redeemer's blood, being imputed to us of God.

10. We believe the Scriptures teach that *adoption* is a gracious act by which the Father for the sake of Christ, accepts believers to the estate and condition of children, by a new and spiritual birth.

11. We believe the Scriptures teach that *santification* is the process by which, according to the will of God, we are made partakers of His holiness; that it is progressive work, begun in regeneration and carried on in the hearts of the believers by the Holy Spirit through the continued use of the appointed means.

12. We believe the Scriptures that teach such as are truely regenerate will not *utterly fall away* and finally perish but will endure unto the end through their preserving attachment to Christ.

13. We believe the Scriptures teach that the law of God is the eternal and unchangeable rule of His Moral government which is holy, just and good; and that the end of the Gospel is to restore men through a mediator to unfeigned obedience to his holy law.

14. We believe the Scriptures teach that a visible *Church of Christ* is a congregation of baptized believers, associated by covenant in the faith and fellowship of the Gospel, observing the ordinances of Christ, governed by His laws, and seeking to extend His Kingdom in the world; that its only Scriptural officers are pastors and deacons.

15. We believe the Scriptures teach that Christian *baptism* is the immersion in water of a believer in Christ, into the name of the Father, the Son, and the Holy Spirit to show our faith in the crucified, buried, and risen Saviour, being also emblematic of our death to sin, and resurrection to a new life; that it is prerequisite to the privileges of a church relation and to the Lord's Supper.

16. We believe the Scriptures teach that the *Lord's Supper* is a provision of bread and wine, as symbols of Christ's body and blood, to be partaken of by the members of the church in commemoration of Christ's death; its observance should be *preceded by* faithful self-examination.

17. We believe the Scriptures teach that the first of the week is the *Lord's Day,* that it is to be kept sacred to religious purposes by abstaining from all secular labor, except works of mercy and necessity, by the devout observance of all means of grace, both private and public.

18. We believe the Scriptures teach that *civil government* is of divine appointment for the interest of good order of human society; that magistrates are to be prayed for, conscientiously honored and obeyed, except only in things opposed to the will of our Lord Jesus Christ, who is only Lord of the Conscience; that civil rulers have no right of control over, or of interference with, religious matters.

19. We believe the Scriptures teach that there is a radical and essential difference between the *righteous* and the *wicked,* and this distinction holds among men both in this life and after death.

20. We believe the Scriptures teach that at the *Last Day* Christ will descend from Heaven, raise the dead from the grave, and set up His Judgment Throne; that the wicked will be adjudged to endless sorrow, and the righteous to endless joy; and this judgment will fix forever the final state of men in Heaven or Hell or principles of righteousness.

21. We believe no ministers have a right to the administration of the ordinance only such as are regularly called and come under imposition of the head of Presbytery.

6. Rev. C. W. Teague gave the Report on State Missions. This report was adopted as given. Rev. Teague spoke to this report.

Report On State Missions

North Carolina State Missions includes no less than 17 ministries, all under the direction of the Division of Missions. Seven areas of work are administered directly by secretaries or directors. They are Church Development, Interracial Cooperation, Fruitland Institute, Ministry to the Deaf, Seminary Extension Program, Cherokee Ministry, and Military Personnel.

The areas of work are promoted and supervised by the Missions Division, Director, Lowell E. Spivey. They are Associational Missions, Institutional Ministries (Samarcand, McCain, Leonard Training School, and Odum Prison), Special Summer Mission work (at Keer Lake, Outer Banks, Pilot Mountain, Mission Center at Spray and George W. Truett Camp), Pastors' Schools (Associational and State), Schools of Missions, Pastoral Aid, Church Lot Aid, Church Loans, 30,000 Movement, and work with Japanese.

The 30,000 Movement has resulted in the establishment of 556 new missions and churches in North Carolina.

The Cherokee Indian Work reached many of the 4,200 people on the Cherokee Reservation. There are two workers and 17 churches. About 50,000 Indians live in this state.

There are more than 5,000 people in North Carolina who cannot hear. State Missions tries to make up for the many needs created by their deafness. TV church services for them (with the singing and speaking done in the sign language) and sign language classes to train people to work with them are a part of State Missions.

In North Carolina, we have 100,000 people in four large Military Areas, the world Mission opportunity is limitless.

There are approximately 3,000 Japanese women and children, families of American service men in the military bases at Cherry Point, Jacksonville, and Fayetteville. Very few of them are Christian. The local

pastors and some Japanese Seminary students are helping to lead them to Christ.

Fruitland has 170 men enrolled for 24 weeks of training under a faculty of eight people. This opportunity is extended mainly for adult pastors who have not had the advantage of college and seminary training.

The Associational Missions Ministry is one of the most important of all. In 69 Associations, 66 Missionaries are serving.

This year 161 missions and churches will be aided through pastoral assistance, new church lot gifts, and church loans.

The Biblical Recorder, our State Baptist Paper, informs us each week about State Missions. Let us read it, give and pray for our State Mission work.

Respectfully submitted,
C. W. Teague

7. Mr. C. W. Bazemore was recognized and gave a discussion on the Biblical Recorder. He urged the churches to adopt the Church Club plan.

8. Rev. C. W. Teague introduced Dr. Douglas Branch who spoke to us on World Missions. "Southern Baptists have the potential to lead the world to Christ," said Dr. Branch.

9. Mr. C. Lee Harris lead the congregation in singing, "Jesus Calls us."

Thank you for your generous support of the associational program, and for your wonderful spirit of cooperation. We will try to have the kind of program that will help your church. Let us help all we can. We can help you if your church participates in associational meetings and activities. If you will enlist your leaders and bring them to the meetings and activities, or lead your church to participate in campaigns arranged by the Association. We will be able to give you help by associational officers, State Convention personnel, and Southern Baptist personnel.

We will have stronger churches as they develop programs that are long ranged and balanced. This will mean that churches will not call pastors and expect them to bring their programs with them, only to drop the programs when the pastors leave.

God bless you.

J. Earl Pearson

Report Of Auditing Committee

The Auditing Committee has inspected the books and records of the Associational Treasurer, at the request of the Treasurer, and in keeping with the requirements of the constitution, and have found the books very neat, all records complete and in order, and the work of the Treasurer very efficient. The committee wishes to express the appreciation of the Association to Mrs. Huffman for her very fine work.

20. Rev. John Woody gave the Training Union Report which was adopted as given.

Training Union Report

The work of the Training Union for 1961-62 has neither been spectacular or unusual. However, we feel that some good solid foundations have been laid that will promote growth and progress in the future.

In November 5-10, 1961, 8 churches participated in the pastor-led Enlargement Campaign. Many of the participating churches were led through the Campaign to enlarge their organizations and thereby have experienced considerable growth. Others, although not experiencing any great growth, were led to improve the quality of work in existing organizations.

Training Union "M" Night at Mount Home was the high light of the year. Mr. T. E. Robinette was the speaker, Approximately 900 persons were present.

The project that the Executive Committee is most proud of is the institution of an associational program for Intermediates and Young People. Mr. Roy Abee is most ably leading in this work. To date, two associational-wide Young People's meetings have been held. Both were well attended by appreciative, responsive young people.

Our association has fifty-one churches with 40 Training Unions. There are 4235 persons enrolled in these Training Unions. Compare this with our Sunday School enrollment and see how much we should grow. The Challenge of the new year is to enroll all of our people in the training programs of our churches.

John W. Woody

24. Rev. Earl Pearson made a motion that the Missions Committee be authorized to set up the necessary arrangements for a school of Missions in November 1963. The motion was seconded and passed.

25. Rev. T. B. Deese asked those who were interested in entertaining the Associational meetings next year to see him at the lunch hour.

26. Rev. R. K. Benfield gave the Baptist Foundation Report. This report was adopted as given. Rev. Benfield spoke to this report.

Baptist Foundation Report

The North Carolina Foundation was authorized by the Baptist State Convention in 1919. The Board of Directors organized for business in 1920. From the period of the organization until the present, the Baptist Foundation has had a rather irregular promotion.

The Committee of 25 recommended to the State Convention in 1959 that the Baptist Foundation be fully staffed and activated. It requested the Convention to adopt a budget providing for a full-time executive secretary, with the necessary travel, office expenses, etc. It was not until July 1 of this year that a full-time executive secretary was employed. For the past few months, Mr. Peyton J. Brown has served as Interim Director, without remuneration. The total assets of the Foundation as of June 30, 1959, were $245,131.32. The total assets as of June 30, 1962, were $303,186.66. In these past three years our total assets have gained $58,055.54. This gain has largely been due to the Interim Director and our present chairman of the Board of Trustees, Mr. Brown.

What is the Baptist Foundation? The North Carolina Baptist Foundation is an incorporated agency of the Baptist State Convention of North Carolina. It was created by the Convention for the purpose of procuring endowment funds and for administering said funds for all institutions and agencies owned and controlled by the Convention. It is independent of the cause it serves, but committed to its best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all our Baptist work.

Funds usually come to the Foundation through one of the five channels:

1—Through a *CHRISTIAN WILL*. In his will a person leaves all or part of his estate with the Foundation for some Baptist cause. Of course, then receives its share when the estate is settled.

2—Through a *LIVING TRUST*. A person makes a donation to the Foundation while he is living. The foundation then administers the fund and directs the income to the Baptist agency of his choice. This allows the donor to see his *gift* at work.

3—Through a *MEMORIAL TRUST*. A person makes a gift to the Foundation in memory of a loved one and instructs the Foundation to place the income from it to the one or more Baptist agencies.

4—Through a *LIFE INCOME TRUST*. A person makes a gift to the Foundation and specifies a Baptist agency as beneficiary, but requests the income for himself as long as he lives. This permits him to receive the earnings to the end of his life and to know the beneficiary of his charity after his death.

5—Through *LIFE INSURANCE*. A person takes out a policy in some a-

mount in the name of the Foundation and designates the Baptist cause as irrevocable beneficiary. The premium he pays is then tax free as a charitable gift.

27. In the absence of Rev. William O. Goble, Rev. Phillip Duckett made a motion that the Report on Baptist Hospital be adopted as it appears in the Book of Reports. This was seconded and passed.

Dr. W. K. McGee spoke to the report.

Report On Baptist Hospital

The services of our Baptist Hospital are subject to heavy demands which grow heavier year by year. Last year the already overcrowded clinics of the Out-Patient Department received a new high of 83,000 visits from 96 counties of the state, sixteen other states, and two foreign countries. Two-thirds of these were by our Baptist people.

One of the most pressing needs is the enlargement of the facilities of the Out-Patient Department. Along with this is the urgent need for a building to provide adequate and unified facilities for the Hospital's eight schools for the training of skilled nurses, technicians, and other medical personnel, all of whom are in short supply and are essential to good medical care in our local hospitals and communities.

The new Progressive Care Center is attracting the attention of hospital authorities over the country. Patients have been pleased with it. The trustees and administration greatly regret that the Hospital does not have sufficient funds to permit the admission of Service Patients to this fine facility.

The Pastors Library now contains well over 100 volumes among the best books in various fields of Christian thought and pastoral work. It can be of great value to pastors and they are invited to use it. It is located in the Medical School Library.

The care of Service Patients remains at the heart of the work of the Baptist Hospital. In cases where help will be needed on the hospital bill, it is extremely important that this be made known in advance and the arrangements be made when the patient is admitted to the Hospital. When appointments are requested for examinations it is necessary to let the Hospital know if the person needs to come through the Clinic, or if he will come as a private or full-pay patient. If a doctor is making the arrangements for a patient he should be told to make clear when he calls or writes if it is a Service or Clinic Patient. Mother's Day money cannot be used for Private Patients.

The Mother's Day fund is the foundation of the financial aid given Service Patients. The Hospital tries to help the most needy cases as much as possible, but the funds have not been sufficient to give as much as is needed in many cases. In other cases of real need it has not been able to give any help, except the free services of the doctors and reduced rates on other items, such as X-rays, which consideration is given all Service Patients. *We must remember that the help given is limited by the Mother's Day gifts of our churches.*

In 1962, seven of our churches gave nothing to the Mother's Day Fund as compared to 2 which gave nothing in 1961. Our churches contributed $2,720.92 this year as compared to $2590 in 1961, an increase of $130.92. Let us all increase our Mother's Day Offerings in 1963 for this vital Christian healing ministry.

The Hospital has prepared a full and attractive Information File Folder covering all these matters in our relations with the Hospital. A copy is being mailed to all our pastors and associational missionaries. We urge you to acquaint yourself with this, keep it in your file and refer to it when questions arise and when arrangements are being made for patients to go to the Hospital.

William O. Goble, Jr.

NIGHT SESSION NOVEMBER 1, 1962
DREXEL FIRST BAPTIST CHURCH

1. The night session was called to order by the Moderator, Rev. John T. Tiller. Mr. Jack Campbell led in singing, "Thou, Whose Almighty Word." Rev. Phillip Duckett led in reading Romans 12 and prayer.

2. Mrs. Josie Quick gave the Woman's Missionary Union Report. The Report was adopted as given. An interesting skit was given by a group of ladies who were dressed in clothes of 75 years ago.

Woman's Missionary Union Report

"Jesus Shall Reign Where'er the Sun
Does His successive journeys run;
His kingdom spread from shore to shore,
'Til moons shall wax and wane no more."

Women of the Catawba River Baptist Association have been singing these words throughout the year as we have gone about trying to do our Master's will through our Woman's Missionary Union Auxiliary.

In Psalm 67:2 we read *"That thy way may be known upon the earth, thy saving health among all nations."* This has been our Watchword for the year, with our theme for the year "That Thy Way May Be Known . . . " The programs for the entire year has been centered around this theme and has meant much to all of the women.

The total number organizations in our association (This includes YWAs' GAs and Sunbeams and WMS organizations) 178

We have 31 churches with WMU; we have 8 churches with WMS only. The total membership is . . . . . 2,355.

In 1961 we had a Leadership Course taught for all officers with an attendance of 200 women. Leadership cards were awarded to all who attended. Our Mission Study Institute for the foreign mission study series was held in connection with our Leadership Course.

The WMU of our Association sponsored a Banquet for all Baptist Pastors and wives in February, 1962.

Our annual WMU Meeting was held May 1, at the Pleasant Hill Baptist Church. Miss Miriam Robinson was the Guest speaker from the State WMU Office in Raleigh. Miss Alda Grayson was our Guest Missionary, and brought a stirring message to us from the mission fields.

The members of the Executive Board of our WMU attended the Leadership Workshop at Fruitland in September.

We have cooperated with Associational Night Programs this year, and along with the Brotherhood have been responsible for one meeting each quarter.

We observed the Week of Prayer for Foreign Missions and for Home Missions. The series of books for each cause was taught in a great number of our churches. The season of prayer for State Missions and for Heck-Jones Offering was also observed.

Many of our churches were faithful in Community Missions—Soul

Winning. This cannot be told in words because it is hard to know what has been accomplished through the many efforts of our ladies.

Many of our churches held Prayer Retreats in their local church. These were held in connection with our 75 days of prayer as we begin celebrating our 75th anniversary.

Our Young People have been very active:

YWAs held Council Meetings as planned; had an outing at Optimist Park; a Banquet in the North Morganton Baptist Church, which proved to be one of the best attended and most enjoyed of all meetings.

Our GAs held two Rally Meetings, with a large attendance at both. They enjoyed an outing at Optimist Park, with a good attendance, and had Council Meetings as planned.

Many of our girls attended Camp at the South Mountain Camp, and reported wonderful experiences from being there.

Our Sunbeams have been very busy in their local churches. Some churches promoted their own Camps for Sunbeams in their church. These were held for three hours of one day.

The greatest need in our Association is for women to give of their time and to dedicate themselves to Leadership and the promotion of all phases of WOMAN'S MISSIONARY UNION work and to the work of Christ.

Mrs. H. A. Quick

3. In the absence of Mr. Max Bryant, Rev. Earl Pearson made the motion that the Brotherhood Report be adopted. The motion was seconded and carried. Mr. C. Lee Harris spoke to the report.

Brotherhood Report

An associational Brotherhood Training Conference was held in the first quarter of the new year, and was received very well by all the churches. This Confernce was held at the First Church, in Drexel, with all associational officers participating.

Also, in October of last year, a Brotherhood Rally was held at the North Morganton Baptist Church with Sgt. Billy Fallaw of the South Carolina Highway Patrol, as our speaker.

Our Brotherhoods have been responsive to our Associational Night Conferences, which were led by the associational officers.

Much emphasis has been applied to the promotion of our Royal Ambassador Program. We were hampered quite a bit by our lack of literature for this program, but now that it is available we believe this program will progress steadily. May I add my appreciation to all who worked so well in this behalf.

I have had the privilege of speaking to many of our church Brotherhoods this year, and deeply appreciate the response given.

4. In the absence of Mr. W. R. Williams, Rev. R. K. Benfield made a motion that the Report of the South Mountain Institute be adopted. This was seconded and passed.

Report Of The South Mountain Institute

The South Mountain Institute is one of the smaller child caring institutions in North Carolina. It is also a little different from similar institutions in many ways. One of the ways in which it differs is the type of child it admits and the small amount of red tape involved in admittance. We do not admit children who have been judged guilty of

misdemeanors by the court. We have and still do take children who are on the verge of becoming a delinquent, and so far we have been fairly successful in working with this type of child. We are limited in our efforts by the lack of proper housing, facilities and personnel.

At the end of our 1961-62 fiscal year which ended September 30, 1962, we had 56 children, 26 girls and 30 boys. The majority of our children are 12 years old and older. The youngest child being six, and the oldest one eighteen. This group includes children from the first grade through freshmen in college.

For the benefit of any new minister or members of the Association, the South Mountain Institution is a Children's Home where our children live as a family, attend the public school at Glen Alpine and attend church at Oak Grove Baptist Church, with Leroy Jones, pastor. Our children and staff make up a little more than fifty per cent of the regular Sunday congregation. In addition to our children providing the total membership of some of the classes, quite a few of our boys belong to the R. A.s. We try to supplement the churches religious efforts by devotions in the home and study periods to prepare the Sunday School lesson.

Our children come from Burke and McDowell. They are given a two weeks vacation in the summer time (with some exceptions) and most of them get to go visiting from Christmas day until the end of the year. Children are not permitted to spend vacation and holidays with anyone other than a relative.

I extend to each of you sincere thanks for being so conscious and generous regarding our needs at the institution. We deeply appreciate the offerings that you send. Some come monthly, some quarterly, and some as special offerings at the end of the year. A few include our institution in the budget for a definite amount each year. Last year we received approximately $4000.00 from churches or one fourteenth of our budget. Of course most of you contribute to our needs through the United Fund and we could not begin to fulfill our obligations to these children without the total help regardless of its source.

The children at the South Mountain Institute may be your neighbor's children or your neighbors relative, or they may even be related to some of you. In any case the institution deserves your consideration, and if your church is already contributing to our support it is greatly appreciated; and you who do not send offerings at least once a year might think in terms of a little Home Missionary work.

As we undertake our daily tasks we need God's help and we solicit your prayers and your thoughts of good fellowship to sustain us in our efforts.

Respectfully submitted,
W. R. Williams, Supt.

5. In the absence of Rev. Millard Hall, Rev. W. A. Huneycutt made a motion that the Southern Baptist Protection Plan Report be adopted. This was seconded and carried.

Southern Baptist Protection Plan

BENEFITS PAID

A total of $2,879,816.21 was paid in benefits by the Annuity Board during 1961. More than $2,654.222 of this went to approximately 4,500 ministers and denominationals workers or their families who participated in one of the Board's retirement plans. The remaining amount was paid in relief benefits to 826 aged ministers and widows. During the Board's 43 years of operation, it has paid out benefits totaling more than $37,304, 916.

NEW MEMBERS

Total Membership in all plans of the annuity Board was 23,214 on

January 1, 1962. 1,808 new members were enlisted in the Southern Baptist Protection Plan and 789 churches were enrolled. At the end of the year, 64% of the churches in the Convention were participating in the Board's program. Of this number, 43% were paying total dues for both pastor and church. The Institution Protection Program, for employees in colleges, hospitals, orphanages and other institutions of this type, enlisted 32 institutions in 1961. Five were new accounts. The others transferred from another plan to the new program.

DELAY PENALTY IS 'WAIVED'

In their April meeting, the Executive Committee of the Annuity Board voted to waive the penalty for delayed participation in the Southern Baptist Protection Plan for those who join before January 1, 1963. This action was made possible because of the continuous increase in the number of churches and pastors who have joined the Plan in recent months. At the end of the first quarter of this year, some 67 per cent of all churches in the Southern Baptist Convention had enrolled.

According to the Protection Plan certified, a person must join within a year after he begins denominational service or after his 25th birthday, whichever is later. For each year he delays joining the Plan, his widow and disability benefits are reduced. Now, because of the trustees' action, anyone joining the Protection Plan before January 1, 1963, will have this penalty removed. The waiver affects only the Southern Baptist Protection Plan.

The waiver also removed the penalty from any person currently in the Protection Plan who may have been affected by it, and it allowed the Annuity Board to make adjustments in annuity checks to widows and disabled persons who were penalized because of the delayed entry into the Plan. This adjustment was made effective with the May 31st checks.

After January 1, 1963, any person who delays joining will penalize himself according to the participation clause.

We have 22 churches and the Association participating in the Protection Plan. We have 19 pastors and 1 Minister of Education participating. Churches, or individuals who desire help may contact Guy Cain, field representative for North Carolina — office located at the state headquarters, 301 Hillsboro Street, Raleigh.

Respectfully submitted,
Millard Hall

7. An offering was received.

8. Mr. W. R. Williams, Superintendent of the South Mountain Institute, spoke concerning the work of the institution.

9. In the absence of Rev. McCoy Robinson, Rev. Billy Cline made a motion that the Home Missions Report be adopted as given in the Book of Reports. The motion was seconded and passed.

Home Missions Report

The Home Missions Board, organized in 1845, has been serving a little over 116 years. This seems like a long time to labor in the home field. However, as we take a new look at America, there are still millions who are lost, there are still the minority groups, and those living in remote areas where the gospel witness has not reached. America is still a land of opportunity! A land where those who love the Lord have a wonderful opportunity to tell and lead those who do not know salvation to the Lord and Savior.

The Home Mission Board is now serving all the states of the United States, including Alaska and Hawaii, and in Cuba and the Panama Canal Zone. At the close of 1960, there were 2,035 missionaries serving with the Home Mission Board. This is exclusive of summer workers which

numbered this year, close to 600. By the close of 1964, we hope to have 3,000 missionaries employed.

About 600 young people participated in summer mission ministries under the leadership of the Home Mission Board. These students preached, visited in homes, held personal conferences, participated in revivals, conducted Vacation Bible Schools, led many to Christ by personal witnessing, distributed Bibles, testaments, Gospels of John and tracts.

The Home Mission Board has helped to constitute 13,637 churches, or more than one third of all Southern Baptist churches in the Southern Baptist Convention.

An average of 521 missionaries has been on the field every day since the Home Mission Board was organized. This is equivalent to 31 workers in the field continuously since the resurrection of our Lord.

These missionaries have reported 1,429.749 professions of faith. This is about 4 times the total number of Southern Baptists when the Southern Baptist Convention was organized in 1845.

Since 1845, the denomination has given the Home Mission Board an average of $638,740 per year. Missionaries have reported one baptism for every $51.82 given the Home Mission Board.

The Board is cooperating in every state in the promotion of mission work. This work is grouped under these programs: evangelism, church loans, language missions, city missions, associational and pioneer missions, chaplaincy, and National Baptists.

Thousands of Latin Americans, coming from Cuba and other lands, are stranded in Miami, Florida. This is the first time we have had a real refugee problem in the South. Let us manifest the Spirit of the Lord as we seek to provide monetary needs and help relocate these ever-increasing multitudes. The Home Mission Board in its annual meeting allocated $50,000 from the 1962 Annie Armstrong Offering to help meet these needs.

YOU CAN HELP THE CUBANS RESETTLE

1. Request information and commitment blanks from your associational or state refugee chairman.

2. Have your church to sponsor the family.

3. Fill in the commitment sheet and send it to the Miami Office.

For additional information contact Rev. Robert Fricke, 3318 N. W. 17th Avenue, Miami 42, Florida.

Out of every Cooperative Program Dollar that we give;

66% goes to Statewide causes.

34% goes to Southwide—Worldwide causes.

The Home Mission Board receives only 5 and six-tenths cents of every dollar. This is very little for the enormous task before us.

Respectfully submitted,
McCoy Robinson

10. Rev. Billy Cline gave the Foreign Missions Report. This report was adopted as given. Rev. Cline spoke to his report.

Foreign Mission Report

Almost 2000 years ago Jesus gave us the Great Commission saying, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit." Dr. Porter Routh, Executive Secretary-Treasurer of the Southern Baptist Convention Executive Committee told the annual Foreign Missions Conference at Glorieta in 1961 that the "world's population" is increasing at nearly 1,000,000 per week. There are 700,000,000 more non Christians in the world today than at the beginning of the century." These are startling facts. Perhaps even more startling is the fact that we are growing more non-Christian at the rate of about 38,000,000 each year. It is estimated that 100,000 people die each day who never heard the redemptive message of Christ.

What a challenge to Christianity and to our churches. To rebuke for disobedience and failure in the past is not enough nor sufficient. We must put forth an effort, as never before, to be obedient to the marching orders of Jesus Christ.

The year 1963 has been designated as World Missions Year throughout the Southern Baptist Convention. The value of World Mission Year will depend largely upon what is done at this season of the year as churches plan their program. It is earnestly hoped that every facet of church life will focus upon world missions as the major theme in 1963.

There is much we can do. There is much we must do. We must increase our gifts through the Cooperative Program. The Jubilee Advance goal adopted by the Southern Baptist Convention in 1957, calls for a 2 per cent increase in Cooperative Program gifts annually through 1964. This is the 2 plus plan. The Cooperative Program is the lifeline of the foreign missions advance.

We must plan, promote and participate in the December 3-7 Week of Prayer and Lottie Moon Christmas Offering For Foreign Missions.

We must plan, promote and participate in the April 21-26 World Mission Week graded studies in our local churches.

We must plan, promote and participate in the 1963, November 3-8, Associational Schools of Mission Week.

We must pray to the Lord of the harvest that He will send forth labourers into His harvest.

We must continue to pray for our missionaries and assure them with our praying and giving that we are just as dedicated as they to God's great mission.

Respectfully submitted,
Bill Cline

Historian's Report

The Catawba River Baptist Association is rich in history. Many of our churches add to this history each year by doing things of historical

significance. We have 51 cooperating churches which are located in Burke County. A brief summary of the work of these churches for 1961-1962 is as follows:

3. In the absence of Rev. Charles Hardin, Rev. T. B. Deese made a motion that the Report of the American Bible Society be adopted. It was seconded and carried.

Report Of The American Bible Society

The American Bible Society is one of the oldest missionary societies in America. It was founded in 1816. More than fifty denominations are represented on the Society's Advisory Council. Its work in the United States and overseas serves hundreds of missionary societies and National Church bodies. The principal areas of activity are:

TRANSLATION. The Society constantly aids translators by counsel, supervision, and contributions toward expense. Translation projects are going on continously on every continent and the islands of the seas. All or part of the Bible has now been published in 1165 languages and dialects.

PUBLICATION. In 1960, printing orders reached over 31 million volumes of Bibles, Testaments, and portions of the Scripture in many languages and dialects. The centers of publication are many: Cairo, Bangkok, The British Isles, The Near East, and the Far East as well as the United States.

DISTRIBUTION. Millions of Scripture volumes are placed each year (23,210,485, in 277 languages in 1960) through the Society's agencies. Before Cuba broke relations with the United States, the Society saw the danger of this closed door, and rushed to build up the stocks in that land before its borders were closed.

SERVICE TO THE BLIND. Since 1835 the Society has supplied Scriptures to the blind in 42 languages and in many finger reading systems. The Society also supplies the entire Bible on Talking Book Records for those who cannot read with their fingers. These records are now available to the general public.

A Missionary was preaching in a village where the Gospel had never been heard. The grandmother of the household, after the services were over, came to him with tears in her eyes. Grasping his hands, she exclaimed, "Thank God that you have come, because now I know that the things that are written in that Book are true." The Missionary asked her to what book she was referring. "The Bible", she answered, "Thirty years ago a man passed by and left me this book, asking me to read it to my family. Since then I have been reading it to my children and grandchildren. But I was eager to have someone tell me that the things that are written in it are true."

A few months later, she and her children and her grandchildren, were baptized and a small congregation was formed in that house. The spreading of the Scriptures is always the first step to the preaching of the Word. There are endless instances in which the Bible has brought others to Christ.

The sole task of the American Bible Society is to bring this word—in the form of Bible, Testaments, and portions of Scripture—to all of those who are cut off from it completely or in part. Last year the Society placed more than 23 million volumes in 277 languages and in 75 nations. At least 30 million could have been provided if there had been enough money; for this work is financed only through the generosity of Christians who care. Church workers all over the world are pleading for more Scriptures. A gift from your church will carry God's Word to those who need it most, whereever they may be.

Respectfully submitted,
Charles Hardin

4. Rev. William Byrd gave the Report On Temperance and Morals. This report was adopted as given. Rev. Byrd spoke to his report.

Report on Temperance and Morals

This report on temperance and morals will depart from the usual procedure of listing a lot of figures. We do not need to see a list of statistics to convince us that we are "found wanting" in connection with temperance and public morals. The accepted moral standards of our day have departed widely from God's commandments. The alarming decline in decency, honesty, and purity are signs of the lowered moral tone of our day. In the face of these conditions, there are those who say, "Why get disturbed and alarmed about it?" Thoughtful people get disturbed because they remember that when God destroyed the people of Noah's day the determining factor was decay and moral degeneration. When God destroyed the cities of Sodom and Gomorrah the same was true. The word of God tells us in 2 Timothy 3:1-5, "This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves, unthankful, unholy, without moral affection, trucebreakers, false accusers, incontinent, fierce, despisers of those who are good, traitors, heady, highminded, lovers of pleasure more than

lovers of God, having a form of godliness, but denying the power thereof: from such turn away." It is time for every Christian to be disturbed and alarmed!

What are some of the things that we, as Christians, should do to change existing conditions?

1. We should live that separate life that is required of Christians. The Word of God tells us in 2 Corinthians 6:17, "Wherefore, come out from among them, and be ye separate, saith the Lord, and touch not the unclean things; and I will receive you." Christians need again to live that separate life that once distinguished them. We must have clean hands and a clean heart before we can do anything to wipe out existing conditions.
2. We should proclaim the need of personal regeneration as the foundation of morality. Jesus Christ is still the answer!
3. We should proclaim the truth, by word and precept, that total abstinence from alcoholic beverages is a mark of a true Christian. Many of our American people are developing the concept that since one or two "drinks" or "beers" will not make one drunk, than something short of staggering is "temperance"; "moderation" therefore to them is quite acceptable. Christian people must give the answer of personal abstinence to the growing practice of social drinking.
4. We should uphold the law, and teach the respect for the law and for governmental officials. If the law and officials are bad, Christians should see to it that the law is changed and new officials are installed.

Respectfully submitted,
William D. Byrd

5. In the absence of Mr. Horace Webb, Rev. Earl Pearson made a motion that the Sunday School Report be adopted. This motion was seconded and passed. Rev. Pearson spoke to this report.

Sunday School Report

As we study the life of Christ, we also study and examine his parable in Matthew 13:23 — "He that received seed unto the good ground is he that heareth the word, and understandeth it, which also beareth fruit, and bringeth forth, some an hundredfold, some sixty, and some thirty."

This is also the commission of our Sunday School. We are to enlist people of all walks of life, teach them the truths of God's word in a manner of words that they will understand. So that we can bear fruit and help brother bear fruit for God's Kingdom.

Our Sunday School report this year is 51 churches with Sunday School, with enrollment of 12,457 pupils, and an average attendance of 7587. We had 46 Bible Schools: 12 Churches had SS Preparation Week and 32 had January Bible Study; 15 churches having 300 training awards in Category 17. At this time may I call your attention to five great needs of our Sunday Schools:

1. More and better training, planning and teaching by the Sunday School staff in each local church.
2. More Actual Bible study in our class rooms.
3. Increase of teaching time in class rooms and to refrain from using teaching time for other matters.
4. Correct policy of enrollment — names should not be taken off enrollment except by request from persons, or by death or by moving out of the church field and joining another Sunday School.
5. Regular contact of absentees and prospects through an active visitation plan.

So let us unite ourselves in a combined effort to do the will of God in our Sunday School with renewed strength and zeal, for our Lord's honor and glory in this new associational year.

Respectfully submitted,
Horace C. Webb

Report Of The Baptist Children's Home

Building a better tomorrow has always been the dedicated concern of the Baptist Children's Homes of North Carolina. Today's children will become the adults who shape tomorrow's world. NO task is more important than helping a child, hurt by life, to grow into healthy, well-adjusted, responsible citizenship.

Each child who comes to the Children's Homes is different, with a different need to be met and a different problem to be solved. It is the responsibility of the Homes to find the best solution possible. For many years that meant providing food, clothing and shelter for orphans. Today the need has changed. Today our work is with children who for various reasons have lost the security of home and parents.

During the past year, 848 boys and girls were served by the Baptist Children's Home. In addition to those already in care, applications were received for the admission of 646 other children. We had space and money sufficient to admit 170 of these — leaving 476 for whom no room was available. Provisions should be made immediately to expand greatly our foster home program to meet the needs of these children. This can be done through an increased Thanksgiving Offering.

Increasingly, your Homes are being called upon to serve children who are disturbed and emotionally ill. In addition to traditional types

of childcare, there is a growing need for specialized supervision and services. It is hoped that a step can be taken, within the year, to begin to provide, on a small scale, such services at the North Carolina Medical Center at Chapel Hill.

Financial support this year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-Month Offering	16 Per Cent
All Other	21 Per Cent

For the first time, income to the Children's Homes through the Cooperative Program exceeds that of the Thanksgiving Offering. This source of income meets one-third of our operating budget and is greatly appreciated. At the same time, the Thanksgiving Offering continues to be vital to our existence, providing 30 per cent of income. We sorely need an increase of one hundred thousand dollars through the Thanksgiving Offering this year. This would enable us to provide a Christian home and care for an additional 125 children.

We owe a deep debt of gratitude to our friends whose genuine concern for the welfare of our children makes this help possible — especially our Baptist people. You have afforded hundreds of boys and girls opportunities and privileges which they otherwise could not have had.

CHARITY AND CHILDREN, our official publication, which this year celebrated its 75th anniversary of service to North Carolina Baptists, continues to grow in popularity and circulation. Each week 55,000 copies are sent to churches and individual subscribers throughout the state and beyond. You are invited to be among these readers and thus stay informed of our child care ministry and other denominational endeavors throughout the year.

The churches of the Catawba River Association contributed $6,-948.56 in over and above gifts to the Chlidren's Homes during the associational year. We urge all of our churches to give to this worthy Institution our generous financial support.

W. J. Bradley

15. Rev. Albert Ambrose gave the Report of the Homes For the Aging. It was adopted as given. T. R. Sasser, representative of the Homes for the Aging, spoke to the Report.

Report Of The Homes For The Aging

The past year in our N. C. Baptist Homes for the Aging has been one of great blessing. Of unusual significance has been the opening of our fourth Home, the Hamilton Home, located in Eastern North Carolina, and enabling us to minister to 30 additional people. The residents there are supremely happy and are enjoying the abundant life in this beautiful new facility.

Over the past eleven years we have increased by 8 times our ability to minister to the aging in our midst. In the beginning there were 20 residents, and now we are able to give loving care to 160 persons in our four Homes — Resthaven, and the Hayes Home, in Winston-Salem, the Albemarle Home, at Albemarle, the Hamilton Home, at Hamilton.

The need for more space is most urgent and pressing. Today there are 138 applicants on the waiting list. We will want to move forward, therefore, as rapidly as funds will permit in meeting the crying demands of our ever-growing population of aging people who need our care.

The Special Day Offerings from our Churches are at an all-time high and we are likely to go beyond all previous offerings by the end of the fiscal year. We want to thank all who have had a part in these vital offerings, and we would urgently appeal to each church to continue giving as liberally as possible through this vital medium. Ninety percent of residents who live in our four Homes are financially needy

people and are sustained by the Special Day Offerings from our churches each year.

The plea of the elderly person in our midst, "Cast me not off in the time of old age!", is one that cannot be lightly brushed aside, but one that must continue to challenge the highest and holiest in every North Carolina Baptist as we move forward in this great ministry which God has committed us to.

Respectfully submitted,
Albert Ambrose

16. Mr. Van Ramsey led in singing, "Rescue the Pearishing."

17. Mr. Jack Campbell gave the Report of Church Music Committee. This report was adopted.

Report of Church Music Committee

Year Ending September 30, 1962

During this, the third year of its organization, the Church Music Committee has led the churches in the following activities:

December 11, 1961 — THE ASSOCIATION CAROL SING. Fourteen choirs of ten churches took part in this endeavor. These choirs visited hospitals, rest homes and penal institutions in this area — 17 in all — and sang carols for them. Following this, the 143 carollers returned to the North Morganton Baptist Church for group singing and a period of fellowship and refreshment.

January 29-February 1, at First Baptist, Valdese, under the direction of our State Music Secretary, Joe Stroud, — SCHOOL OF CHURCH MUSIC — with an enrollment of 152. Seven classes were held. Total study course credit for this endeavor was 112.

On March 12 a joint EVANGELISTIC RALLY AND HYMN SING was held at the Mount Home Baptist Church. Thirty-eight churches were represented at this event which had an attendance of 500.

On September 6 a CHOIR CLINIC was held at Pleasant View Baptist Church for all Choir Directors and choir members of Youth and Adult Choirs. This was one of the most highly successful and enthusiastically received music endeavors yet undertaken. Twenty churches were represented, ten choir directors were present, a total of 120 attended.

In addition at the above activities, the Church Music Committee:

(a) Meets at least once each quarter.

(b) plans music for the monthly meetings of the association, special associational events, such as M Night, and for the yearly meeting of the association.

(c) Seeks to foster and encourage attendance to music camps and assemblies, and participation in the Regional Choir Festivals.

(d) Encourages use of the Baptist Hymnals and other music publications.

(e) Offers assistance, to the limited degree possible, to those churches seeking and needing advice or suggestions regarding its music ministry.

18. In the absence of Miss Mona Smith, Mr. Stacy Cooke gave the Report on Church Libraries. This report was adopted as given.

Report On Church Libraries

During this year an important step has been taken toward Church Library promotion. An Associational Church Library Organization has

been completed. This group, consisting of four members; President, Vice-President, Secretary and Program Chairman; along with the Associational Missionary will seek to encourage and help churches wishing to start new libraries and revitalize old ones.

On April 23 an associational Library Conference was held at the High Peak Baptist Church with five (5) churches represented and fourteen (14) present.

The Church Library Manual was taught at the Pleasant Hill Baptist Church with one night a week session during July and August. An invitation was extended to other churches to attend if they wished to do so. Three churches participated.

Mountain View No. 2 has organized a new library with Mrs. Thelma Hollifield as librarian. The Mount Home Baptist Church is revitalizing their library. Mrs. Annie Lee Duckworth is librarian.

We are looking forward to a fruitful new year as we have some good plans made.

PLANNED ACTIVITIES FOR 1962-63

1. Meetings at least once a quarter
2. The Church Library Manual Study Course in the Associational Training School.
3. An Associational Library Clinic with a State speaker if possible
4. Special Library program April 29, 1963.
5. Emphasis on Ridgecrest Library Conference.

Dates and places of the above meetings will be announced in the Associational Bulletin.

We encourage the leaders of churches without libraries to help get one organized in your church.

19. Rev. R. K. Benfield gave the Report on Christian Education. The report was adopted as given. Mr. Lance, a professor of Mathematics at Mars-Hill College, spoke to the report.

Report On Christian Education

Our North Carolina Baptist colleges closed another record breaking academic year (1961-1962). They wish to express gratitude to God and to the Baptists of North Carolina for divine providence and Christian concern in ther behalf. Our colleges are happy to report their stewardship to us. All seven opened in the fall of 1961 with their largest enrollments:

Campbell, 1,429; Gardner-Webb, 611; Meredith, 778; Chowan, 752; Mars Hill, 1,099; Wingate, 912; and Wake Forest, 2,866.

Numbers of other students enrolled during the second semester and summer school of 1962.

Of this number, approximately two-thirds were members of Baptist churches. About one out of eight was preparing either for the ministry or some church-related vocation. They constitute our denominational leadership for tomorrow. In addition to these, hundreds of laymen and laywomen are being prepared for their chosen vocations, giving their Christian witness in every walk of life.

The past academic year saw many excellent physical improvements and additions to the campuses:

CAMPBELL COLLEGE completed the James A. Campbell Memorial Administration Building, Bryan Dormitory for girls, and a science building.

CHOWAN COLLEGE began a capital fund drive for $900,000 to construct a library and classroom-administration building.

GARDNER-WEBB has completed a new science building.

MARS HILL dedicated its new auditorium and fine arts building.
MEREDITH has added a new dormitory and infirmary.
WAKE FOREST has moved into its new life science building and dormitory for girls. The humanities classroom building is under construction.
WINGATE has completed the Budd E. Smith Science Building, boys' dormitory, and is completing the business administration building.

Total plant assets of these colleges are in the excess of $45,000,000. For the past ten years Baptists have provided about $500,000 each year to help with these capital needs. To keep these campuses up to date and competitive, several thousands of dollars must be spent each year.

The total operating budget of the seven colleges during the year was about $12,000,000. Of this amount, the Cooperative Program paid 5%. Nearly one-half of operating costs are paid by students and other sources such as endowment, net earnings from auxiliary enterprises, such as dormitories, dining room, student center, etc. In the light of increasing costs and expanded student bodies, these colleges face very crucial financial needs in the future.

The past year has also seen a strengthening of faculties. In every case the college has sought to raise faculty salaries to attract the finest and best qualified teachers. Additional faculty members have been added to meet the demand of growing student bodies. Faculty salaries are still entirely too low in all of the colleges.

In response to Convention action, Campbell College is adding the senior year this fall and Mars Hill the junior year. By 1964 both of these colleges will be full four-year senior colleges. Wake Forest has made a modest beginning in offering graduate degrees in some fields of study.

The Convention is in its first year of the Christian Education Advance Program. Under this program each church is asked to increase its gifts through the Cooperative Progrem 35% for 1962, 1963 and 1964. Thirty per cent of this amount is to go to the colleges and construction of student centers on non-Baptist campuses. Some 400 to 500 have made this increase in 1962. The Cooperative Program is somewhat higher at this time than last year, and for this we are grateful. However, in order to meet our goals, it will be necessary for more churches to increase their Cooperative Program giving by 35%.

The colleges are deliberately and continually seeking to illuminate the total educational process with the atmosphere of the Christain faith. In addition to Christ-oriented teaching, opportunities are provided daily and weekly for worship. On each campus is a qualified director of religious activities whose responsibility is to counsel with students and faculty, as well as to correlate and promote a program of voluntary religious activities designed for spiritual growth.

The future of Christian education in America is at stake today. With increased state and federal interest in and aid to higher education, more and more students will attend state institutions. Our taxes will grow correspondingly higher. These state colleges by their very nature cannot perform the task of Christian education. A Christ-oriented education must always be provided by the churches. Baptists would be the last group to ask the state to teach religion for them. In a great republic like ours education needs the support of many groups including the church. A state controlled monolithic system of education is foreign to our pluralistic society.

Into this expanding sea of secular education Baptists must choose to give witness to our faith. Let us not oppose other forces operating in the field of higher education, but rather undergird and strengthen our own institutions that they may do their work and do it well.

Here are five ways in which we can support our colleges:

1—Acquaint ourselves with our colleges. Visit them, read about them, invite the students and faculty into our churches to conduct services.

2—Encourage our finest students to attend our Baptist schools, and be sure that they apply early.

3—Pray for the schools—the president, the administration, the faculty, the trustees, and the students.

4—Increase our Cooperative Program giving 35% this year.

5—Observe the Christian Education Day, Father's Day—in June.

Respectfully Submitted,
R. K. Benfield

20. In the absence of Rev. William Ross, Rev. Phillip Duckett made a motion that the Report on Christian Literature be adopted as printed in the Book of Reports. The motion was seconded and passed.

Report On Christian Literature

In these days of automation and this push button society in which we live, all too many Americans have resorted to a passive type of entertainment. This has led in the neglect of one of the most important activities or use of leisure, that is the neglect of reading. It seems as though all of the major magazines have made special efforts to call America's attention to the importance of reading.

Christendom has not escaped the toll of this passiveness on the part of Christians in reading. In all too many instances the better literature is left unread by the average Baptist.

Since it is virtually impractical for Baptists to visit all of the mission centers and places of Baptist endeavor, the best and most practical way of keeping ourselves informed is through the publications representing the agencies. For instance, in the local church, we have our church bulletins with events and opportunities for service through the channels of our local church. Our missionary, Brother Earl Pearson, of Catawba River Baptist Association, publishes an informative "Newsletter" of associational endeavors. In order to inform North Carolina Baptists, the state convention publishes one of the outstanding state Baptist journals, "Biblical Recorder." To keep us informed as to the challenge and progress of Home Missions, the board publishes "Home Missions." To have a perspective of world missions, the Foreign Mission Board publishes "Commission." These journals and bulletins are a suggested minimum reading for the well-informed Baptist. However, may we suggest that this suggested minimal list be supplemented generously with biographies of notable persons and of study in the techiniques of the Christian Life and devotional literature. May we commend "Open Window" for individual spiritual growth. However helpful this literature they are in vain without a constant progressive study of the Word.

There is no excuse for ignorance on the part of Baptist church members for the lack of knowledge in any phase of Baptist work because for a medial price, a study course book is available on all the phases of church work through our Baptist Book Store.

In conclusion, we need to pay special attention to the onslaught of obscene literature flooding the newstands; many money hungry publishers without Christian motivation play upon the baser desires of the American public and therefore find ready market for literature that is debasing and degrading and a reproach to the Christian cause.

May it be said of the Baptist of Catawba River Association that like the Christians of Berea they search the scriptures daily and feast on fine literature.

William Ross

Rev. Billy Cline offered an ammendment to the original motion to leave the recommendation of the Committee out. This was seconded and carried.

The Evangelism Report for 1961-1962 was adopted as given with the recommendation left out.

Evangelism Report for 1961-1962

The Evangelism report for this year is not as encouraging this year as last year. There were fewer baptisms by 90 than last year. There were also fewer by letter, by 118, than last year. There were 6 of our churches which reported no baptisms. However, we had a net gain in members of 117 because of fewer losses.

There were 30 of our churches which participated in our Simultaneous Revivals last spring. Of this number there were 3 which had a two weeks revival.

Your Committee on Evangelism has met on several occassions, to look at the work in general and to plan and to guide the churches in a program of evangelism. Your chairman attended an Evangelism Workshop last January, under the direction of Dr. Julian Hopkins, State Secretary of Evangelism, and also attended Ridgecrest during Home Missions week this summer, for Chairmen of Evangelism.

Your Committee feels that since we have had simultaneous revivals for several years, that we should not have such a crusade this year. However, we as a Committee felt that in times such as these, and since there are more than ten thousand lost people in Burke County, that every church should have a spring revival at such a time as would be suitable for a revival in every local church. Your committee also feels that there ought to be some special effort as an associational project to reach these lost people in our area. Your Committee discussed this matter many times and investigated on the spot effort made by other associations to gather information on such efforts. We found that central associational evangelistic Crusades was a great factor in winning lost people who our churches are not now reaching. Your Chairman attended a Crusade such as this in Spartanburg, S. C., where Dr. C. E. Autrey, Secretary of Evangelism for the Home Mission Board was conducting. Great results was achieved in this campaign. Your Moderator, Missionary, and I went to the Cabarrus Association where Dr. E. J. Daniels had conducted such a campaign, and found the results favorable.

Your full Committee on Evangelism consisting of Rev. Howard Hodges, Rev. Carl Bowen, and Rev. Billy Cline, along with your Chairman and Moderator, have been in touch with Dr. E. J. Daniels who owns a cathedral type tent, and is a full-time Southern Baptist Evangelist. Dr. Daniels can come to our association next June 30th through July 14th. Dr. Daniels does not ask that we guarantee his expenses. He will come on faith, and he leaves the raising of his expenses to a local committee. If his expenses are not raised he will not look for the churches to raise the deficit.

Your Committee after having brought a recommendation to the Executive Committee, which was adopted unanimously, to recommend to this annual associational meeting, that we have Dr. Daniels come to some central place and erect this cathedral tent for a 15 Day Campaign; and that our churches support it in our prayers, and urge our people to attend this meeting, and contribute as they as individuals feel led of the Lord to do so.

Respectfully submitted,
T. B. Deese, Chairman
Howard Hodges
Carl Bowen
Billy Cline

Dedication

The 1962-1963 Minutes of the 134th Annual Catawba River Baptist Association are dedicated in honor of Mrs. Josie Gibson Quick.

It is with a deep sense of gratitude that we dedicate these Minutes to Mrs. Quick for her contribution to the kingdom of God and her dedication to the cause of Jesus Christ our Lord.

Josie Gibson Quick was born in Gibson, N. C. Her parents were Jessie Monroe Gibson and Annie Elizabeth Peele. She became a Christian at the age of twelve. In 1932 she married the Reverend H. A. Quick and together they served the Lord in Scotlant County, Haywood, Buncombe, South Mountain, and Catawba River Associations. Mrs. Quick began working in the Woman's Missionary Union in 1932. She became the President of the W. M. U. in the Catawba River Association in August 1950 and served in that capacity until September 1963. In 1950 there were 75 mission organizations with an enrolment of 1,458. In 1963 there were 183 organizations with 2,725 members. She now serves in the association as Sunbeam Director.

Because she is a woman of faith and vision, even when the way is hard and bewildering, she has been able to guide the mission work with patience and understanding. Mrs. Quick's dedicated life has shed light along our paths, and has proved again "that the art of living is to know how to give one's life."

Thank you, Josie Quick!

CONSTITUTION AND BY-LAWS

Article 1. The body shall be called THE CATAWBA RIVER BAPTIST ASSOCIATION.

Membership

Article 2. (Sec. a) It shall be composed of regularly constituted Baptist Churches in Burke County and adjacent territory which shall be represented at its regular or special meetings of duly elected messengers in the following ratio:

1. Three for the first hundred members or fraction thereof and one for each additional hundred.
2. All ordained ministers who are members thereof or laboring in connection therewith.

(Sec. b.) The Association shall be the sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Provided: The churches so received shall agree and come under the Watch-Care of the Association for a period of one year. It is understood that during this period of probation such church or churches and its messengers shall be entitled to all the rights and privileges of the Association except that of holding office and voting. They may then be voted in as members of the Association in regular standing with full privileges.

(Sec. c.) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice, or that

fails to represent itself either by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d) Any church may withdraw from the Association at its pleasure.

Objects

Article 3. The Objects of the Association shall be to advise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, The State Baptist Convention and the Association itself.

Power And Prerogatives

Article 4. This Association ought not to have, and shall not have any power to legislate, but may frame rules and advise plans, as an advisory council, for the faithful administration of the law of Christ.

Organizations

Article 5. The officers of the Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer, and Historian, who shall be elected at each annual session, and the first two officers shall not serve more than two years in succession, and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next annual session unless for a cause removed or until their successors are appointed. In the event that any of the above officers move their residence outside the boundaries of the Catawba River Baptist Association they automatically cease to become officers of the Association. When such vacancy exists, the Executive Committee at its next regular meeting shall select a qualified person to serve until the next annual meeting.

Church Covenant

Having been led, as we believe, by the Spirit of God to receive the Lord Jesus Christ as our Saviour, and on the profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Spirit, we do now, and in the presence of God, angels and this assembly, most solemnly and joyfully enter into covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit to walk together in Christian love; to strive for the advancement of this church, in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship ordinances, discipline and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expense of the church, the relief of the poor, and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings; faithful in our engagements, and exemplary in our deportment; to avoid all tattling. backbiting and excessive anger, to abstain from the sale and use of intoxicating drinks as a beverage and to be zealous in our efforts to advance the kingdom of our saviour.

We further engage to watch one another in brotherly love; to remember each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling, and courtesy in speech; to be slow to take offense, but always ready to reconciliation, and mindful of the rules of our Saviour to secure it without delay.

We moreover engage that when removed from this place we will as soon as possible unite with some other church, where we can carry out the spirit of the Covenant and the principles of God's Work.

"And may the God of Peace, who brought again from the dead our Lord Jesus, the Great Shepherd of the sheep, through the blood of the everlasting covenant, make us perfect in every good work to do His will, working in us that which is well pleasing in His sight through Jesus Christ; to whom be glory for ever and ever."

Articles of Faith

1. We believe that the *Holy Bible* was written by men divinely inspired, that it has God as its author, salvation for its end, and truth without any mixture of error for its matter; and that it is the supreme standard by which all human conducts, creeds, and opinions should be tried.

2. We believe the Scriptures teach that there is one, and only one, living

and true *God;* that in the unity of the Godhead there are three persons, the Father, the Son, and The Holy Ghost; equal in every livine perfection, and executing distinct but harmonious offices in the great work of redemption.

3. We believe the Scriptures teach that *man* was created in holiness, but by voluntary transgression fell from that state, in consequence of which all mankind are now sinners, not only by constraint, but choice, and being by nature utterly void of holiness, are under just condemnation.

4. We believe the Scriptures teach that *election* is the eternal purpose of God, according to which He graciously regenerates, sacrifices and saves sinners; that being perfectly consistent with the free agency of men it comprehends all means in connection with the need.

5. We believe the Scriptures teach that the salvation of sinners is wholly of *grace*, through the mediatorial office of the Son of God.

6. We believe the Scriptures teach *Regeneration*, of the new birth is that change wrought in the soul by the Holy Spirit, by which a new nature not before possessed is imparted, and the person becomes a new creation in Christ Jesus.

7. We believe the Scripture teaches that *repentance* is a personal act promoted by the Spirit, and consists in a godly sorrow for sin, together with prayer for pardon, resulting in a persistent turning away from evil.

8. We believe the Scriptures teach that faith, as an evangelical grace wrought by the Spirit, is the medium through which Christ is received by the soul as its sacrifice and Saviour. It is an assent of the mind and a consent of the heart, consisting in belief and trust.

9. We believe the Scriptures teach that the blessings which Christ secures to such as believe in Him is *Justification;* that justification includes the pardon of sin and the promise of eternal life; that it is bestowed not because of our works of righteousness but through the faith in the Redeemer's blood, being imputed to us of God.

10. We believe the Scriptures teach that *adoption* is a gracious act by which the Father for the sake of Christ, accepts believers to the estate and condition of children, by a new and spiritual birth.

11. We believe the Scriptures teach that *santification* is the process by which, according to the will of God, we are made partakers of His holiness; that it is progressive work, begun in regeneration and carried on in the hearts of the believers by the Holy Spirit through the continued use of the appointed means.

12. We believe the Scriptures that teach such as are truly regenerate will not *utterly fall away* and finally perish but will endure unto the end through their preserving attachment to Christ.

13. We believe the Scriptures teach that the law of God is the eternal and unchangable rule of His Moral government which is holy, just and good; and that the end of the Gospel is to restore men through a mediator to unfeigned obedience to his holy law.

14. We believe the Scriptures teach that a visible *Church of Christ* is a congregation of baptized believers, associated by covenant in the faith and fellowship of the Gospel, observing the ordinances of Christ, governed by His laws and, seeking to extend His Kingdom in the world; that its only Scriptural officers are pastors and deacons.

15. We believe the Scriptures teach that Christian *baptism* is the immersion in water of a believer in Christ, in the name of the Father, the Son and the Holy Spirit to show our faith in the crucified, buried, and risen Saviour, being also emblematic of our death to sin, and resurrection to a new life; that it is prerequisite to the privileges of a church relation and to the Lord's Supper.

16. We believe the Scriptures teach that the *Lord's Supper* is a provision of bread and wine, as symbols of Christ's body and blood, to be partaken of by the members of the church in commemoration of Christ's death; its observance should be *preceded* by faithful self-examination.

17. We believe the Scriptures teach that the first of the week is the

Lord's Day, that it is to be kept sacred to religious purposes by abstaining from all secular labor, except works of mercy and necessity, by the devout observance of all means of grace, both private and public.

18. We believe the Scriptures teach that *civil government* is of divine appointment for the interest of good order of human society; that magistrates are to be prayed for, conscientiously honored and obeyed, except only in things opposed to the will of our Lord Jesus Christ, who is only Lord of the Conscience; that civil rulers have no right to control over, or of interference with, religious matters.

19. We believe the Scriptures teach that there is a radical and essential difference between the *righteous* and the *wicked,* and this distinction holds among men both in this life and after death.

20. We believe the Scriptures teach that at the *Last Day* Christ will descend from Heaven, raise the dead from the grave, and set up His Judgment Throne; that the wicked will be adjudged to endless sorrow, and the righteous to endless joy; and this judgment will fix forever the final state of men in Heaven or Hell on principles of righteousness.

21. We believe no ministers have a right to the administration of the ordinance only such as are regularly called and come under imposition of the head of Presbytery.

Report on State Missions

When we lift up our eyes and look on the fields we can see that missions needs are multiplying rapidly. Will we meet these needs in North Carolina before it is too late?

There is no greater opportunity to do the total work of God than through our State Missions program. We can advance in our world-wide work in proportion to our advance at home.

It is not necessary to list the varied ministries of State Missions, but supplementary information helps to pinpoint some of the areas most in need. For example 127 church in 61 associations received $91,000.00 last year on their pastors' salaries. New ministries such as the Seminary Extension Centers in the western section of the state are filling vital needs. The military population of the state, much larger than many of us realize, is served in various ways. An estimated 400 places in the state need new Baptist Churches or missions. Most of these struggling congregations ask aid in purchasing lots. The fact that the Cooperative Program provides only one-third of the State Missions budget makes the success of State Missions offering more urgent.

The emphasis this year is on *Evangelism*, and a study of the decline in baptisms explains why. In 1954 there were 35,705 baptisms, and 35,607 in 1955. In 1957 and 1958 the totals dropped to 33,798, and 34,836 respectively, but in 1959 the totals rose to 36,000. Since that year, however the decline has been more evident. In 1960 there were 30,337 baptisms and in 1961 the the total was 32, 485. The 1962 records shows we had 30,881. Five hundred churches reported no baptisms, In the last decade while these figures have fluctuated, new churches have been organized and the population of the state has grown several thousand.

Of the 3,400 Baptist churches in the state today, more than 2000 of them were aided in one way or another by State Missions in the early stages of their organization and growth. These include many of our largest, strongest churches as well as hundreds of smaller ones in rural and village areas. This is how stragetic and far-reaching the State Missions ministry is today and

has been for many years. No Baptist dollar has been spent more wisely than that which has gone into this work.

Dr. E. L. Spivey, Director of the Division of Missions, is right when he says that "Sometimes we are so busy looking at the world that we fail to see people right here in our own state." The test of Christianity, he continues, "is not necessarily our love for missions in foreign lands, but our love for people here and in distant countries."

Through study, prayer and gifts, may we meet the needs in North Carolina for the glory of God and the advancement of His Kingdom.

T. A. Lineberger

Report On Christian Literature

Statistics show that the average person of 70 years has spent 3 years in reading and six months in worshipping God. Therefore it is concluded that people *do* read. According to Dr. Robert Leigh of Columbia University most adults read something. 80 to 90 per cent of the people in America read the newspapers more or less regularly. About two-thirds of the adults in the United States read a magazine regularly. It is impirtant that people do read but it is more important *what* they read. Reading shapes our attitudes, our actions and our characters. Reading stimulates our thinking—a lost art in the lives of many people today. Many good minds are stale and stagnated—taking very little in and giving nothing out! We need to read literature today that is stimulating, thought provoking, informative, entertaining and inspiring—literature that is based on sound Biblical, ethical and moral principles. The time in which we live and the God that we worship and serve demand nothing less!

Literature and publishers are flooding the newstands with obscene and pornographic filth that is corrupting the morals of many young people and adults. These lewd materials incite the reader's passion to a red-hot lust and when this lust in conceived it bringeth forth sin. To counteract this diseased lust that is sweeping our country today, let us be very careful (and help our young people to be careful) in selection of reading materials that are being brought into our homes today.

Home Life should be in every Baptist home, provided by the Church. *Open Windows* is an excellent devotional magazine. The *Charity and Children* is one of the best known and widely read (55,000 subscribers) piece of literature reaching North Carolina Baptists. Identified with the Ministry of child care, it is a free voice publishing news for and about all Baptists, voicing editorial comment without fear or apology.

The sounding board of North Carolina Baptists since 1833 is the *Biblical Recorder.* Published weekly in Raleigh with more than 80,000 subscribers, its purpose is to strengthen and undergird all that the Baptists of this state love and support. It is a valuable instrument of communication among Baptists. It should be on the menu of every Baptist reading diet. When people know, they respond. When uninformed or informed improperly or incorrectly, they become victims of rumors and misinformation.

To keep us informed and inspired to the challenge of world missions, our Home Mission Board publishes monthly "Home Missions" and the Foreign Mission Board prints "The Commission." These two main missions journals are a must for Baptists—to keep us aware of the needs of the world and to help us respond to the needs as we are kept reminded that the New Testament Church must be a missionary church.

The most significant development in the 66 publishing years of the Sunday School Board is the Broadman Readers Plan. This new plan heralds the '64 Jublilee year. It will be inaugurated in January 1964 and will provided a balanced plan of reading in personal, family, church, and denominational life. Matters related to family life, to worship in the home and in the church, a Baptist history and biogrpahy, a doctrinal study and to inspirational

and informational needs. Program oriented with a variety of interests, the Readers Plan books are priced inexpensively — a set of 3 books each quarter costing only $3.00. This set will be sent directly to the home of the subscriber. The New Readers Plan is commended to each home for serious consideration.

Reading is important! Let us not neglect it! Let up watch TV less and read more this year! Let us be careful to select only the best reading materials. Let us feast on a balanced died of good reading material. May the Bible be the main course with our denominational publications the dessert and the salad represented by wholesome books and magazines. Let us read for our good and for God's glory.

William O. Goble, Jr.

Report of the Executive Promotion Committee

Four regular meetings of the Executive Promotion Committee were held at Pleasant View Baptist Church. Below is listed a few highlights of the various meetings.

January 14, 1963: At this first meeting of the new year we approved the applications for College aid for J. V. Buchanan and Miss Sandra Simmons. We also approved the purchases of an adding machine upon the recommendation of the Finance Committee. The Trustees recommended that we pay $500.00 on a Thousand Dollar note due at First National Bank; that we renew the note for $500.00 and pay a year's interest of $30.00. This was approved by the body. And at this meeting various committees were elected for the Schools of Missions in November.

April 1, 1963: In addition to reports heard from committee heads, the Executive Promotion Committee voted to enter the Associational Development Ministry Pilot Project in cooperation with the Home Mission Board. We heard a special report given by Rev. William Byrd concerning a consitutional change in regards to committees.

July 8, 1963: Report were heard and we elected the Associational Sunday School Superintendent and the Assistant; Training Union Director and Assistant; W. M. U. and Brotherhood Presidents, and Chairman of the Music Committee. It was decided at this meeting that Rev. Lee Roy Denton would preach the sermon on the first day of the Annual Meeting and Rev. Phillip Duckett on the second day.

October 7, 1963: Approved the recommendation brought from the Advisory Steering Committee that the Association participate in the Long Range Planning program to be conducted under the auspices of the Baptist State Convention in Region 8 in 1965-66.

The proposed budget as recommended by the Finance Committee was adopted with a slight change made in Item B. This change asks for Vacation Bible School Commencement Offerings to be sent to the Association Treasurer for support of Associational work instead of for support of Mission Vacation Bible School Work.

Report of Missions Committee

The Missions Committee completed a survey of the Bethel Road—Bethel Street area of Morganton, and recommended to the Associational Executive Promotional Committee that churches in the association, preferably those nearest the area, and those having members living in the area, conduct Home Fellowship Missions in the homes of that section. Mount Home Baptist Church has been conducting a Home Fellowship Mission, meeting in various homes, with an emphasis on Bible Study, in that section for some three months, and such efforts are expected to continue. Other churches have the

privilege of similiar efforts, as they choose.

Our major emphasis on new work has been Institutional Missions. Twelve of our churches have 22 regular commitments in rest homes and hospitals in the area. Three churches hold regular services at the Prison Camp. The First Baptist Church, Morganton, conducts Sunday School at the Fire Department.

The Missions Committee has been active in the promotion of the Schools of Missions in the Association, November 3-8, 1963.

RECOMMENDATIONS:

A. That travel will be paid on an average monthly basis of $83.33 per month at the rate of .08c per mile and no more than $250.00 be paid in any one quarter. The amount is not to exceed $1000.00 for the budget year. The mileage account will be paid once a month upon account of mileage given to the Treasurer.

B. It is recommended that the Vacation Bible School Superintendent request the churches to send the Commencement Offering to the Associational Treasurer for support of the Associational Missions program.

C. We recommend that we apply for $720.00 aid on the Missionary's salary.

D. That amounts be set aside regularly to assure that the Convention Allowance will be available when needed for meetings of the Southern Baptist Convention, if possible.

E. In view of the added expense to the Associational budget, we respectfully request each church increase their contributions to the association at least 10 per cent.

Sunday School Report

We are grateful to God for the progress that has been made in our Sunday Schools during the past year. However, there is yet much to be done if we are to reach, teach and win to Christ the multitudes of lost people in Burke County. Preaching, teaching and winning to Christ is the major task

of the Sunday School. The Sunday School is chief Bible teaching and evangelistic agency in the church. Therefore, every effort should be made to make it as effective as possible as the evangelistic arm of the church.

The reports from our churches reveal a decrease in Sunday School enrollment of 309, with an enrollment of 12,148 and an average attendance of 7,401.

With the exception of 3 churches, every church in our association held a Vacation Bible School this past year. No Negro or missions Vacation Bible Schools were held. 4,771 people were enrolled in the Vacation Bible Schools.

Twenty-five (25) churches had 300 training awards in category 17 of the Church Study Course.

32 churches observed the January Bible Study Week.

Officers in the Sunday School organization of the Association have been enlisted for 1963-64 and one planning training meeting has been held.

Sunday School Preparation Week was vigorously promoted and 11 churches observed this special week with a study of "The Place of The Sunday School in Evangelism" by Dr. J. N. Barnette. This study was a very fitting and challenging one conforming to the general theme of the Sunday School for '63-64 — "Outreach for the Unreached — Spearhead for Evangelism."

In order to emphasize this theme and to launch the '63-'64 Sunday School Program, Sunday School Action Night was held at Mt. Home Baptist Church, September 30 with 180 in attendance and 21 pastors present and 29 churches represented. Among the features of the program were the presentation of our Sunday School goals and an inspirational message on evangelism by Rev. A. B. Bumgarner of Spindale, N. C.

Goals set at Action Night are as follows: 35 churches participating in the pastor-led Sunday School witnessing campaign in the spring of '64. One (1) new Sunday School to be started, 10 new Extension Bible Classes, 25 churches observing Harvest Day, September '64, 40 churches observing January Bible Study week (Ephesians). Every church with a Vacation Bible School with 1 Negro and 1 mission school, all churches using the Associational School officers, 5 churches with Standard Sunday Schools, 10 churches using operation Home Folk, 300 training awards in Category 17, 25 churches earning these awards, 450 people in attendance at Action Night, September '64, 20 churches observing Preparation Week in September '64, 25 new classes and 10 new departments started in '64. All churches sending in names and addresses of officers and teachers. All churches taking a census or else bringing up to date old census, all churches visiting prospects and absentees, 10% increase in the Sunday School enrollment.

The Associational Sunday School organization is a service agency—with its primary purpose to help our Churches. We will be most happy to assist any or all the churches within the range of our capabilities if you will request such help. Our Associational Night will be held each quarter with an emphasis given to age group conference in order to inform, train and inspire the age group workers from our churches. Also we plan to assist the churches that request such assistance in the areas of training, improvement of teaching, standards, Vacation Bible Schools, enlargement, grading and in other areas.

Our projected plans for '63-'64 include the January Bible Study Week, Vacation Bible School Clinic, the Sunday School witnessing campaign, participation in the Jubilee Revivals in the spring of '64, emphasis upon the Operation Home Folk, a Baby Hunt, Harvest Day, Preparation Week, and Action night for '64. Also plans will be formulated for the pastor-led Sunday School enlargement campaign to be held in 1965.

Let us put forth every effort we can this year for Jesus' sake and to make our Sunday Schools what God would have them to be. Then we shall be able to reach, teach, win and develop those people who are our responsibilities and possibilities.

Report of South Mountain Baptist Camp for 1963

The history of South Mountain Baptist Camp that has been made during the summer of 1963 is full of many thrills. It has been thrilling to see the great number of campers who have attended from week to week. Counting the staff of 17 each week, there were 1380 who attended our camps this summer. Many visited the camps on Wednesday nights. Up to 150 visited some weeks.

The attendance of the camps by associations are as follows: Catawba River—298; Gaston—263; Green River—90; Kings Mountain—164; Theron Rankin—53; Sandy Run—158; South Fork—147; South Yadkin—97; South Mountain—66; and the conference for the Deaf—67.

It was thrilling and fascinating to see the conference for the deaf, which was conducted by Rev. Jerry Potter. It was thrilling to 667 making their way to the altar to make a decision for Christ. It was thrilling to hear 102 of them say, "I want to accept Jesus as my Saviour." It was thrilling to hear the testimony of hundreds of boys and girls and their counselors. They said, "We have surely felt the presence of God." It was thrilling to award hundreds of honor and star camper awards. Much work was done by the campers to earn these awards.

Attendance at our RA and GA camps nearly doubled this year. The two-story cabins were completed enough to use this summer. Also, a cement block restroom was built. These additional buildings and added water supply enabled us to take care of the overflow crowds. The new parking lot and the improvement on the road was a great help.

Many groups that had never been to our camp were well pleased and will be coming back. There is increased interest in all of the associations. In view of this, we should have at least 1800 attending next year. We are planning two additional camps next year. This will make a total of 5 R. A. and 5 G. A. camps. At least one Youth Retreat will be held next season.

The camp will be available for pastor luncheon, Brotherhood suppers, etc. We have the promise of a phone at the camp by mid-October. There is a possibility of a swimming pool by next season.

We did real well financially this year. We took care of construction and improvement bills totaling $843.34 and it looks like we will be able to transfer $1000.00 into the general fund. A complete financial statement will be prepared as soon as possible.

The money on hand is not nearly enough to make the necessary improvements to get us ready for a busy season next year. It is hoped that all of our Region 8 Associations and many more of our churches will put us in their budget so that our ministry to the Youth of our Land will be greatly increased.

Report on Christian Education

Christian education is the business of all Christians. The Baptist program of Christian Education includes the teaching ministry of the home, the local church with its varied programs, the Baptist schools and colleges supported by the Conventions within the various states, and our seminaries.

Our Christian institutions in North Carolina are: namely, Wake Forest, Meredith, Mars Hill, Campbell, Chowan, Gardner-Webb, Wingate, Fruitland Bible Institute and Southeastern Baptist Theological Seminary.

Every effort is being made to operate good, accredited colleges at the lowest possible cost, that the door of opportunity may remain open for all of our young people. Two things we can do, first encourage our High School graduates to enroll in one of our seven colleges, and second provide financial support through our present plan for Christian Education.

Father's Day has been designated for our Christian Education emphasis

in North Carolina Baptist churches, with a special offering to go for Christian Education. Each church is encouraged to observe Christian Education day in June.

A Christ-oriented education must always be provided by the churches. The colleges are deliberatcly and continually seeking to illuminate the total educational process with the atmosphere of the Christian faith.

We can strengthen and help the colleges:

1. By becoming more familiar with faculty members, administrative officers and students in thc colleges.
2. By encouraging our High School graduates to attend a Baptist college
3. By praying for the schools.
4. By giving for the support of the schools.

Woman's Missionary Union Report

In recognition of the 50th Anniversary of the Girl's' Auxiliary the G. A. hymn was chosen for the Woman's Missionary Union's 75th Anniversary hymn. We arc told that there are few more challenging hymns than "We've A Story To Tell," because it is filled with the glowing promise of the expansion of God's Kingdom.

In its construction there are only four simple key phrases to remember — A story to tell — A song to be sung — A message to give — A Saviour to show — climaxing the hymn with portraying Christ the Saviour of the world.

Our watchword was, "That the World through Him might be saved" — from John 3:17. In this verse we find that it combines three great facts; (1) God loves the world (2) Man can have everlasting life (3) "Come work with me and together we'll show the people of your (or our) day the way of salvation."

This has been a glorious year for Woman's Missionary Union because 75 years ago a group of women felt the need of such an organization and did something about it. In spite of much opposition they continued to work, pray and enlist all interested women. The opposition soon began to break and soon the organization was organized.

Those women gave us the sacred heritage of Conviction, Dedication and Cooperation. We today cherish this heritage and pledge with God's grace and help to bequeath it to the succeeding generations through the women and young people in our organizations today.

The following report is the highlights of what we have tried to promote and do:

We have 45 Women's Missionary Societies with a membership of 1,454 in our association; 18 YWAs with a membership of 147; 62 GAs with 563 membership; and, 55 Sunbeam organizations with a membership of 503. This makes a total membership of 2,725.

The meetings were: A leadership conference with Valdese First Church. An Associational wide leadership course was taught by the associational officers for four nights in the Calvary Baptist Church.

The officers lead in WMU conferences on the associational nights as was scheduled.

A banquet for the pastors and wives held and sponsored by the WMU.

The annual Woman's Missionary Union meeting was held with the Enon Church. This proved to be one of the best meetings of the year. Our Anniversary features was carried out dating back to the very beginning 75 years ago. Rev. Glen Hicks was our missionary from Taiwan. Mrs. Ernest Walker in her charming manner, delighted the meeting by giving the history of Woman's Missionary Union in our own association.

We had two mission study institutes — one for Foreign Missions and one for Home Missions. Many of our churches observed the Weeks of Prayer for each. Many mission study classes were held in the local churches.

We can never begin to give you in figures what the women have done in Community Missions or in their prayer life. We are an Auxiliary, a helper, a backer up for all the phases of our associational work.

The Young People have held their meetings as was scheduled in the calendar. The meetings consisted of Rallies, Banquets, Camps and Day Outings. These were all well attended.

Now as we have begun our new year, let us as members of Woman's Missionary Union of the Catawba River Baptist Association really demonstrate to our association, our State, and to the whole world what we as dedicated women can do to make the Great Commission real in the lives of people everywhere. This success depends upon every member — the Challenge is ours — NOW.

Brotherhood Report

Last year, in the first quarter, an Associational Brotherhood Clinic was held in the North Morganton Baptist Church, with a large representation of men present from the churches. Several of the Associational Officers participated in the program.

During the year we have visited in 14 of our churches. At Lake View a new Brotherhood was started and the Associational Officers helped in the renewal of Brotherhood at Calvin Heights.

One of the weaknesses in our work has been a lack of interest in our RA program. We hope to put more emphasis to this very important part of our Brotherhood activities this year.

This past year we had 30 Brotherhoods in our Association, with an enrollment of 745. Our RAs have 50 Chapters with an enrollment of 524. This makes a total enrollment of 1,269.

May we continue to work and pray together during the coming year that we may do more for our Master.

Lee Harris,
Associational Brotherhood President

American Bible Society

The American Bible Society, founded in 1916, is the agency of 56 denominations for the worldwide translation, publication, and distribution of the Holy Scriptures, without note or comment and without purpose or profit. In 1962 important advances in the Christian world mission were made by your Bible Society. This report tells of some of these.

SCRIPTURE DISTRIBUTION RISES TO A NEW HIGH

The rising worldwide demand for the Holy Scriptures in the languages of the people is dramatically revealed in the number of volumes of Scriptures distributed in 1962 by the American Bible Society, 31,523,455 copies, an increase of 7, 340,431 volumes over the previous year, 1961.

THE BIBLE SOCIETY ABROAD

In 1962 missions and churches overseas called upon the Bible Society for an increase of 48.3% in the number of Scripture volumes required for their work and witness.

The largest demand came from the rapidly growing evangelical churches of Latin America, where Society circulated 10,666,710 Scriptures volumes in 1962, a distribution growth of 67.2% over the previous year.

Similar demands are coming from Asia and Africa, A total of more than 10 million volumes of Scripture Selections were required in Asia in 1962. In Africa distribution rose 66% during the year. Some part of the Bible has now been translated into 401 African languages.

THE BIBLE SOCIETY AT WORK IN THE U.S.A.

The need on the home front is underscored by the fact that one of every 9 people in the United States is a *language* person who does not know Christ as Savior, one of each of the remaining 8 is destitute or in a hospital or other institution, 2 of the remaining 7 profess no connection with any church. The Bible Society circulated a total of 14,590,751 copies of the Scriptures in the United States in 1962. It also supplied the armed forces with 977,723 volumes of Scriptures free. The request of the military continues to exceed the ability of the Society to provide them. Last year 53,655 Braille volumes and Talking Book records were distributed in more than 40 languages and systems to the blind.

BIBLE TRANSLATION AND PUBLICATION

Some part of the Bible has been published in 1202 languages and dialects as of December 31, 1962. A new English Reference Bible, King James Version, in paragraph form, a new English Concordance, and an edition of the Illustrated Testament entirely, in the King Jomes version were among the outstanding new publications.

THE SUPPORT OF THE CHURCHES

The churches of the United States gave $1,191,233 in 1962 for the worldwide translation, publication, and distribution of the Bible through the American Bible Society. This amount represents a very small portion of total contributions for all church work, but it does reflect a growing interest on the part of the leadership of the churches in making the Bible available to all men, and in spreading the Good News of Christ.

Southern Baptist Protection Plan

The Southern Baptist Protection Plan provides protection for the pastor if he becomes disabled, protection for his widow and children after his death, and retirement income as long as his widow lives after retirement. It is one of the best plans devised by a religious denomination to provide for God's servants in a worthy manner.

The participants in this plan pay 15% of the pastor's salary up to $4,000 each year. Through the Cooperative Program the North Carolina Baptist State Convention pays 5%, and it is the recommendation of the department that churches contribute the other 10%.

Some churches are going beyond the line of duty and are participating in the Age Security or Variable Annuity Plan by contributing 10 per cent of the pastor's Salary above $4,000. This plan is especially recommended for those who start late in life, or whose salary was below $4,000 when they began the plan.

There are 51 churches in the Catawba River Association and there are only 23 churches participating in this plan. Across the Southern Baptist Convention 80 per cent of the cooperating churches are in the Protection Plan. This means that Catawba River should have 40 participating church to come up to the average.

We make the following recommendations:

FIRST—that the 28 non-participating church invite some qualified person to present this plan to each church. This person may be invited from the State Baptist Office in Raleigh, or the missionary could present the plan.

SECOND—that each church be encouraged to pay 10 percent of the pastor's salary so he can pay social security on an individual basis. Churches

should continue to pay 10 per cent into the plan whether they have a pastor or not, thus providing some incentive to a prospective pastor.

THIRD—That as many churches as are able be encouraged to pay 10 percent above the $4,000 annual income into the Variable Annuity Plan, thus making a better retirement benefit for pastors in the light of rise in the cost index of living.

Home Missions Report

"But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth." (Acts 1:8)

"Both . . . and . . ." The same commission of our Lord that directs the Christian to witness at home also directs him to witness through missionary endeavors in other fields. It is a simultaneous effort to be carried out in:

Jerusalem—City Missions

All Judea—Rural and Mountain Missions

Samaria—Among neglected people, behind barriers of language, cultural differenee, prejudices, distance, or other hindering conditions.

These last words of Jesus constitute our marching orders for the World Mission Emphasis of 1963-1964.

The promotion of Christian Missions at home is the task of the Home Mission Board. Missions and evangelism are the two most important factors in Christian growth. Giving the Gospel witness to the lost, and in enlisting those who accept Christ in winning others, is the task of every church. The Home Mission Board assists the churches in the work of missions and evangelism. In carrying out this ministry the Board works in cooperation with all phases of our denominational life.

To witness effectively to all of our people and to lead the saved in Christian growth, the Home Mission Board has seven programs. The Board serves in all fifty states, Panama, the Canal Zone, and Cuba.

The Seven Programs:

Home Mission programs are designed to meet special needs. Gifts through The Cooperative Program and the Annie Armstrong Offering for Home Missions make each giver an active participant in world missions at home. Most of the seven home mission programs are carried out in cooperation with State Mission Boards, Clinics, conferences, and workshops are conducted by the Board in the interest of the programs. These programs are people centered and there is a ministry for every person in our Home Mission territory.

The Seven Programs are:

(1) Associational and Pioneer Missions, (2) Chaplaincy, (3) Church Loans, (4) City Missions, (5) Evangelism, (6) Language Group Ministers, and (7) Work with National Baptists.

At the close of 1962 the Board had 2,078 missionaries, a gain of 117 during the year. In addition, there were 595 students who served in summer missions under the Board's direction.

Baptists can well be proud of our Home Mission Board for her ministry touches every church in our Southern Baptist Convention. Ours is a thrilling opportunity and responsibility of telling the story of home missions. May we be used by our Savior to challenge others as to what needs to be done to make the home-land more Christian.

Report on Foreign Missions

The year 1963 is World Missions Year in the life and work of Southern Baptists. It is fitting that this year is proving to be the most fruitful year in the appointment of new missionaries. More missionaries will be appointed this year than in any one year in the history of the Foreign Mission Board. In the Advance Program our goal has been that we might have 1800 missionaries under appointment by May 1964. As of today we have 1796 missionaries under appointment serving in 53 different countries. Twenty-seven missionary associates included in this number. Several others are to be appointed in December—thus bringing our total number to more than 1800 by the end of 1963. This makes us feel very good until we realize that there are more than 700 urgent requests for new missionaries right now. Among the most pressing needs are those for people in field evangelism and church development, theological education, nursing, student work, and religious education.

Mission work is carried on through a varying number of institutions on each mission field — churches, schools, hospitals, publication plants, and goodwill centers. All are interactive and the goal of each is evangelization.

Educational work not only offers opportunities for evangelism, but also trains a strong national leadership. The 1,060 Baptists schools, which enroll 169,178 students, are served by 5,656 national and 290 missionary teachers. Among the schools are 41 theological institutions with 1,394 students and 6 women's training schools with 467 students.

The primary aim of missionary medicine is the healing of the whole man — both spiritually through a personal knowledge of Jesus Christ and physically through the best possible practice of medicine. Medical mission institutions include 18 hospitals and 46 clinics and dispensaries with a total of 1,156 beds. There are 55 missionary and 82 national physicians, plus 56 missionary and 207 national nurses. They served during the year 328,898 patients, of whom 31,144 were inpatients.

Strong churches need not only trained leaders, but also literature for evangelism and religious education. We have 17 publishing centers where 65 missionaries and 452 nationals serve on publication staffs. During 1962 these centers produced 13,030,227 pieces of literature. These included periodicals, tracts, and books.

Total contributions of Southern Baptists for Foreign Missions amounted to $19,673,232.93 during 1962. Funds from the Lottie Moon Christmas Offering totaled $10,323,591.69. The budget for 1964 calls for more than twenty-two million dollars.

During 1963 the Foreign Mission Board took an historic step in forming four areas instead of three areas in our foreign mission work. Africa is now an area in itself as is Europe and the Near East.

Dr. Jesse Fletcher's book "BILL WALLACE OF CHINA" was published this year. Every one of us should read this challenging, inspiring book on the life of one of our medical missionaries who died — a martyr for Christ — in a Communist prison cell in 1951. To do so will mean that all of us will be more missionary in our giving and living!

TRINITY called the Rev. Glen Neal as Pastor, March 3, 1963.

EAST VALDESE called the Rev. Dean Jones as Pastor in August 1963.

MOUNT CALVARY enlarged their sanctuary, refinished it, and all the pews. They have put in new carpeting and air-conditioning, and installed heat by gas. All of the old building was brick veneered and the new addition. They observed the 25th anniversary of the church with homecoming day, and laid the corner stone inserting a capsule with pertinent facts about the church behind the stone which is to be removed after the 50th anniversary for information to the church.

South Mountain Institute

The South Mountain Institute is one of the smaller child caring institutions in North Carolina. It is also a little different from similiar institutions in many ways. One of the ways in which it differs is the type of child it admits and the small amount of red tape involved in admittance. We do not admit children who have been judged guilty of misdemeanors. We have and still do take children who are on the verge of becoming delinquent, and so far we have been fairly successful in working with this type of child.

At the end of our 1962-1963 fiscal year which ended September 30, 1963, we had 51 children, 23 girls and 28 boys. The majority of our children are 12 years old and older. This group included children from the second grade through the second year college.

For the benefit of any new minister or members of the Association, the South Mountain Institute is a Children's Home where our children live as a family, attend the public school at Glen Alpine and attend church at the Oak Grove Baptist Church, with Leroy Jones as pastor. Our children and staff make up a little more than 50% of the regular Sunday congregation. In addition to our children providing the total membership of some of the classes, quite a few of our boys belong to the RAs. We try to supplement the church religious efforts by devotions in the home and study periods to prepare the Sunday School lesson.

Our children come from Burke and McDowell. They are given a two weeks vacation in the summer (with some exceptions) and most of them get to go visiting from Christmas day until the end of the year. Children are not permitted to spend vacation and holidays with anyone other than a relative.

I extend to each of you sincere thanks for being so conscious and generous regarding our needs at the institution. We deeply appreciate the offerings that you send. Some come monthly, some quarterly, and some as special offerings at the end of the year. A few include our institution in their budget for a

definite amount each year. Of course most of you contribute to our needs through the United Fund and we could not begin to fulfill our obligations to these children without the total help regardless of its source.

The children at the South Mountain Institute may be your neighbor's children or your neighbors relative, or they may even be related to some of you. In any case the institution deserves your consideration, and if your church is already contributing to our support it is greatly appreciated; and you who do send offerings at least once a year might think in terms of a little Home Missionary work.

As we undertake our daily tasks we need God's help and we solicit your prayers and your thoughts of good fellowship to sustain us in our efforts.

Report on Temperance and Morals

From evidence on every hand it is clear that public morals is everything but desirable. Though we continue to grow in church membership and in value of church property, we are dismayed by the increase of crime rate, instability of family life, sensuality, dishonesty, racial strife, pleasure madness, and consumption of alcoholic beverages, to name only a few of the evidences of the poor state of public morals.

These conditions would be bad enough if they existed among non-church members only, but are made much worse when many members of our churches are guilty also. We whose consciences are sensitive to these trends cannot help wondering what are the causes. There are many factors, of course, but one major cause for these distressing circumstances is that a large percentage of our citizenry no longer place importance on those ideals and spiritual concepts which our forebears considered essential for a morally healthy individual or society. Too many ignore the ancient admonition found in Proverbs 22:28, "Remove not the ancient landmark which thy fathers have set." Though this has specific reference to the importance of a stone or stake used to set boundaries for a man's land, it contains a still more important teaching as to the significance of the landmarks in the spiritual realm — cornerstones, ideals, maxims which are of fundamental value and which, if removed, create disharmony, confusion, chaos and eventual disintegration.

One such cornerstone which has been removed by a large segment of our population is that of moral conviction. The humilating defeat on July 13 of those who opposed the sale of alcoholic beverages in the city of Morganton can be explained to a great extent by the fact that there was a serious shortage of moral conviction by many who should have spoken out and taken a definite stand. The cornerstone of conviction was removed and replaced by the contrivance of expediency. This lack of conviction about the alcohol problem on the part of the church members should not be surprising, though, when a reliable survey of one of our largest Protestant denominations revealed that 60% of the members who are above the age of 15 of many of its churches drink alcohol as a beverage. Some of us Baptists would probably be shocked by the findings if such a survey was made by our denomination.

At a time when conformity seems to be in order of the day, we need to remember that great civilizations which have preceded us fell because one of the prevailing philosophies was, "when in Rome, do as the Roman's do." We live in an age when people of great intellectual capacity refuse to set their feet down on the solid rock of certain conviction is one who has become the "conbeen well said that a person of conviction is one who has become the "convict" of a great ideal. It has captured him and he is powerless save to follow that conviction of truth or person, at any cost, at any time, in any place. It must be freely admitted that the church and many of its members lack this kind of moral conviction and courage. How does one cultivate this kind of conviction? For an answer I refer you to Dr. Louis Evan's great book, "Life's Hidden Power." In the section on the Holy Spirit and courage he says there

are two things that are necessary to all courage. There is first of all, what you know. This is factual and technical. Then there is also Whom you know. This is the forceful and triumphant element in hte realm of action. There is a courage that comes to those "who have been with Jesus," and not always with the crowd.

It is no mystery as to why the early church had such an impact on the society of their day. We are told they were all filled with the Holy Spirit, and spoke the word of God with boldness. This was their secret then, and it is ours now.

Training Union Report

God has richly blessed us in the past year in Training Union work. Although we did not see all of our hopes and dreams fulfilled, we fell that a great deal of good was accomplished. With 51 church in our association, 41 have Training Unions, with an enrollment of 4304. This is an increase of 69 over last year. Several churches departmentalized their Training Unions and met with a good deal of success and growth in this enlargement endeavor. There were 4 churches requesting awards in category 18, Training Union Principals and Methods with 94 awards through June presented. The highlight of the year was our "M" Night program, held at Mt. Home Church, with the Rev. R. Knolan Benfield as our guest speaker. We had an attendance of 732. Our theme for last year was, "BE YE WITNESSES." We, as associational officers took advantage of every opportunity to carry our program into the local church. We met with Officers' and Leaders' Councils, taught study courses, and visited on Sunday night in Training Union in many of our churches. The primary function of Training Union is to train the church membership. But we have only about one-third of our church membership enrolled in this great organization of our churches. God calls each of us into service for Him, so let us train ourselves unto greater service for Him through Training Union.

There were 21 Churches observing Youth Week.

Radio Ministry

We have serveral fine radio programs that merit our listening and our support. Radio Station WMNC in Morganton carries mastercontrol and at intervals the Southern Baptist Hour. Our own Catawba River Baptist Hour is heard each Sunday morning over WMNC. Radio Station WSVM in Valdese, is presently broadcasting both mastercontrol and the Southern Baptist Hour.

We have been encouraged by the participation of our church in the Catawba River Baptist Hour this past year. The churches have cooperated with the Radio Committee and have been prompt in paying for their individual programs. The cost of the programs increased from $14.00 to $17.50 per program when WMNC went on F. M. in July, 1963.

We would like to encourage more of our people to make our Baptist Radio Programs a listening habit. This committee feels that many of our people are missing the spiritual uplift that comes through these programs.

The Radio Committee would like to suggest:

1. That pastors and other church leaders encourage more people to listen to our radio programs by making announcements and listing the hours of these programs in their bulletins.

2. That the new Radio Committee restudy our total radio ministry to see if improvements can be made to assure better programs and a wider listening audience.

Baptist Children's Homes

More children were served by the Baptist Children's Homes of North Carolina last year than ever before in history. This was made possible by the interest, prayers and giving of North Carolina Baptists and other friends. We are indeed grateful for every remembrance — the Thanksgiving offerings, once-a-month offerings, Cooperative Program gifts, food, clothing and other things. Without these we could not provide the many services to children and families which we do.

The physical, mental, social, and spiritual growth and development of our children has been most gratifying. North Carolina Baptists have every reason to rejoice with the very fine response of these boys and girls to the Christian love and care afforded them. Members of an already fine and capable staff continue to grow in their love for children and their ability to work effectively with them.

We have been reminded for several years of a growing need for specialized services for an increasing number of children who suffer emotional illness. We are happy to report that these services are being provided a limited number of children in a small home at Chapel Hill in cooperation with the University Medical Center. They are receiving the best professional, medical help that can be provided. We are most fortunate to have this facility. It will strengthen greatly our entire program of child care.

We are compelled to keep our pressing needs before you. Applications for the admission of children are increasing. Relatives, pastors, friends of dependent children, departments of public welfare and others plead with the leadership of the Home daily for help. A familiar plea is, "Unless you can help this child, there is no help for him." We lay upon your hearts three areas of need.

1. An increase in the number of children in good Christian foster homes in all areas of the state.
2. Continuous expansion and up-grading of facilities to enable the homes to keep abreast of the best in child care.
3. An increase in financial support to undergird and strengthen the entire program.

A generous Thanksgiving offering is a must! Without it we cannot maintain what we have now in progress. We would challenge pastors, Sunday School superintendents and church leaders to make the best preparation possible for the forthcoming offering. Giving for the care of dependent children affords one of our greatest joys in Christian service.

Financial support for the past year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-Month Offerings	16 Per Cent
All Other	21 Per Cent

Charity and Children, the official publication of the Homes, is now in its 76th year of publication and is widely read by our Baptist people. It has long been one of the best religious papers published among Southern Baptists.

Every family in every church is invited to be among its readers to keep informed about our child care program and the world mission of our Lord. An issue of *Charity and Children* can be enjoyed each week during the year for only sixty cents. See that your church receives it.

North Carolina Baptist Homes For The Aging

God has blessed the ministry of our North Carolina Baptist Homes in a wonderful manner during the 12 years of our operation, and the past year has been filled with His goodness.

We are now able to serve 160 resident in our four Baptist Homes — the Hayes Home and Resthaven in Winston-Salem, the Albemarle, at Albemarle, and the Hamilton Home, at Hamilton.

In June of 1962, the doors of the lovely new Hamilton Home were opened to the first resident, and the halls have been ringing with the laughter and happiness of the residents there since. The beautiful facility has greatly lengthened and strengthened the arm of our total ministry, and has already brought much joy to our Baptist people in Eastern North Carolina. We are looking forward to the day in the future when the arm of compassion can be extended to reach and serve more of our aging people in Western North Carolina.

The greatest single need is for more space continually. Today there are 160 people waiting for admission, from all areas of our great State, and it is a heartbreaking experience to keep these dear people waiting who so urgently need to come.

The average age among our residents is 80. Our youngest resident is 65, and our oldest resident will be 102 in July. Between this age span, we are seeking to meet almost every conceivable life need of the individual. Each person, in an atmosphere that is distinctly Christian, is surrounded by love, peace and security. Perhaps one of the greatest single contributions that is made is the nursing care that is given in the event of illness. The resident is assured that he will receive tender loving care in sickness as well as in health. Years are literally added to the life of a person in our care, we feel.

The tie with our Baptist people and our Baptist churches, is a blessed one indeed. We are continually dependent upon the prayers, the visits, the loving concern, and the financial support of our people. The most vital media of support from the churches are the Special Day Offerings, received on the third Sunday of February each year, and the Homes share in the Cooperative Program. Inasmuch as we receive only one 3/10% of the State Convention's share of the Cooperative Program, or $7.92 out of each $1,000.00 contributed through the Cooperative Program, we shall have to continue to look to the Special Day Offering for the greater part of our support from the churches.

North Carolina Baptists have given a good account of their stewardship in their ministry to the aging during these years of a wonderful beginning, and we have the faith to believe that they will continue to move forward in this great area of human concern.

Report Of Church Music Committee

Year Ending September 30, 1963

During this, the fourth year of its organization, the Church Music Committee has led the churches in the following major activities:

December 10, 1962 — THE ASSOCIATIONAL CAROL SING. Seven churches took part in this endeavor. The choirs visited hospitals, rest homes

and penal institutions in this area—sixteen institutions in all—and sang carols for them. Following this, the 166 carollers returned to the first Baptist Church for group singing and a period of fellowship and refreshment.

On February 25, at the North Morganton Baptist Church, under the direction of several Choir Directors in our association, a Choir Clinic was held. There was an attendance of 75 at this clinic.

On April 29, at the Mount Calvary Baptist Church, a Church Music Conference was held in conjunction with our regular monthly associational meeting. A spring downpour came just shortly before the meeting hour, sharply cutting the attendance. There were only 18 in attendance.

On August 12, a Choir Director's Clinic was held at the First Baptist Church. This clinic was designed especially for directors of Children's Choirs, Youth Choirs, and Adult Choirs, and offered one of the best training opportunities in this area in recent years.

In addition to the above activities, the Church Music Committee:

(a) Meets at least once each quarter.

(b) Plans music for the monthly meeting of the association, special associational events, such as M Night, Evangelistic Rallys et al, and for the yearly meeting of the association.

(c) Seeks to foster and encourage attendance to music camps and assemblies, and participation in Regional Choir Festivals.

(d) Encourages use of our Baptist hymnals and other music publications.

(e) Encourages churches to elect and/or employ persons to lead them into an enlarged and enriched Music Ministry.

(f) Offers assistance, to the limited degree possible, to those churches seeking and needing advice or suggestions regarding its Music Ministry.

Jack H. Campbell
Director of Church Music
Catawba River Baptist Assoc.

Report on Church Libraries

There has been a good interest shown in church library work this year, which is the second year of the Associational Church Library Organization. Three church have organized libraries during the year. These are: Calvin Heights, Friendship, and Mountain View No. 2. This makes a total of seventeen (17) libraries in the fifty-one (51) churches.

Activities of the year were as follows: One Church Library Study Course conducted at First Baptist Church, Drexel, with five churches represented. An Associational Library Night was held at Pleasant Hill Baptist Church on February 7, with 40 present and 12 churches represented. On April 27, the State Library Convention was held at the First Baptist Church, Asheville. Two representatives attended this meeting from our association. On April 29, a Library Conference meeting was held at Mount Calvary Baptist Church, Valdese. There was one conference for churches with libraries and one for churches without libraries. A good interest was shown in this meeting.

A number of churches are interested in organizing a church library. We hope these will soon be accomplished.

Report on Baptist Hospital

The opportunity of serving persons created in the image of God is a high and holy privilege.

You and I have such an opportunity in multiplied thousands of people who are sick in body, mind and spirit, and who come to our Baptist Hospital seeking help. We reach out the hand of love and mercy through the skilled and dedicated hands of our doctors, nurses, chaplains, and many others involved in this ministry to the total person. We are grateful for this opportunity of joining hands with those who soothe the fevered brow, give the miraculous drug, guide the surgeon's knife, bring the message of hope, and do the hundreds of other tasks which are necessary in the operation of our great Medical Center.

The number of those who receive the services of our Hospital this year will be greater than the population of one of our medium-sized North Carolina cities, such as goldsboro or Salisbury. Most of them will be seriously ill and referred by their family physicians because they need the kind of care available only in a large medical center. They will come from all areas of our state and from all walks and circumstances of life. What a privilege it is to serve these friends in need and what a challenge to our skills and compassion!

The Mother's Day Fund, which we provide by our special offerings or by an item in our church budget designated for the Hospital, is the means through which we make it possible for those who cannot pay to have the care they need. The $176,000 which the Hospital receives from the Cooperative Program provided by our churches must go to help pay for buildings, purchase equipment, and support the Department of Pastoral Care.

We call attention to the Service Patient Endowment Fund of the Hospital which we may place in our wills for any amount, or contribute to at any time, and thus continue to be a part of this service of love through the years after we are gone.

We wish to thank our people for their share in this ministry and call upon them to make their support a worthy expression of their Christian concern.

Respectfully submitted,
William D. Byrd

Report on Evangelism

We come to this associational meeting with a great deal of joy, and yet with sorrow. Our record is somewhat better than last year, for which there is joy. However, considering that there are more than ten thousand unsaved and unchurched people in Burke County, this brings sadness indeed that we have not done better.

Our record shows that we baptized 424 people in our churches — an increase of 74 over last year. For this we are most grateful. We also had 386 members who transferred their membership to churches in the communities where they live. Thus, we had a 41 decrease in transfers of membership.

Out of the 51 churches in the Catawba River Baptist Association, there were 49 which had revivals. Only 2 churches reported that there were no revivals this year. However, we had 5 churches which had no baptisms this year.

We are now in the last year of the Jubilee Advance. If indeed it is to be a jubilee we should pull out all the stops in our effort to reach these ten thousand un-reached peoples in our communities.

Be it resolved therefore, that every church in the Catawba River Association participate in the Jubilee Revivals in 1964. The date is March 29 through April 12. If your church has not decided yet to participate it is late, but not too late. Go back home and vote to have two weeks of preaching in your church with three Sundays. Your Pastor may preach one week and get an evangelist for the other week, or he may do both weeks. IT MUST BE TWO WEEKS to be counted a Jubilee Revival.

Will you join me in prayer that this year may be the greatest crusade in our day, and that the revivals will be of greater spiritual depth than ever before?

Respectfully submitted,
T. B. Deese
Chairman of Evangelism

Stewardship Report

The Cooperative Program helps us to see a total world Missions program. Through this means our churches are able to present a united front and to develop a unified approach.

Since 1925 the Cooperative Program has been the channel enabling North Carolina Baptists to support the world ministry committed to them by Christ in the Great Commission. With the gifts through the Cooperative Program the individual church shares in the denomination's program of witnessing, teaching and healing and preaching at home and to the ends of the earth.

The Cooperative Program is the love of God in action, the hands of Christ at work.

The individual Christian worships with tithes and offerings in his local church. The church plans a budget and decides what portion shall be given to all denominational causes through the Cooperative Progrom.

Contributions from the churches through the Cooperative Program for all causes are sent to the convention office in Raleigh. Southern Baptist Convention causes share the southwide part of the Cooperative Program dollar (presently the Cooperative Program is being divided 34% for southwide causes and 66% for state causes) in accordance with the wishes of the messengers from the churches to the annual meeting of the Southern Baptist Convention.

North Carolina Baptist Convention causes share in the Cooperative Program dollar in accordance with the decision of the messengers at the annual State Convention meeting.

By decision of the Special Convention in Greensboro our churches are urged to increase their giving through the Cooperative Program by at least 35%. By the same action the basic Cooperative Program of the Convention is limited to an increase of 5% through the next year. Receipts beyond the basic budget for the Convention make up an advanced section of the Cooperative Program and is allocated for expansion and capital improvement in the program of higher education through our seven Baptist colleges — (85% for colleges, 15% for student centers).

STEWARDSHIP DEVELOPMENT

Now available to our people in North Carolina and the Southern Baptist Convention, are two programs specifically designated to give Missionary Baptist churches "know how" in reaching their tithe potential, thus participating admirably in the great World Missions Program of Southern Baptists.

These programs are *The Forward Program of Church Finance* and *Growth in Christian Stewardship* — (the small "church program" — for churches with up to 300 members).

During the past Associational year 46 churches in the Catawba River Baptist Association gave a total of $73,992.98 through the Cooperative Program. Four churches, according to available records, did not contribute to the World Program of Jesus through the Cooperative Program.

In the years ahead, above all things, let us determine to be faithful to the guidance of God's Spirit and share with a lost world to the limit of our ability.

Respectfully submitted,
L. J. Culler

Dedication

Rev. S. M. Stroupe was born in Gaston County, the son of Anderson and Rebecca Morris Stroupe. He was converted and baptized at Alexis Baptist Church, Alexis, N. C. After his call to the ministry Rev. Stroupe attended Mars Hill College. Rev. Stroupe, a member of Connelly Springs Baptist Church, is now retired, having retired in December, 1962. Prior to retirement Rev. Stroupe's pastorates included Enon in the Catawba River Association, Alexis in the Gaston Association, Poovey's Grove in the Caldwell Association, and Mount Hebron in the South Mountain Association. He also served as the Superintendent of Missions in the South Mountain Association.

Rev. Stroupe's ministry has been directed toward churches in Burke County for better than twenty-five years. He has been and continues to be a humble servant of God in whatever ways and places the Lord can use him. Because of his effective groundwork the way is now easier for a number of the pastors in churches served by him.

It is to the Rev. S. M. Stroupe, servant of God and minister of the Gospel for more than forty years, that these minutes are dedicated.

CONSTITUTION AND BY-LAWS

Article 1. The body shall be called THE CATAWBA RIVER BAPTIST ASSOCIATION.

Membership

Article 2. (Sec. a) It shall be composed of regularly constituted Baptist Churches in Burke County and adjacent territory which shall be represented at its regular or special meetings of duly elected messengers in the following ratio:

1. Three for the first hundred members or fraction thereof and one for each additional hundred.
2. All ordained ministers who are members thereof or laboring in connection therewith.

(Sec. b.) The Association shall be the sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Provided: The churches so received shall agree and come under the Watch-Care of the Association for a period of one year. It is understood that during this period of probation such church or churches and its messengers shall be entitled to all the rights and privileges of the Association except that of holding office and voting. They may then be voted in as members of the Association in regular standing with full privileges.

(Sec. c.) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice, or that fails to represent itself either by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d) Any church may withdraw from the Association at its pleasure.

Objects

Article 3. The Objects of the Association shall be to advise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, The State Baptist Convention and the Association itself.

Power And Prerogatives

Article 4. This Association ought not to have, and shall not have any power to legislate, but may frame rules and advise plans, as an advisory council, for the faithful administration of the law of Christ.

Organizations

Article 5. The officers of the Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer, and Historian, who shall be elected at each

annual session, and the first two officers shall not serve more than two years in succession, and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next annual session unless for a cause removed or until their successors are appointed. In the event that any of the above officers move their residence outside the boundaries of the Catawba River Baptist Association they automatically cease to become officers of the Association. When such vacancy exists, the Executive Committee at its next regular meeting shall select a qualified person to serve until the next annual meeting.

RULES OF ORDER AND BY-LAWS

Article 6. The Moderator, or Vice-Moderator shall preside at all regular meetings. All officers shall faithfully discharge the duties of the office to which they have been elected.

(A) All business shall be conducted and all discussions shall be carried on in the manner prescribed in "Roberts' Rules of Order" when not otherwise provided in this Constitution.

(B) The method of voting shall be by the will of the body.

(C) A simple majority shall prevail in all cases except as otherwise provided by the Constitution, provided: that any member at any time may call for a secret ballot or a roll call on a doubtful issue.

(D) A ruling by the presiding officer shall be final unless appeal be had from such ruling to the entire body present.

(E) A question having been decided twice by vote in the same attitude at regular sessions of the Association shall not be reintroduced except by the consent of the body, expressed by a majority vote.

(F) The messengers of at least one third of the churches enrolled shall be necessary to constitute a quorum.

(G) The Association shall meet Thursday and Friday after the fourth Lord's Day in October; these meetings shall convene in different sections of the Associational territory if possible.

(H) Committees of the Association and their duties:

1. The Advisory Steering Committee shall be composed of twelve members as follows: Moderator, Vice-Moderator, Clerk, Historian, Treasurer, Associational Missionary, Chairman of Evangelism, Superintendent of Sunday School, Director of Training Union, Chairman of Brotherhood, President of W.M.U., and the Associational Music Director. These members shall automatically compose the Advisory Steering Committee by virtue of their elected offices and shall so function during their tenure in office. This committee shall hold meetings at regular intervals, and called meetings as needed. Duties of the committee shall be as follows:

Church Covenant

Having been led, as we believe, by the Spirit of God to receive the Lord Jesus Christ as our Saviour, and on the profession of our faith, having

been baptized in the name of the Father, and of the Son, and of the Holy Spirit, we do now, and in the presence of God, angels and this assembly, most solemnly and joyfully enter into covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit to walk together in Christian love; to strive for the advancement of this church, in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship ordinances, discipline and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expense of the church, the relief of the poor, and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings; faithful in our engagements, and exemplary in our deportment; to avoid all tattling. backbiting and excessive anger, to abstain from the sale and use of intoxicating drinks as a beverage and to be zealous in our efforts to advance the kingdom of our saviour.

We further engage to watch one another in brotherly love; to remember each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling, and courtesy in speech; to be slow to take offense, but always ready to reconciliation, and mindful of the rules of our Saviour to secure it without delay.

We moreover engage that when removed from this place we will as soon as possible unite with some other church, where we can carry out the spirit of the Covenant and the principles of God's Work.

"And may the God of Peace, who brought again from the dead our Lord Jesus, the Great Shepherd of the sheep, through the blood of the everlasting covenant, make us perfect in every good work to do His will, working in us that which is well pleasing in His sight through Jesus Christ; to whom be glory for ever and ever."

Articles of Faith

1. We believe that the *Holy Bible* was written by men divinely inspired, that it has God as its author, salvation for its end, and truth without any mixture of error for its matter; and that it is the supreme standard by which all human conducts, creeds, and opinions should be tried.

2. We believe the Scriptures teach that there is one, and only one, living and true *God;* that in the unity of the Godhead there are three persons, the Father, the Son, and The Holy Ghost; equal in every livine perfection, and executing distinct but harmonious offices in the great work of redemption.

3. We believe the Scriptures teach that *man* was created in holiness, but by voluntary transgression fell from that state, in consequence of which all mankind are now sinners, not only by constraint, but choice, and being by nature utterly void of holiness, are under just condemnation.

4. We believe the Scriptures teach that *election* is the eternal purpose of God, according to which He graciously regenerates, sacrifices and saves sinners; that being perfectly consistent with the free agency of men it comprehends all means in connection with the need.

5. We believe the Scriptures teach that the salvation of sinners is wholly of *grace,* through the mediatorial office of the Son of God.

6. We believe the Scriptures teach *Regeneration,* of the new birth is that change wrought in the soul by the Holy Spirit, by which a new nature not before possessed is imparted, and the person becomes a new creation in Christ Jesus.

7. We believe the Scripture teaches that *repentance* is a personal act promoted by the Spirit, and consists in a godly sorrow for sin, together with prayer for pardon, resulting in a persistent turning away from evil.

8. We believe the Scriptures teach that faith, as an evangelical grace wrought by the Spirit, is the medium through which Christ is received by the soul as its sacrifice and Saviour. It is an assent of the mind and a consent

of the heart, consisting in belief and trust.

9. We believe the Scriptures teach that the blessings which Christ secures to such as believe in Him is *Justification;* that justification includes the pardon of sin and the promise of eternal life; that it is bestowed not because of our works of righteousness but through the faith in the Redeemer's blood, being imputed to us of God.

10. We believe the Scriptures teach that *adoption* is a gracious act by which the Father for the sake of Christ, accepts believers to the estate and condition of children, by a new and spiritual birth.

11. We believe the Scriptures teach that *santification* is the process by which, according to the will of God, we are made partakers of His holiness; that it is progressive work, begun in regeneration and carried on in the hearts of the believers by the Holy Spirit through the continued use of the appointed means.

12. We believe the Scriptures that teach such as are truly regenerate will not *utterly fall away* and finally perish but will endure unto the end through their preserving attachment to Christ.

13. We believe the Scriptures teach that the law of God is the eternal and unchangable rule of His Moral government which is holy, just and good; and that the end of the Gospel is to restore men through a mediator to unfeigned obedience to his holy law.

14. We believe the Scriptures teach that a visible *Church of Christ* is a congregation of baptized believers, associated by covenant in the faith and fellowship of the Gospel, observing the ordinances of Christ, governed by His laws and, seeking to extend His Kingdom in the world; that its only Scriptural officers are pastors and deacons.

15. We believe the Scriptures teach that Christian *baptism* is the immersion in water of a believer in Christ, in the name of the Father, the Son and the Holy Spirit to show our faith in the crucified, buried, and risen Saviour, being also emblematic of our death to sin, and resurrection to a new life; that it is prerequisite to the privileges of a church relation and to the Lord's Supper.

16. We believe the Scriptures teach that the *Lord's Supper* is a provision of bread and wine, as symbols of Christ's body and blood, to be partaken of by the members of the church in commemoration of Christ's death; its observance should be *preceded* by faithful self-examination.

17. We believe the Scriptures teach that the first of the week is the *Lord's Day,* that it is to be kept sacred to religious purposes by abstaining from all secular labor, except works of mercy and necessity, by the devout observance of all means of grace, both private and public.

18. We believe the Scriptures teach that *civil government* is of divine appointment for the interest of good order of human society; that magistrates are to be prayed for, conscientiously honored and obeyed, except only in things opposed to the will of our Lord Jesus Christ, who is only Lord of the Conscience; that civil rulers have no right to control over, or of interference with, religious matters.

19. We believe the Scriptures teach that there is a radical and essential difference between the *righteous* and the *wicked,* and this distinction holds among men both in this life and after death.

20. We believe the Scriptures teach that at the *Last Day* Christ will descend from Heaven, raise the dead from the grave, and set up His Judgment Throne; that the wicked will be adjudged to endless sorrow, and the righteous to endless joy; and this judgment will fix forever the final state of men in Heaven or Hell on principles of righteousness.

21. We believe no ministers have a right to the administration of the ordinance only such as are regularly called and come under imposition of the head of Presbytery.

REPORT ON STATE MISSIONS

What is the purpose of the State Mission effort? In simple terms, it is to help people. We as Baptists must never lose sight of our heavy responsibility in North Carolina. Baptists comprise nearly one-fourth of the State's population and approximately one-half of the state's church membership. Ours is the number one religious body in North Carolina, and, consequently, ours is the number one responsibility. North Carolina has approximately 2,000,000 above the age of eight years who are not members of any church. Are we meeting the responsibility within our own boundaries?

State Missions start at our own back-door — our own Church — and spreads over the world. The purpose of the State Missions program is: to share the gospel of our Lord with all the people of North Carolina; to strengthen local churches in their work; to create new churches; and to cultivate a spiritual climate favorable to Christian life and the development of a Christian society.

Of the 3,400 Baptist churches in the state today, more than 2,000 of them were once aided in one way or another by State Missions. These include some of our largest and strongest church. This is how strategic the State Missions is today.

State Missions is like a two-way road. One lane of this highway leads from our church to every part of North Carolina. The other lane leads back to our church.

Through State Missions, people and churches are helped in every area of the Christian life. With our gifts we grow something lasting. We are helping people to know Christ. We are helping to make the area just outside our own backdoor a better place in which to live.

Respectfully submitted,
Dean H. Jones

Report of the Executive-Promotion Committee

Four regular meetings of the Executive-Promotion Committee were held at Pleasant View Baptist Church. Below are listed a few of the highlights of the meetings.

January 3, 1964: This meeting included the reports of the various organizations. We authorized the Finance Committee to decide how much could be paid on the $500.00 note we owed at the First National Bank, and to refinance the rest. We also decided to have our first Long-Range meeting February 3, 1964. Our Missionary informed us that River Valley had withdrawn fellowship from the association. We gave the associational missionary permission to attend a seminar for associational missionaries at Southern Baptist Seminary January 13-21, 1964.

April 13, 1964: We were informed that our note at the bank had been reduced to $250.00 with prospects for paying this off real soon. We heard reports from several organizations. On recommendation of the Advisory-Steering Committee we passed the following recommendations: (1) Since the Long-Range Planning Program of the Baptist State Convention has been discarded, the various organizations are asked to plan and set dates for major emphasis of work for the next four years; (2) a survey and Sunday School Enlargement Campaign in 1965; (3) an Evangelism effort and Training Union Enlargement Campaign in 1966; (4) a Music, Brotherhood, and WMU effort in 1967; (5) and a School of Missions in 1968. That the association buy a new Olympia typewriter for the office. The Advisory Steering Committee was asked to see about getting a summer worker.

July 3, 1964: We heard the report of the various organizations. The Sunday School recommended that we have a pastor-led Sunday School Enlargement Campaign, September 19-25, 1965 and it was approved. The following recommendations of the Advisory-Steering Committee were approved:

1. That February and March of 1965 be set aside for a community survey leading to the pastor-led Enlargement Campaign.
2. That a School of Missions be planned for 1968.
3. That the Advisory-Steering Committee be authorized to get a speaker for the annual meeting a year ahead.
4. That Oak Grove Church be approved for State Aid for Pastor's supplement for the amount of $4060.00

We elected, for 1964-65, the following: Sunday School Superintendent, Training Union Director, Music Director, WMU President, and Brotherhood President.

October 5, 1964: Reports were given by the organizations. We accepted the following recommendations of the Advisory-Steering Committee (1) The association have a major Training Union effort October 9-14, 1966. (2) That the association have a one night Stewardship Clinic and also a one night Audio-Visual Aids Clinic in 1965. (3) That we secure a summer worker for 1965.

The proposed budget as recommended by the Finance Committee was approved as given.

Respectfully submitted,
Executive-Promotion Committee

Report of the Associational Missionary for 1964

Associational Missions is a vital part of the total World Missions program. The program of work among churches in a district association, as planned and promoted by the associational officers, committees, and missionary, is Associational Missions. The purpose of this program is to help the churches do, and do better, the job that Christ has commissioned them to do. It has no other reason for existence. This good cannot be fully realized by the churches unless they participate, no more so than an individual church member can receive good from the church program unless that member participates. The district association is the unit of cooperation in Baptist life that is closest to the local churches. Cooperation is a two-way street. The churches need the associational program as the best means of cooperation with the denomination. The denomination needs to effectively use the association, not only as a channel to reach the church with the denominational program, but also to give the churches a means of effective communication with the denomination. The better we do these things together the more the Holy Spirit will be able to bless us with good fellowship and joy in effective service.

While leading in the planning, coordination, and promotion of this program of associational missions the associational missionary has the privilege of reporting the following:

Suggested Sunday School Report To The Association

The Great Commission of our Lord is just as relevant in our generation as it was in the first Christian century. We are to "*Go* and *teach* all nations, *baptizing* them in the name of the Father, and of the Son, and of the Holy Ghost, *teaching* them to observe all things . . . . "

The Sunday Schools of our churches have been assigned the tasks of outreach, teaching the Bible, leading all church members to worship and witness daily, providing opportunities to perform the personal ministries of the church,

furnishing workers for various projects, and interpreting the work of the church and denomination.

Dr. A. V. Washburn, Secretary of our Southern Baptist Sunday Schools, says, "Before outreach can become a continuing reality, our churches must get their programs in the right order. The natural order is the reaching of people, winning of the lost, and the development that should come out of it."

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. In order to achieve this goal we must gain approximately 30% in the next six years. In North Carolina we are challenged to reach a Sunday School enrolment of one million by 1970, or a gain of 29%. This tremendous task of outreach must have priority.

We are asking each Sunday School in our association to accept an enrolment increase of 2% for 1965, 3% for 1966, 4% for 1967, 5% for 1968, 6% for 1969, and 7% for 1970. We will grow great Sunday Schools as we show compassionate concern for the unreached. *Evangelism, stewardship, missions, discipleship*—all of these wait upon outreach. *People* must be our concern.

These enrolment gains can be realized by organizing new Sunday Schools (a new Sunday School will gain 30); the creation of the Extension Bible classes (each will gain 10); the starting of new adult classes (each will gain 6); the activating of Extension, Cradle Roll, and Young People Away departments (each will gain 6); and enrolling Vacation Bible School pupils not in Sunday School.

If we will follow the simple growth formula advocated by Dr. Arthur Flake many years ago — locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people — we will experience the glorious opportunity of reaching people for Bible study that they might become followers of Jesus Christ.

Along with an accelerated emphasis upon outreach, each Sunday school is urged to observe January Week of Bible Study, to plan a church and mission Vacation Bible School, to promote Operation Home Study and other opportunities of training in the Church Study Course, to cooperate in the Adult Thrust effort to reach thousands of Adult church members not enrolled in Sunday School, to participate in the associational Sunday School projects-clinics, conferences, enlargement campaigns, and to encourage workers to attend the Sunday School emphases at North Carolina Baptist Assembly, Fruitland, and Ridgecrest. As our Sunday Schools go, so will our churches go.

Our Sunday Schools in the Association reported a total enrolment in 1964 of 12,375 as compared with 12,148 in 1963, a gain of 227.

Even though we are gaining ground in enrolment (for which we are thankful) we remain 85 short of the 1962 Sunday School enrolment of 12,460.

Let us put forth every effort to win all prospects for the church in 1964-65. Let us reach, teach, win and develop those persons who are our possibilities and responsibilities. The Pastor Led Sunday School Enlargement Campaign in September 1965, (this and other objectives) will greatly aid us.

Report On Christian Education

"Teaching them to observe all things whatsoever I have commanded you," is the challenge of the living Lord to His churches. This is the task of Christian education.

Modern psychology teaches us that the patterns of life become fixed in early childhood. Parents are under the mandate from the Lord to religiously educate their children. This means that Christian education begins in the home and is complimented and supplemented by the church and the schools.

North Carolina Baptists have seven colleges which they support through the Cooperative Program; however, this support only amounts to 7.5% of the operating budget in our institutions of higher education. We are now faced with a financial crisis since both the state and federal government has entered the field of higher education to provide an opportunity for every boy and girl who wants an education. This means we will have to receive addition-

al financial assistance from some source if we are to keep our colleges on the high level they now operate and make progress in the future.

How can the churches assist the program of Christian education as carried on by our Baptist colleges?

1. We can inform the people in our churches about our educational program and lead them to face the problems as well as the opportunities in our Baptist colleges.

2. We can lead our young people to attend a Baptist college where they will receive the best instruction in a Christian environment.

3. We can lead our churches to give a larger share of their budget through the Cooperative Program.

4. We can strengthen our world missions program by praying "The Lord of Harvest to send forth laborers into His harvest." This is God's method of leading young people to enter the various field of Christian Service.

Southern Baptist Protection Plan

NEW "LIFE BENEFIT PLAN" IS OFFERED TO CHURCH AND DENOMINATIONAL EMPLOYEES

Every pastor, church and denominational employee is eligible for the new group term Life Benefit Plan being offered by the Annuity Board, regardless of whether they are a member of one of the Board's retirement plans. The Board is currently in a campaign to enlist 3,000 members needed to put the Life Benefit Plan into effect. This campaign has been very successful, and the plan is now in effect, as of October 1, 1964.

COST IS LOW—The new plan provides low cost life protection to members while in active service, during disability or in actual age retirement. Cost is only 1% of the annual salary basis, with minimum basis of participation set at $4,000 and maximum at $12,000. Minimum payments will be $3.34 a month and maximum payments, $10.00. Car expenses, housing and utility allowance, etc., may be added to the cash salary to allow the member to pay on a larger amount. All participation is on even thousands, and the cost remains the same every year unless the member's salary increases and he wants to increase payments accordingly.

BENEFITS ARE LARGE—The widow or beneficiary of a member 45 or under will receive 2½ times his salary basis of participation in the event of his death. Thus a widow of a man 44 years of age who was paying on a $12,000 salary basis would receive $30,000. If death was accidental her benefit would be twice this, or $60,000. After the member passes 45 benefits are scaled downward by 1/10th of a percent each year as he gets older. At age 65, the member who joined during the first year of eligibility and paid at least 10 years continously prior to retirement will have a paid benefit of $1,000, or an amount equal to total contribution, if less than $1,000. In case of total and presumably permanent disability, the members payments are waived, but his coverage continues.

MEMBERSHIP IN RETIREMENT PLANS

As of May 1, 1964, there were 16,251, or 50% of the total churches in the Southern Baptist Convention participating in the Annuity Board's retirement program with their pastors. Out of 174 educational institutions, hospitals, children's homes, homes for the aged and other southwide agencies, 118 are enrolled in an Annuity Board plan with their employees. Total membership in the Board's retirement plans is approximately 25,000. Twenty-seven of our pastors and ministers of music and education are participants here in our association.

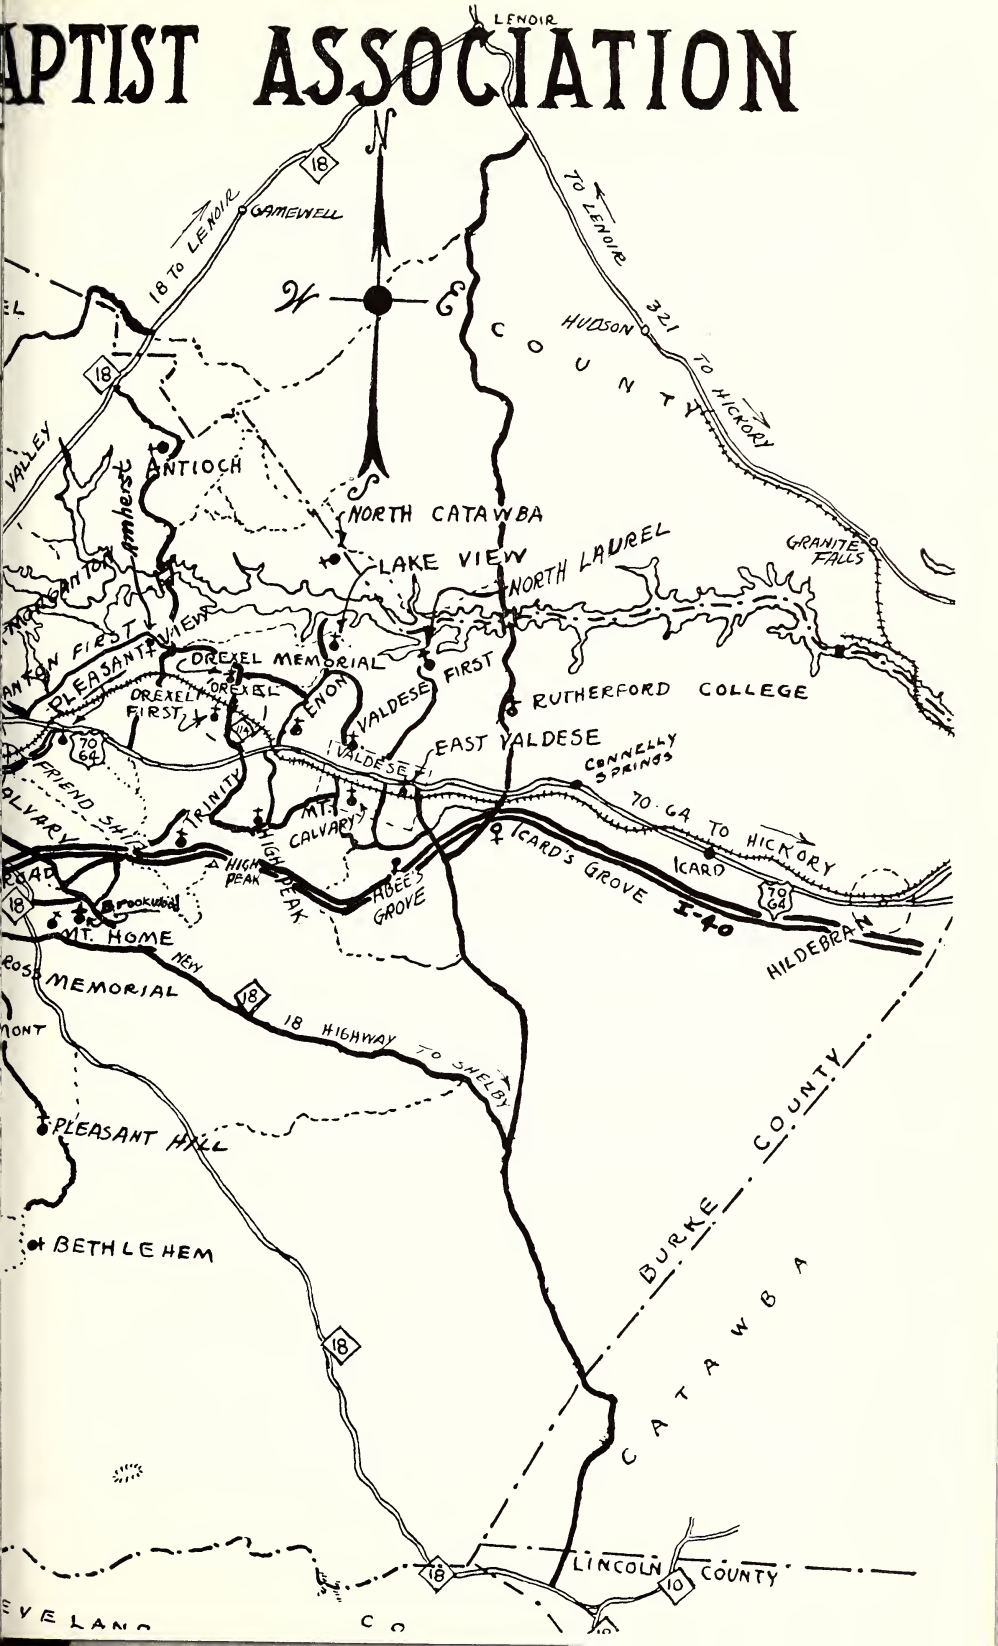
APTIST ASSOCIATION



BENFITS PAID

More than $43½ million dollars have been paid in relief and annuity benefits by the Annuity Board since its beginning in 1918. Last year these benefits were more than $3¼ million, and were paid to ministers and denominational workers or their families who were members of a retirement plan, and to those on the relief rolls.

Woman's Missionary Union Report

Our associational Woman's Missionary Union is composed of missionary organizations in 41 of the 50 churches in the Catawba River Association. The associational WMU serves as a connecting link between the State WMU and the local church.

There are:

Forty-one churches with missionary organizations
Nineteen of these churches have organizations for all ages.
One hundred and seventy-nine (179) missionary organizations compose our WMU Association.

We have not grown in the number of organizations this year but the quantity of work is very good;

In 1963, 30 organizations received recognition.
In 1964, 48 organizations received recognition.

There are:

12 Honor organizations
19 Advanced organizations
17 Approved organizations

Our association is an approved Association.

Listed are the WMU Associational activities:

WMU Officers' Clinic
Quarterly Executive Board meetings
Leadership Training Conferences
Annual meeting at Zion
2 YWA Council Meetings
2 GA Associational Meetings
1 Sunbeam Day Camp
2 Mission Study Institutes.

These activities had as their purpose to promote missions. The WMU affects the church, the community, and the world. "No force on earth can control what God can do with Christian minds educated and Christian hearts motivated to action." The missionary-minded women challenge this association to be "about the Master's business."

Brotherhood Report

During the past year we had four associational Brotherhood meetings. Last July me met with the RAs at South Mountain Baptist Camp for an afternoon of fellowship and recreation. During the afternoon, Rev. J. E. Pearson, our Missionary, gave a wonderful demonstration of Campcraft to the boys, which was really enjoyed by all. The meeting closed with a good meal, and an inspirational message by Rev. J. Roy Robinson, pastor of the First Baptist church, Hickory.

During the year we have visited in 14 of our churches and spoken in 12.

A new Brotherhood has been started at North Laurel Baptist Church, which makes a total of 32, with a total enrolment of 1264, including the RAs. The loss in the total program of 26 is due to the loss in the Royal Ambassador program. The men's work gained 45 in enrolment.

Men, we are still weak in our RA Program. Let's get busy and do more for our RA boys in the coming year. As our Brotherhood so aptly says . . .

"Rise up, O men of God, have done with lesser things;
Give heart and mind and soul and strength
To serve the King of Kings."

American Bible Society

The Holy Bible is the foundation of our Christian faith.

Nearly 150 years ago Christians realized that the Bible must be made available to all who desire it, regardless of ability to pay. This is the way the American Bible Society was founded.

God's Word For A New Age

A great new program by all American Societies. The goal of this program is to increase Scripture distribution around the world to 150,000,000 copies annually by 1966. The ultimate objectives are:

A Bible for every Christian home
At least a New Testament for every Christian
At least a portion for all who can read
An opportunity for every Christian to distribute Scriptures in personal witness

The American Bible Society has pledged itself of distributing 75,000,000 copies annually by 1966. This is one-half of the world goal.

The Bible Around The World

If all the world reads about Jesus they must have the Bible, in many countries people cannot afford the Bible. The Bible is the essential tool of missions and evangelism.

In 1963 the American Bible Society put the Word of God in the hands and hearts of men in more than 120 countries and 300 languages.

The Bible At Home

Within the nation last year the Bible Society distributed a record number of Scriptures: 542,718 Bibles; 1,262,460 Testaments; 4,722,967 Portions, and 11,308,750 Selections, including the Christmas and Easter stories.

Bible For The Blind

For 129 years the Society has been providing Scriptures to those without sight. In cases of special need, copies are supplied free of charge or at a reduced price.

Translations

By the end of 1963, some part of the Bible had been published in 1,216 tongues and languages.

Will you help to send the Word to the ends of the Earth?

Respectfully submitted,
James Calvin

Home Mission Report

The Home Missions Board of the Southern Baptist Convention now has 2222 Missionaries who work in all parts of the United States, including Hawaii and Alaska, the Canal Zone, San Blas Islands, and Cuba.

The Home Mission Board tries to reach many people here in our own

country who would ordinarily never hear the Gospel for reasons of custom, geography, or speaking another language. Today the Home Mission Board has 908 missionaries working with 15 different language groups. In this number are those who work with the deaf, the migrants, the San Blas Indians, in the Canal Zone, and Cuba.

There are 78 missionaries who work with the National Baptists (as State Directors, Center Directors and teacher-missionaries); 152 missionaries in the Metropolitan-Missions, in Mission centers, Good Will Centers, Juvenile Rehabilitation workers and Jewish workers; 103 missionaries who labor in the Urban-Rural Missions as Area — Mountain and Associational Missionaries, and Pioneer Missions. There are 60 missionaries already hard at work, with the great need for this phase of the work—many more mission pastors to serve in the Pioneer and Urban-Rural Missions.

The Annie Armstrong offering for Home Missions is a major part of the budget for the Home Mission Board. The money is used to convert the heathen of our own land.

The Catawba River Association churches gave $5540.00 to Home Missions in 1964. As we think of millions of lost Americans and thousands of churchless communities let us redouble our efforts to make America Christian by doubling our Annie Armstrong for 1965.

Foreign Missions Report

Southern Baptists now have 1875 foreign missionaries under appointment, including 31 missionary associates in 56 political entities of the world.

The most pressing needs are for people to serve in the field of evangelism, church development, theological education, nursing, student work, and religious education.

Reported figures on evanglism, including estimates on China, all of 2822 national pastors, 3,943 churches, 6,999 chapels, 540,849 enrolled in Sunday schools, 41,147 baptisms, and 523,603 church members, with most churches reporting Sunday Schools and many other church affiliated organizations.

Southern Baptists gave $10,949,857.35 through the Lottie Moon Christmas Offering in 1963, and gave in 1963 a total of $21,431,202.10 to Foreign Missions, including the Lottie Moon Christmas Offering.

Baptist schools, 1,076 in number, overseas enrolled 170,356 students. These are served by 6,160 national and missionary teachers.

In medical missions work there are 19 hospitals and 41 clinics, with a total of 1, 326 beds. These are served by 56 missionary and 99 national physicians, plus 55 missionary and 209 national nurses.

Publishing centers produced 12,965,885 pieces of literature last year. Sixty-four missionaries and 335 nationals do this work.

One hundred and thirty-four persons work at the Foreign Mission Board's home office.

The Commission reported an average circulation last year of 90,728.

Most of the Nationals who are reported serving in our missions program now are products of our Foreign Missions effort.

South Mountain Institute

The South Mountain Institute is one of the smaller child caring institutions in North Carolina. It is also a little different from similiar institutions in many ways. One of the ways in which it differs is the type of child it admits and the small amount of red tape involved in admittance. We do not admit children who have been judged guilty of misdemeanors. We have and do take children who are on the verge of becoming delinquents, and so far we have been fairly successful in working with this type child.

At the end of our 1963-64 fiscal year, which ended September 30, 1964, we had 49 children, 24 boys and 25 girls. The majority of our children are 12 years old and older. This group includes children from the second grade to the third year in college. We have 2 in college and 3 Seniors in High School.

Our children come from Burke and McDowell Counties. They are given a 2 weeks vacation each year, (with some exceptions) and most of them get to go visiting from Christmas day until the end of the year. Children are not permitted to spend vacation and holidays with anyone other than a relative.

I extend to each of you sincere thanks for being so conscious and generous of our needs at the institution. We deeply appreciate the offerings that you send. Some come monthly, some quarterly, and some as special offerings at the end of the year. A few include our institution in their budget for a definite amount each year. Of course most of you contribute to our needs through the United Fund and we could not begin to fulfill our obligations to these children without the help of all these sources.

The children at South Mountain Institute may be your neighbor's children or your neighbors relative, or they may even be related to you. In any case the institution deserves your consideration, and if your church is already contributing to our support it is greatly appreciated. You who do send offerings at

least once a year might think in terms of a little Home Missionary work.

As we undertake our daily tasks we need God's help and we solicit your prayers and your thoughts of good fellowship to sustain us in our efforts.

We appreciate the growing ministry of Oak Grove Baptist Church for our boys and girls and our staff.

Stewardship Report

"Let a man so account of us, as of the ministers of Christ, and stewards of the mysteries of God. Moreover it is required in stewards that a man be found faithful." I Corinthians 4:1-2.

When we became a child of God we became a steward of the mysteries of God, and, therefore, must give an account of ourselves to God. We, of necessity, became a steward when we accepted Jesus as our Saviour; but the emphasis is not on the steward, but on the faithfulness of the steward.

Stewardship is not only a required duty, but is a wonderful way to express our love for God and to God. It reaches beyond material things; it engulfs the whole of man. Some one has said that stewardship involves our time, talents, and tithes.

God's program of Christian Stewardship cannot be improved. His plan to finance His cause is laid down in His Word. "Now concerning the collection for the saints, as I have given order to the churches of Galatia, even so do ye; Upon the first day of the week let everyone of you lay by him in store, as God hath prospered him, that there be no gatherings when I come." I Corinthians 16:1-2. True stewardship is putting God first. God does not expect his people to use the means of the world, and their ways, to promote His cause. If our people knew God's plan, and would really do it, I'm sure that the needs of God's work would be graciously and adequately met.

How much of us belongs to God anyway? Some may say, "The Bible says one-seventh of our time and one-tenth of our income." I think that the matter of stewardship goes far beyond this. We concentrate one-seventh of our time to the Lord, but ALL our time belongs to God. That which we do at all times must be pleasing to God. We separate one-tenth of our income to the service of God but we are also responsible for the nine-tenths that is left.. "Our talents may be few, these may be small, but unto Him is due our best, our all."

There must be the dedication of our lives unto God for the leadership and power of the Holy Spirit. This certainly would include the whole mind, soul, and body. Christian stewardship is rooted and grounded in the foundation of Divine Love.

Notice the wording of the second verse of I Corinthians 4. "Moreover it is required in stewards, that a man be found faithful."

Francis L. Whitmire

Missions' Committee Report

The Missions Committee is happy to report that dissemination of missions information and material among the churches, the promotion of total World Missions program by pastors, leaders and organizations in the churches, the continuing ministry of our Baptist papers, magazines, and other literature, and the promotion of mission studies by the WMU, and the successful Schools of Missions in our association this year, have all contributed to the increase of almost $21,000.00 in total missions gifts, including an increase of more than $9000.00 in gifts through the Cooperative Program, and good increases in giving to all other phases of World Missions.

During the Schools of Missions, 28 of the 31 participating churches offered 245 graded mission study classes, with an enrolment of 2293. All participating churches heard a variety of missionaries, with an average attendance of 3486

in the 31 churches. During the schools there were 11 professions of faith, 31 dedications to church-related life work, and many re-dedications.

There is increased interest among our churches in ministry to the Silent People, with 2 of our churches sponsoring classes for them, and 2 providing interpreters for worship services. Our churches must be increasingly aware of the needs of the local concentration of Silent People, and their families, and the families who are moving to this area to be near the retarded in Western Carolina Center, and the mentally ill in Broughton Hospital. This is a special ministries area in which our churches can render great service.

The Missions Committee recommends that the churches cooperate in census or survey efforts to be set up by areas throughout the association, and in the preparation of identical, mimeographed books of the findings of the surveys to be made available to all participating churches, at the expense of the churches. These surveys are to be made in given areas at times chosen by the participating churches in the area. The Missions Committee will cooperate with the associational Sunday School organization and other committees to assure the success of these surveys.

The only missions sponsored by our churches are institutional missions. Fourteen of our churches sponsor 33 of these as follows,

Ward Services at Broughton Hospital — 21
Prison Camp services — 2
Rest Homes — 3
Valdese General — 7

The population of Burke County is increasing at the rate of 1.5% per year, or 800-1000 people; yet our churches are reporting very small net gains in total membership each year — and many thousands of people unreached. We have drawn to the close of the Thirty-Thousand Movement without a single church sponsoring branch Sunday Schools or new churches in our area. During this same period there have been 9 new work efforts started in the associational territory, only one of which was started as a result of survey to determine needs, and this one was closed. Only 2 of those efforts have resulted in churches that have become part of the association, and 3 others are continuing as unaffiliated churches.

Cooperative work with Negro Baptist churches is limited to only one Negro Vacation Bible School, and some causal communication with pastors of 2 churches.

Report On Temperance and Morals

Americans consumed more liquor in 1963 than in the year before.

The Distilled Spirits Institute, Inc., reports that Americans drank 258,979,291 gallons, or 1.37 gallons per person, last year. This is the sixth year in succession for an increase in both total gallonage and per capita consumption.

It is estimated that 75 million Americans are using alcoholic beverages and one out of fifteen of these drinkers is suffering from alcoholism. The annual cost of alcoholism to our society is well over $1 billion and the yearly expenditure of $12 billion dollars for intoxicating beverages far exceeds what is given to the churches of our nation.

Dr. Caradine R. Hooton says: "This is the year, and in some instances the moment, for churchmen to make up their minds whether to 'drink or not to drink' that is the question. Whether 'tis nobler in the mind to seek escape in scotch-on-the-rocks, or to take arms in noble sobriety against a sea of troubles?" There has never been but one answer to the alcoholic beverage question for the genuine Christian; he refuses to consume the drink in any manner whatsoever. Regardless of the claims and allures of the liquor industry, the statement in Proverbs 20:1 still stands as the wise policy for all concerning alcoholic beverages: "Wine is a mocker, strong drink is raging: and whosoever is deceived thereby is not wise." Or as the Moffat translation gives it: "Wine

means mockery, liquor means brawling; there is no sense reeling under drink."

Liquor is a curse to America. The legalized liquor traffic has increased immorality, wickedness, crime, corruption, rejoiced the devil and grieved God. As Christians, we must do all within our power to destroy the liquor traffic. Someone has truthfully said, "The liquor traffic would destroy the church if it could, and the church could destroy the liquor traffic if it would."

The accepted moral standards of our day reveals to us that public morals are far from being what they should. The shame of our "so called Christian nation" is the pagan-like morals that we permit to exist. We need to hear again the Word of God: "It is time to awake out of our sleep: the night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light." Romans 13:11,12.

Training Union Report

The major emphasis of our Training Union Program for this past year has been the Baptist Heritage series of graded studies, and special program materials.

The alternate plan of the Adult Union organization and the alternate plans for program presentation have provided fresh interest in Training Union work this year. Units of Study, which vary in length, and offer a choice of subject matter, encourage church members to respond, at least, for special study.

There were 135 people present for the one Youth Rally we reported this year.

Training Union enrolment dropped in our churches this year by 169. The association organization hopes to lead the way in renewed effort to strengthen Training Union work this year.

The Training Union is a supporting organization; and we intend to make Training Union support the church in its total program, rather than to deplete our strength simply supporting the TU organization.

We express appreciation for the service of Mr. Richard Harrison, our former Training Union Director, who has now entered Gardner-Webb College to study for the ministry. He has just been ordained, and is serving as pastor of Mount Olive Baptist Church.

Baptist Children's Home — 1964

Helping children and young people to grow an develop toward Christtian maturity is one of the greatest privileges in life. It is the purpose of the Children's Homes to develop the highest quality of men and women possible out of boys and girls who are served. Careful attention is given to their needs, both present and future.

Children are accepted as they are when they come to the Homes. In the spirit of Christ, they are recognized for their sacred worth and value. They are provided food, clothing and shelter. But of greater importance than material things is the genuine interest, concern and love given every child by the Christian men and women who work with them. Many children who have known only heartbreak and tragedy learn to love again — learn to trust in themselves, in adults and in God.

A member of this year's senior class expressed her appreciation for the Children's Homes in the following way: Living at one of the Homes has given me a chance to make something out of myself. I have been afforded the opportunity of getting a good education. Things have been learned and friendships have been formed which will bless my life as long as I live. Best of all I have learned to know, to trust, to follow and to serve Christ as my Saviour. I want North Carolina Baptists to know how very much I appreciate all they have done for me and for thousands of other boys and girls who have needed

a home, love and care."

Applications for the admission of children to the Homes far exceed resources with which to care for them. Areas of unmet need in child care await our attention. Many couples who have a double measure of love to share with homeless and dependent children have a wonderful opportunity of service awaiting them through the foster home program.

Genuine appreciation is expressed by those who direct our child care program for all who have helped to make this ministry possible. Income through the Cooperative Program, through the Thanksgiving offering and through special gifts are vital to the services which are provided those who need our help. Financial support for the past year has come from the following sources:

Cooperative program	36 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-Month Offerings	15 Per Cent
All Other	19 Per Cent

Most North Carolina Baptists are well acquainted with *Charity and Children*, official publication of the Baptist Children's Homes. This unique newspaper is published each week and goes to more than 55,000 subscribers. Well over half the Baptist Churches in the state receive it in bundles for distribution to the members on Sunday. See that your church receives *Charity and Children* so that every family may be better informed about the work of North Carolina Baptists, and particularly about the program of child care. The subscription price is sixty cents per year in bundle form.

The churches of our association gave $5,598 to the child care program this associational year.

North Carolina Baptist Homes For The Aging

1964 ASSOCIATIONAL REPORT

Our Baptist Homes have just completed their 13th year of operation and are entering into the 14th year with eager anticipation and enthusiasm. God has blessed these brief years with an abundance of His love and with good things of life. Growth has been rapid, the development of facilities amazing, and the need for additional space staggering. We have come from 1 resident and 1 building, since March 1951, to 160 resident and 4 buildings in 1964. Today there are 170 people waiting for admission. There are hundreds of inquiries during any given year from aging persons who are sick, for whom we cannot care because of lack of bed patient space. We must give an answer to these good people and begin now making plans for a nursing facility that will be large enough to receive some of these who are sick or invalids, at admission.

The choicest bit of news for 1964 is the development of a 5th Baptist Home to be located at Yanceyville, North Carolina. We are hoping to begin construction on this new project during this year, and thus the burdens of our hearts will have been relieved, in a measure, by being able to care for 30 additional residents. The Home at Yanceyville is the greatest single bequest that has ever been left for us in our ministry. Enough land at Yanceyville and money were given to the Baptist Foundation of North Carolina for us, by the late R. Sterling Graves and his sister Mrs. Sallie Willie Graves Bradsher, to build and equip the Home there. Even so, we will still need to look to our Baptist people for the maintenance of this Home and for assistance in supplementing needy residents who will live there through the years.

Today North Carolina Baptists are contributing an average of $90.00 a month on the cost of care of 90% of the residents who live in our 4 Baptist Homes at Resthaven and the Hayes Home in Winston-Salem, at the Albemarle Home and Hamilton Home. This support comes through the Special Day Offerings, received in the churches on the third Sunday in February each year, through designated gifts from church budgets, and through the Homes' share in the Cooperative Program. These needy residents could not possibly be with us, nor could they receive the loving care, that they do, if it were not

for the gifts from our 3400 Baptist churches. Earnest heed should be given by each church, therefore, towards increasing of Special Day Offerings and designated gifts to the Homes. This should be emphasized especially in view of the fact that there was a 5% decline in gifts to the Homes during 1963. We will not have an accounting on gifts for 1964 until September, but we can only hope that there will be a considerable increase.

Life among the resident these days is most interesting and filled with a variety of experiences. The youngest resident celebrated her 66th birthday in January, and the oldest her 103 birthday in July. Some are doing creative writing, others sewing, gardening, teaching, painting, and living a good life in general. All are praying for a world and its needs. All are expressing thanksgiving to God for the people called "Baptists," and for the happiness and security of the Homes that our Baptist people are helping to make possible for them.

There is nothing to prevent our receiving any needy aging person, 65 years old and above, who is reasonably well, mentally and physically except lack of space. Let us join our hearts in prayer and our lives in dedication that we may give a good account of our stewardship in this area of human concern and give an answer to as many of these dear people as possible.

Respectfully submitted,
Carl Bowen.

Report of Music Committee

"Every good hymn learned and loved is another window through which the worshipping soul looks toward heaven." Good church music is not an end in itself. It is a means to the end that the lost may be saved and the redeemed brought closer to God. Thus the objectives of the Church Music Committee is to assist churches to worship through music.

Our committee has provided music for associational nights, the School of Missions rally, and the annual session of the association.

The following churches had one or more choirs to participate in the graded choir festivals: Morganton First, North Morganton, Drexel First, Valdese First, and Mt. Calvary.

This year, in addition to the above, we plan

(1) a Carol Sing
(2) to assist churches that need specific help when called upon to do so.
(3) to promote Music Expansion Week, August 15-22.
(4) to explore the possibilities of a school of music in 1965-66.
(5) to encourage attendance and participation in such places and events as Caswell, Ridgecrest, Fruitland, and other leadership clinics on the local, regional, and state level.
(6) to meet at least once a quarter.

Church Library Report

The Church Library Ministry among the churches in the Southern Baptist Convention has had a phenomenal growth in the past year or so. Almost every month news comes of many new church libraries and new or re-activated libraries, and this year many new associational library organizations have been set up. The church library should be a resource center for the entire church program. The Broadman Readers' Plan and Free Library Offer are correlated. Churches desiring libraries are asked to call the associational office, or write to Mr. Wayne E. Todd, Secretary, Church Library Department, Southern Baptist Convention, 127 Ninth Ave., N., Nashville 3, Tennessee 37203.

The associational officers will be glad to help the churches in promotion of the library ministry.

Report of The N. C. Baptist Foundation, Inc.

In the widest sense Stewardship "is the maximum use of one's life for the glory of God and the good of mankind." The North Carolina Baptist Foundation, Inc., encourages the stewardship of Current Income in systematic and proportionate giving from current income. The Foundation also encourages the Stewardship of Accumulated Possessions by single block giving at infrequent interval from accumulated income during one's lifetime and/or at one's death. You will note that the Baptists have put the major emphasis on the Stewardship of Current Income. The Baptist Foundation seeks to put a stronger emphasis on the Stewardship of Accumulated Income. There are many ways the Foundation assists a person in making his gifts through accumulated income such as: (1) by living trust, (2) by gift annuity, (3) and by bequests in wills.

The Foundation also serves by meeting with you and your attorney upon your request in connection with preparation of legal documents where the Baptist Foundation is to be involved. The Foundation offers services to individual churches, associations and to all of our Baptist agencies and institutions.

We have been emphasizing the making of Christian wills. We have two films, "God's Will Through Yours" and "Treasures In Heaven," on Christian will making, which are available to any organization upon request.

Gordon Maddrey, Executive Secretary

Report on Christian Literature

Jesus said, "Thou shalt love the Lord thy God with all . . . thy mind." One who loves the Lord seeks to develop his mind through all available means. As Jesus increased in wisdom so must His disciples increase in wisdom that they might be more effective disciples.

As an aid in the development of our minds and the building of strong Christian character, North Carolina Baptists are doubly blessed by publication at both State and Southern Baptist Convention levels.

At the State level the *Charity and Children* paper is a valuable instrument in keeping us informed about our Children's Homes, and in bringing to our attention matters both state and southwide that we might not otherwise have brought before us.

The *Biblical Recorder,* under the direction of Marse Grant, is performing a signal service for North Carolina Baptists. This publication would be difficult to surpass for its editorials, promotional issues, and for the reporting of significant events at both state and south-wide levels of Baptist life.

At the Southern Baptist Convention level, the Home Life with its many helpful articles and devotional materials and the Open Windows with its devotional material is available.

A valuable publication which some churches overlook is the *Baptist Student,* a magazine for those going away to school. This magazine is available on one of the two plans, for any church that desires it.

Our mission literature under the direction of the Foreign and Home Missions Boards is aptly presented by the *Commission* and *Home Mission,* respectively. In these publications Southern Baptists can see their dollars, prayers, their love, and their sons and daughters at work for the Lord Jesus.

The Sunday School Board continues the Broadman Reader's plan. Three books a quarter can be had for only $3.00, a balanced reading diet for 3½ cents a day. If one prefers he can pay for a year's books for only $10.50. These books cover every facet of Christian life and represent competent scholarship.

Let us take advantage of these opportunities to develop our minds that we might be ever ready " To give an answer to every man who asks us for the reason of the hope that is within us."

Respectfully submitted,
Charles C. Lethcoe

Report of The Resolutions Committee

The Resolutions Committee of the Catawba River Baptist Association recommends that we, the messengers and visitors of the 135th annual session of the Association express our sincere appreciation to the following persons and agencies:

First, to God, our Heavenly Father, for his mercy and blessings upon us. Second, to the pastors and congregations of the Mount Home, Drexel First, and the Drexel Memorial Baptist Churches for the gracious way they have served as our hosts for the sessions of the association. Third, to our moderator, Rev. Albert Ambrose, to our clerk, Rev. Lee Roy Denton, and to all other associational officers for their capable and faithful service.

Fourth, in a special way we express thanks to our associational missionary, Rev. J. E. Pearson, and his wife for their devotion and untiring efforts to promote the work of the association.

Fifth, to the program committee for the excellent program, and for all who presented it, especially to our guests who came from other sections of the state.

Sixth, to the Morganton News-Herald, the Valdese News, the Hickory Daily Record, radio stations WMNC and WSVM for their continued courtesy

to the association and for the thororugh way they publicized this annual session and other meetings and activities.

We further recommend that we dedicate ourselves anew in this age of social, moral, and racial revolution to the Lordship of Jesus Christ, so that He can use us as His ambassadors in the work of reconciling the world unto God.

Baptist Hospital Report

It was because the people in our Association cared that they shared. They gave $3,340.80 in behalf of thousands who cannot pay for the ministry they receive at our Baptist Hospital. If it were possible to speak with each of these, I am sure they would say, "Thanks a million for every thing."

Our hospital is serving more people now than ever before and still we have an average of 700 people waiting to be admitted. Some have been sent to other hospitals because we were like "The Inn" – we had no room.

Our hospital receives funds from the Cooperative Program but these funds are used for capital needs and other services such as the Pastoral Care Program, but it is solely by the Mother's Day Offering that we can care for the poor and destitute.

A Development Program is being launched to increase the capacity of our Medical Center and to train doctors and nurses to serve the sick of our world. The people of Winston-Salem have pledged their confidence to the Medical Center to the tune of seven million dollars. The big question now is, will our churches provide the money to take care of those who need these services but cannot pay for them.

It is the opinion of the alministration of our hospital that if the Baptists of North Carolina will be informed, they will accept the challenge of caring for those who cannot care for themselves.

Please do not forget what Jesus said to His disciples, "As the Father hath sent me, even so send I you." When Jesus met a need, he always cared for that need and He has sent us to do the same. Will we follow the example of Jesus?

Prayerfully submitted,
Rev. Phillip A. Duckett

Evangelism Report

The special five-year effort (known as Baptist Jubilee Advance), in evangelism and missions on the part of the Baptists of North America came to a close at the joint meeting of the groups in Atlantic City, New Jersey, in May 1964. What was done is now history and we cannot go back to improve or change the record.

The response and cooperative effort of the churches of the Catawba River Association was mightily used to win the lost to Christ and reclaim many whose spiritual lives had ceased to "let their lights shine."

In preparation for the Jubilee Revivals here in our Association the Committee on Evangelism worked together in a spendid way to secure maximum participation, and results. On January 2, 1964, at Calvary Baptist Church Morganton an Evangelism Clinic was held with Dr. Julian Hopkins and Gary Harthcock leading the conferences. The theme of this clinic was "Toward Spiritual Revival in Depth." During the month of February the Pastor's conference used the program time for prayer for revival. To prepare our hearts spiritually and inspire our people to get involved in this revival effort, an Evangelism Rally was held at High Peak Baptist Church on March 23, 1964 with Dr. Eugene Poston, President of Gardner-Webb College, as guest speaker.

The Baptist Jubilee Revival Effort began on March 29 with five (5) churches going the full two weeks and twenty six (26) cooperating simultaneously either the first or second week of the revival effort. Fellowship

breakfasts were held at the Morganton Grill on Tuesdays and Fridays of the two-week period. To insure maximum coverage and publicity of the Jubilee Revivals, radio broadcasts were made daily—Monday through Friday — on stations WMNC and WSVM.

The fruits of our labor were most gratifying. Total attendance of the two week period totaled 15,662, with 2000 rededications, 213 professions of faith, 78 by letter or statement and 11 dedicating themselves to full-time Christian service.

The inevitable question arises, where do we go from here? What shall we do in 1965?

We must search our hearts before God to find His will for us and to experience His empowering as we endeavor to be obedient to His commands. This we need as individual Christians, as churches and as denomination.

Most of us need to take a fresh look at evangelism as it is practiced in our personal lives and in our local church. To do this on the right basis we must first make an earnest effort to see what evangelism is as it is revealed in the New Testament. A good definition is found in the *Southern Baptist Handbook on Evangelism* which is as follows: "Evangelism is the outreach of the church by confrontation with the gospel to bring people to a personal faith and commitment to Christ as Savior and Lord, in order that the committed may become a part of the outreach."

This wonderful experience of Christ confronting the lost through his people will not become a reality in life or a church merely by accepting and adopting a creed, a statement of doctrine, or a set of rules for conduct. There must be the experience of being *in Christ* and a perennial vigilance in seeking to be used of Christ in His purpose of redemption. In the light of these and other pressing truths we should ever keep before us these objectives:

1. To keep all programming and activities aimed at creating a spiritual atmosphere for evangelism in every church.
2. To keep alive a perennial awareness of the urgency of personal witnessing on the part of every Christian.
3. To refine and intensify our revival efforts.
4. To seek to keep the message positive, practical, scriptural and spiritual with unceasing prayer and diligence.
5. To spare nothing in seeing to it that the new and old church members become a part of the outreach.

Respectfully submitted,
Paul S. Odum,
Chairman of Evangelism
Catawba River Baptist Association

Radio Committee Report

The radio ministry of the Catawba River Baptist Association is expressed through the special evangelism broadcasts during Simultaneous Revival efforts, and the weekly broadcasts of the Catawba River Baptist Hour. The Catawba River Baptist Hour is broadcast from Station WMNC, Morganton, each Sunday morning at 8:00. Evangelism broadcasts are usually presented from WMNC and from Station WSVM in Valdese.

The Catawba River Baptist Hour has many very faithful listeners, but it is quite evident that many of our people of our churches do not listen to this program. It is hoped that the Radio Committee can make this program of greater value to our churches and to the general public. It is also hoped that the pastors and leaders of the churches will make an unusual effort this year to encourage the people of our churches to listen to this program.

About thirteen, or more, of our churches have refused or overlooked their broadcasts this year, but some have paid for them, even though they did not present the program. Our treasurer reports $948.98 paid out for radio programs this year, including evangelism radio broadcasts, while our churches have only paid in $778.50 for radio programs. There is no radio item in the budget. There is only $50.00 in the budget for miscellaneous items. The only place this extra radio money can come from is from evangelism funds derived

from the ten cents per resident member contributed by the churches participating in the evangelism crusades. There is no Simultaneous Revivals effort planned for 1965; and, therefore, there will be no special evangelism funds coming in this year. It is hoped that the churches will pay for radio programs overlooked. The rate is $17.50 for a broadcast. The chairman of the Radio Committee will send out notices this year ahead of the broadcasts, and notices will be sent to treasurers.

The line-up of churches for broadcasts in 1965 will be mailed out soon, and , as usual, will be listed in the Associational Calendar of Activities. Churches that do not notify the Radio Committee of a desire to be omitted from the schedule will be expected to pay for their program.

Let us pray and work together to improve the outreach and the quality of our radio broadcasts.

Respectfully submitted,
Radio Committee

South Mountain Baptist Camp 1964 Report

The South Mountain Baptist Camp is desolate, lonely and quiet since the 1964 season is over. However, the echoes of the singing happy boys and girls still ring out through the hills. It seems as though we can hear the Lord still saying, "It is Good" as he looks over the South Mountains, some of his most beautiful creation. He is saying, "It is Good" to the donors of the property, to those who have labored so hard, and to those who have contributed to make our camp a reality.

Thanks to a wonderful staff, dedicated counselors, missionaries, and the Spirit of God who enabled us to have another successful year of camping. Including the staff, we had 1630 who attended the various activities this season from 90 different churches. 542 attended from the Catawba River Association. This figure includes the Brotherhood supper.

Our theme this year, "Going Deeper With God", aided the boys and girls to see that the Royal Ambassadors and the Girl's Auxiliary work is really a very significant part of their Christian experience. We rejoice that 748 made some type of decision for Christ this summer. This includes 115 who made a profession of faith in Christ. Hundreds more were inspired to go deeper with God in Christian experience. 610 were Star Campers and 307 were Honor Campers. This indicates the quality and attitude of the campers and the amount of R. A. and G. A. work that they learned.

It is gratifying to see so many Campers coming back from year to year to our camp. Some have not missed a camp in seven years. The parting words of our friends this year sounded like a broken recorded. "We don't want to go home; we will be back next year." Nothing but a deep experience with God could draw campers back from year to year to the same place.

As we participated in worship, Bible and mission study, listened to missionaries and discussed "Going Deeper with God", we had spiritual experiences that we will never forget. About 90% of the campers made advancement in their organizational work.

Due to increasing interest in longer camping periods, we are planning to have some four day camps next year.

Since I am employed by the Camp the year-round, I will be available to help any of our associations or churches to promote a good camping program, or to speak to youth groups to encourage them to attend camp. It is hoped that the youth leaders in all of our associations will help plan and work with us in filling our camp again next year.

South Mountain Baptist Camp is conveniently located, and has one of the best natural, beautiful, out-of-doors settings for camping that can be found anywhere. So, we wish to encourage every church and all of our associations to support prayerfully our camp, and to help finance its growth and development.

Additional property has been donated by Mr. and Mrs. A. Z. Scronce, on

which we plan to build a swimming pool. Donations can be made for this project to our General Treasurer, Mr. Ladd Maxwell, Alexis, N. C.

Report of Committee on Ordination of Ministers

The Committee on Ordination of Ministers has examined for ordination to the privileges of the Gospel ministry, Rev. Richard Harrison, by request of El Bethel Baptist Church. Brother Harrison has been called to be pastor of Mount Olive Baptist Church. Upon recommendation from the committee, El Bethel Baptist Church ordained Brother Harrison on Sunday afternoon, October 11.

The Committee has received a request from Antioch Baptist Church for the examination of Brother Jay Hall, who has been called to be pastor of Lake James Baptist Church. The Committee is presently engaged in following through with this request. The Committee has already examined Brother Hall, and has recommended his ordination. This will be reported by the 1965 Committee.

CONSTITUTION AND BY-LAWS

Article 1. The body shall be called THE CATAWBA RIVER BAPTIST ASSOCIATION.

Membership

Article 2. (Sec. a) It shall be composed of regularly constituted Baptist Churches in Burke County and adjacent territory which shall be represented at its regular or special meetings of duly elected messengers in the following ratio:

1. Three for the first hundred members or fraction thereof and one for each additional hundred.
2. All ordained ministers who are members thereof or laboring in connection therewith.

(Sec. b.) The Association shall be the sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Provided: The churches so received shall agree and come under the Watch-Care of the Association for a period of one year. It is understood that during this period of probation such church or churches and its messengers shall be entitled to all the rights and privileges of the Association except that of holding office and voting. They may then be voted in as members of the Association in regular standing with full privileges.

(Sec. c.) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice, or that fails to represent itself either by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d) Any church may withdraw from the Association at its pleasure.

Objects

Article 3. The Objects of the Association shall be to advise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, The State Baptist Convention and the Association itself.

Power And Prerogatives

Article 4. This Association ought not to have, and shall not have any power to legislate, but may frame rules and advise plans, as an advisory council, for the faithful administration of the law of Christ.

Organizations

Article 5. The officers of the Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer, and Historian, who shall be elected at each annual session, and the first two officers shall not serve more than two years in succession, and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next annual session unless for a cause removed or until their successors are appointed. In the event that any of the above officers move their residence outside the boundaries of the Catawba River Baptist Association they automatically cease to become officers of the Association. When such vacancy exists, the Executive Committee at its next regular meeting shall select a qualified person to serve until the next annual meeting.

Church Covenant

Having been led, as we believe, by the Spirit of God to receive the Lord Jesus Christ as our Saviour, and on the profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Spirit, we do now, and in the presence of God, angels and this assembly, most solemnly and joyfully enter into covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit to walk together in Christian love; to strive for the advancement of this church, in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship ordinances, discipline and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expense of the church, the relief of the poor, and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances;

to walk circumspectly in the world; to be just in our dealings; faithful in our engagements, and exemplary in our deportment; to avoid all tattling. backbiting and excessive anger, to abstain from the sale and use of intoxicating drinks as a beverage and to be zealous in our efforts to advance the kingdom of our saviour.

We further engage to watch one another in brotherly love; to remember each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling, and courtesy in speech; to be slow to take offense, but always ready to reconciliation, and mindful of the rules of our Saviour to secure it without delay.

We moreover engage that when removed from this place we will as soon as possible unite with some other church, where we can carry out the spirit of the Covenant and the principles of God's Work.

"And may the God of Peace, who brought again from the dead our Lord Jesus, the Great Shepherd of the sheep, through the blood of the everlasting covenant, make us perfect in every good work to do His will, working in us that which is well pleasing in His sight through Jesus Christ; to whom be glory for ever and ever."

Articles of Faith

1. We believe that the *Holy Bible* was written by men divinely inspired, that it has God as its author, salvation for its end, and truth without any mixture of error for its matter; and that it is the supreme standard by which all human conducts, creeds, and opinions should be tried.

2. We believe the Scriptures teach that there is one, and only one, living and true *God;* that in the unity of the Godhead there are three persons, the Father, the Son, and The Holy Ghost; equal in every livine perfection, and executing distinct but harmonious offices in the great work of redemption.

3. We believe the Scriptures teach that *man* was created in holiness, but by voluntary transgression fell from that state, in consequence of which all mankind are now sinners, not only by constraint, but choice, and being by nature utterly void of holiness, are under just condemnation.

4. We believe the Scriptures teach that *election* is the eternal purpose of God, according to which He graciously regenerates, sacrifices and saves sinners; that being perfectly consistent with the free agency of men it comprehends all means in connection with the need.

5. We believe the Scriptures teach that the salvation of sinners is wholly of *grace,* through the mediatorial office of the Son of God.

6. We believe the Scriptures teach *Regeneration,* of the new birth is that change wrought in the soul by the Holy Spirit, by which a new nature not before possessed is imparted, and the person becomes a new creation in Christ Jesus.

7. We believe the Scripture teaches that *repentance* is a personal act promoted by the Spirit, and consists in a godly sorrow for sin, together with prayer for pardon, resulting in a persistent turning away from evil.

8. We believe the Scriptures teach that faith, as an evangelical grace wrought by the Spirit, is the medium through which Christ is received by the soul as its sacrifice and Saviour. It is an assent of the mind and a consent of the heart, consisting in belief and trust.

9. We believe the Scriptures teach that the blessings which Christ secures to such as believe in Him is *Justification;* that justification includes the pardon of sin and the promise of eternal life; that it is bestowed not because of our works of righteousness but through the faith in the Redeemer's blood, being imputed to us of God.

10. We believe the Scriptures teach that *adoption* is a gracious act by which the Father for the sake of Christ, accepts believers to the estate and condition of children, by a new and spiritual birth.

11. We believe the Scriptures teach that *santification* is the process by which, according to the will of God, we are made partakers of His holiness; that it is progressive work, begun in regeneration and carried on in the hearts

of the believers by the Holy Spirit through the continued use of the appointed means.

12. We believe the Scriptures that teach such as are truly regenerate will not *utterly fall away* and finally perish but will endure unto the end through their preserving attachment to Christ.

13. We believe the Scriptures teach that the law of God is the eternal and unchangable rule of His Moral government which is holy, just and good; and that the end of the Gospel is to restore men through a mediator to unfeigned obedience to his holy law.

14. We believe the Scriptures teach that a visible *Church of Christ* is a congregation of baptized believers, associated by covenant in the faith and fellowship of the Gospel, observing the ordinances of Christ, governed by His laws and, seeking to extend His Kingdom in the world; that its only Scriptural officers are pastors and deacons.

15. We believe the Scriptures teach that Christian *baptism* is the immersion in water of a believer in Christ, in the name of the Father, the Son and the Holy Spirit to show our faith in the crucified, buried, and risen Saviour, being also emblematic of our death to sin, and resurrection to a new life; that it is prerequisite to the privileges of a church relation and to the Lord's Supper.

16. We believe the Scriptures teach that the *Lord's Supper* is a provision of bread and wine, as symbols of Christ's body and blood, to be partaken of by the members of the church in commemoration of Christ's death; its observance should be *preceded* by faithful self-examination.

17. We believe the Scriptures teach that the first of the week is the *Lord's Day,* that it is to be kept sacred to religious purposes by abstaining from all secular labor, except works of mercy and necessity, by the devout observance of all means of grace, both private and public.

18. We believe the Scriptures teach that *civil government* is of divine appointment for the interest of good order of human society; that magistrates are to be prayed for, conscientiously honored and obeyed, except only in things opposed to the will of our Lord Jesus Christ, who is only Lord of the Conscience; that civil rulers have no right to control over, or of interference with, religious matters.

19. We believe the Scriptures teach that there is a radical and essential difference between the *righteous* and the *wicked,* and this distinction holds among men both in this life and after death.

20. We believe the Scriptures teach that at the *Last Day* Christ will descend from Heaven, raise the dead from the grave, and set up His Judgment Throne; that the wicked will be adjudged to endless sorrow, and the righteous to endless joy; and this judgment will fix forever the final state of men in Heaven or Hell on principles of righteousness.

21. We believe no ministers have a right to the administration of the ordinance only such as are regularly called and come under imposition of the head of Presbytery.

Report and Recommendation of the Radio Committee was presented by Rev. Ansel McGill as follows: The Radio Committee was instructed to make a study of our radio ministry. The Committee met four times during the associational year, and the chairman met with the Advisory-Steering Committee. Conferences have been held with pastors and laymen of the Association, and a preliminary report was given to the Executive-Promotion Committee in May.

The committee is convinced that radio is a valuable means of communication and should be utilized in our work. Presently, however, this ministry is handicapped by lack of church participation. Nineteen of our churches did not participate in the past associational year. This fact alone makes programing difficult, and creates a financial problem for the Association.

The Committee recommends:

(1) That our present radio program be discontinued at the end of this month.

(2) That the Radio Committee work with the Finance Committee toward the making of a future recommendation.

(3) That the Radio Committee work in the area of programing and promotion.

(4) That the Finance Committee study and make recommendations concerning the financing of the radio ministry.

(5) That a report and/or recommendation be given at the January, 1966 meeting of the Executive-Promotion Committee.

Woman's Missionary Union Report

Many times the question is asked, "What do you do in Woman's Missionary Union?" The name defines our purpose — Missions! When a person really understands the purpose of WMU, then any activity is filled with meaning. Our desire is to involve our members in the spread of the Gospel by praying, witnessing, and giving.

We seek to develop an appreciation for all people and an awareness of our world situation and a deep concern for those who are lost. We seek to lead our members to pray for and witness to the lost. Christian sharing is one of our major emphases. Efforts are made to enlist all the members to tithe.

Our desire is for the pastors to encourage these mission organizations for we believe we are following Christ's command to "Go ye—teaching them." One of the churches let the mission organization die this year for lack of concern. We are overjoyed that Oak Grove church — because of its concern for a lost world — organized a missionary society and is making progress in a world mission effort.

There are ten churches without any mission organizations. We urge you to pray for these pastors and churches where there are no missionary educational activities. Check your minutes for the names of these churches and put them on your prayer list.

It is a privilege to report that the quality of our work is improving. Please note:

1963 — 30 organizations received recognition
1964 — 48 organizations received recognition
1965 — 71 organizations received recognition

The concern of WMU is world-wide. As our Sunbeam materials say, "We are helping others for Jesus sake."

Respectfully submitted,
Mrs. Knolan Benfield

Brotherhood Report

BROTHERHOOD OBJECTIVE IS TO LEAD MEN TO –
1. A deeper commitment to missions
2. A more meaningful prayer life for missions
3. A larger stewardship on behalf of missions
4. A personal involvement in missions.

BROTHERHOOD IS a unique organization of the church in that its membership is composed only of Baptist men of the church. It exists for the purpose of helping the church achieve its missions tasks.

BROTHERHOOD IS an educational organization with distinctive objectives and ministries. It fulfills a role assigned only to this group on the educational program and in the work of the church as it majors upon missionary education and missions promotion

BROTHERHOOD IS a fellowship of Baptist men, members of the church organized to advance the cause of Christ through a program of missionary education and missions promotion designed to inform, motivate, and involve men in the mission tasks of the church.

BROTHERHOOD IS responsible for missionary education for men, young men, and boys in the Southern Baptist churches, which is one of the greatest needs of this day. Its study program is designed to interest and challenge the men and boys of the church in becoming mission-minded Baptists. It permeates such major areas as Christian witnessing and personal stewardship as they vitally relate to mission in the community, state, nation, and world.

American Bible Society

The American Bible Society is an organization which provides Scriptures for the people of the world. Its work is to translate the Scripture into various languages and distribute them to people in various countries of the world. By the end of 1963 some part of the Bible had been published in 1,216 different languages and dialects. There remains more than 1,000 languages and/or dialects in which no part of the Bible has yet been published.

The American Bible Society provides Scriptures for our own country; for the armed forces; campuses; persons in special need, such as: victims of floods and hurricanes, people in prison, migrant workers; for the blind, and so on.

The Society has the Bible-a-Month Club, which was begun in 1962. Churches and individuals are given the opportunity to give Bibles to specifically designated countries or areas of the world through a membership of $25.00 a year, or $2.00 per month and $3.00 in December.

There is now a Ten Million Dollar Anniversary Fund at the Society (this is their 150th anniversary), which is seeking to raise $6,000,000 for increased distribution of the Scriptures in 131 countries, including new printing presses, larger stocks of Scriptures, new translations, etc.; $4,000,000 for a new Bible House in New York. About $2,000,000 of this has been given or pledged.

In our year of proclamation and witnessing in our denomination, one of the essential things is the Word of God. Effective witnessing can be done by giving portions of Scritpures which can be gotten from the American Bible Society. People treat these more respectfully than they might a tract which is handed to them.

Each Year, from Thanksgiving to Christmas, the Society promotes World Wide Bible Reading as a spiritual bond to unite the peoples of the world.

The theme for 1965 is "Faith for a New Age". More information about the Society's work can be had by writing to the American Bible Society, 450 Park Avenue, New York, New York 10022.

The American Bible Society is an arm of the churches for world wide translation, publication and distribution of the Scriptures, and is supported by more than fifty-five denominations. Increased support of the Society's work will advance Christian Missions in all lands.

Report of The N. C. Baptist Foundation, Inc.

During the past four years the Foundation has been actively presented to the Baptist of North Carolina through the associations, churches, group meetings and through other media of communication. Our reception has been a most cordial and pleasant one. When the Baptist are properly and fully informed on any program, they can be depended upon to act wisely. Our main concern during these past four years has been to let our people know exactly what the Foundation is; how it functions; the various classes of people, churches, association, conventions and agencies it represents, as well as putting particular emphasis on Christian will-making.

Memorial investments in the Foundation have gone from $60.11 to approximately $450,000. No sum is too small to merit our attention nor too large to be adequately handled. One of the strong characteristics of the Foundation lies in its fifteen-member Board of Directors. These men are businessmen who give their business genius and ability to the work of the Foundation without any remuneration whatsoever. They want to invest a part of their time and talent in this phase of Kingdom work.

It is my great pleasure to assure you that the North Carolina Baptist Foundation, Inc. is a going concern. Our People throughout the State are responding in a very fine manner to the services offered through the Foundation. This report would not be complete if I did not pay particular tribute to the excellent cooperation I have received from the pastors of the Convention. This program cannot succeed without their active participation and they have not hesitated to graciously give aid and comfort to the program. The years ahead look bright. Call on us if we can help you.

Executive Secretary,
C. Gordon Maddrey

Report Of The Executive Promotion Committee

The first meeting of the Executive Promotion Committee was held on January 11, 1965 at the First Baptist Church of Drexel, at this meeting the Executive Promotion Committee adopted the suggested goal of 3,809 tithers in the TITHE NOW CAMPAIGN, and each church was to seek a church goal of 1/3 of their church membership.

The next meeting of the Executive Promotion Committee was held on May 10. At this meeting Reverend Melvyn Curlee was elected Clerk to fill the unexpired term of Lee Roy Denton who moved from the association. Also, at this meeting the Advisory Steering Committee asked that pastors and churches cooperate with the missionary in taking Thursday as his day off.

The next meeting was held on July 19. The moderator urged that we move forward with the Stewardship Development Program for the Association. This program is to be used in the year 1966. There was also a discussion at this meeting concerning the radio ministry of the association. The last meeting of the Executive Promotion Committee was held on October 4. Reverend Dean Jones, Vice-Moderator, presided. Seventeen churches were represented. At this meeting the budget for the new year was presented and approved.

Respectfully submitted,
Albert Ambrose, Moderator

Sunday School Report

The Great Commission of our Lord continues to be the marching orders of Christians in this twentieth century. We are to "Go-and teach all nations, baptizing them . . . teaching them to observe."

The Sunday schools of our churches have been assigned the tasks of teaching the Bible, reaching the unreached, leading all church members to

worship, witness, learn, and minister daily, furnishing workers for various projects, and interpreting the work of the church and denomination — thus helping the church in its basic functions of worship, proclamation, education and ministry.

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. In order to achieve this goal, we must have an enrolment gain of approximately 30% in the next five years. We are challenged to have an enrolment of one million in North Carolina by 1970. Outreach must have priority.

We are asking each Sunday school in our association to accept a net enrolment increase of 3% for 1966, 4% for 1967, 5% for 1968, 6% for 1969, 7% for 1970. We will grow great Sunday schools as we show compassionate concern for the unreached. Evangelism, stewardship, missions, discipleship — all wait upon outreach.

These enrolment gains can be realized by organizing new Sunday schools (a new Sunday school will gain 30); the organizing of Extension Bible Classes (each will gain 10); the starting of new adult classes (each will gain 6); the activating of Extension, Cradle Roll, and Young People Away departments (each will gain 6); and enrolling Vacation Bible School Pupils not in Sunday school.

If we will follow the simple growth formula advocated many years ago by Arthur Flake — locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people — we will reach more people for Bible study; our baptisms will increase; Christian stewardship well become a reality; and our churches will be strengthened.

Along with an increased emphasis upon outreach, each Sunday school is urged to observe January Bible Study Week, to plan a church and mission Vacation Bible School, to promote Operation Home Study and other opportunities for training; to cooperate in the Adult Thrust movement to participate in the Associational Sunday School projects — clinics, conferences, enlargement campaigns; and to attend the Sunday school weeks at Caswell and Ridgecrest. When our Sunday schools begin moving forward, our churches will move forward.

The Sunday schools in the association reported a total enrolment of 12,498 as compared with 12,375 in 1964. There was an average attendance in our Sunday schools in 1964 of 7,392 and in 1965 it was 7,338.

Report Of Committee On Reception and Location of Churches

During this associational year the Committee on Reception and Location of Churches was approached by Victory Chapel Baptist Church, which had been constituted and had built a temporary building on property owned in the Lost Corner section, off the Bost Road, north of Morganton and Catawba River. The Committee visited this church, conferred with the pastor and a few laymen. It was determined that all people being reached at that time by the church lived elsewhere than in that community. The Committee has had no further communication from the group, and suggests that this be received as information, with no further action at this time.

1. Your Committee recommends that Deaton's Chapel Baptist Church, received under the Watchcare last year, be continued under the Watchcare for another year, with definite instruction to the new Committee on Reception and Location of Churches, and other responsible associational committees and organizations, to definitely seek to work with Deaton's Chapel during this coming year to strengthen the work, and with special attention to the condition that the association specified last year concerning possible relocation of the church.

2. It is also recommended that the new Committee on Reception and Location of Churches be instructed to study and recommend a policy con-

cerning the accepting of churches into the fellowship of the association when those churches have been formed prematurely, without sponsorship by another local church, and not located to meet specific needs of the population of the area of location. It is part of this recommendation that the Committee on Reception and Location of Churches be asked to report on this matter, when ready during this year, to the Executive-Promotion Committee, and then to the next annual meeting.

South Mountain Baptist Camp Report — 1965 Season

South Mountain Baptist Camp continues to bless the lives of the great number who attend her various activities. Hundreds of campers have a rich and deeper experience with God and learn a lot about our church work.

We had five G. A. Camps with 831 attending. We had four R. A. Camps with 417 attending. We had 243 campers who received Honor Camper awards. 630 earned the Star Camper award. To receive these honors the camper must study on forward steps or Manual study. Also, it is necessary to read a Mission Book. We had eight Missionaries on our camp programs this summer.

We had a total of 2030 who attended the various activities during this season. We had an increased number of youth retreats, over night camps, and summer meetings. Campers came from 111 churches, Catawba River Association led with 352 coming from the Catawba River Association from 17 churches. Gaston was next with 292 coming from 23 churches.

We are happy that we received an "A" rating from the North Carolina Health Department.

For years we have been hauling in crushed ice at the camp. We were authorized by members of the camp committee to buy an ice maker. We have the faith that enough individuals and churches will make donations to pay for it. It is a 220 lbs. capacity. The cost was $700.00 installed. Donations have taken care of about $400.00 and we will save on the price of ice.

Our theme for the summer was "Christ, The Hope Of The World" (Col. 1: 27) 739 were inspired to make some kind of decision for Christ. 95 professions of faith, 605 rededications and 39 for special service.

For eight years South Mountain Baptist Camp has done a remarkable job in aiding thousands of young people. This has been done with very limited support from the churches of Region eight. We have dreams of a swimming pool and a paved road by next summer. We hope that her services rendered will inspire other churches to remember her in their budgets and in their prayers.

The camp season was a financial success, with an excess of $2800.00 over expenses for the season. This according to the approved plan, helps the director for the rest of the year.

The camp note is $2000.00. This obligation is being paid on regularly, both as to principle and interest.

There is no obligation for grading, or any other large project, outstanding, and has not been for 5 years.

It is requested that churches make the camp a regular budget item, or send special offering each year.

Bring your church groups and come to South Mountain Baptist Camp.

Respectfully submitted,
T. A. Lineberger, Camp Director

Report on Christian Education

The North Carolina Baptist Program of Christian Education includes the teaching ministry of the Christian home, the local church with its varied

programs, and the Baptist schools and colleges supported by the convention within our state. Surely every Baptist ought to support all movements to promote better Christian understanding and living.

This report deals primarily with the activities of our colleges, but this should not be interpreted as an effort to minimize the importance of Christian education in the homes and churches. We need to be keenly aware that it is in the homes and churches that the foundation for a fuller spiritual life is inspired.

In the field of higher education we have in North Carolina seven Baptist colleges. Our senior colleges are Wake Forest, Meredith, Campbell and Mars Hill. The three junior colleges are Chowan, Gardner-Webb and Wingate. During the fall semester of 1964 there were enrolled in these schools 10,655 young men and women. During the school year the enrollment was 14,395. The enrollment this fall is above that of one year ago. There is an ever increasing number of young people who want to enroll in our Baptist schools.

Of the students enrolled in our colleges last year 500 were volunteers for full-time Christian service. More than 100 of these want to be home or foreign missionaries. It is easy for us to forget that most of our present denominational leadership throughout the Southern Baptist Convention received their training in our Baptist schools. Christian education is essentially a part of the Baptist program of world evengelization. It is one of the foundation pillars of our entire missionary enterprise. We cannot afford to overlook this fact.

More than 45,000 men and women have been graduated from our seven colleges. Many of these are not only filling responsible places of leadership in their churches, but are exerting a profound influence on the religious, moral, and ethical life of the communities in which they live. Men and women from all walks of life bear their testimony to the fact that attending a Christian college gives a closer tie to the local church and a greater sense of responsibility for Christian citizenship in the local community.

We must not forget the wonderful work that is being done in and through Fruitland Bible Institute. Many of our pastors who have not had the opportunity of college and Seminary training are receiving much needed help at Fruitland. They are being equipped and prepared to lead many of our churches into a closer relationship with our denominational program and to do more in the work of our Lord.

North Carolina Baptists at this hour are challenged as never before to throw their full prayerful and financial support behind a program to stabilize and make permanent our colleges.

R. Knolan Benfield

Southern Baptist Protection Plan

The Annuity Board of our Southern Baptist Convention can now offer a Health Benefit Plan (Hospital, Surgical, Major Medical) for employees and families of Southern Baptist Churches, Agencies, Institutions, etc. which is equal to or better than most any policy available today. The Health Benefit Plan is a complete program of Hospital, Surgical, and Major Medical care. It is designed not only to meet the usual hospital and surgical bill, but also to cover the major expense of prolonged illness that can completely wreck one's financial plans. It is an all-inclusive plan of prepaid medical care to cover both normal and extra-ordinary situations with a reasonable cost.

ELIGIBILITY

The Health Benefit Plan is available to salaried employees of all churches or agencies affiliated with the Southern Baptist Convention who meet the following conditions:

1. Actively employed (Not disabled or retired) on the date the plan becomes effective. (Application deadline has been extended to December 1, with coverage, to begin January 1, 1966).
2. Not participating in another "group" plan of insurance.

NO HEALTH REQUIREMENTS

There are no health requirements for membership. Pre-existing conditions (except maternity) are covered immediately.

NONE CANCELLABLE

The Health Benefit Plan is noncancellable except for non-payment of dues or for leaving employment of the Southern Baptist Convention. In the latter case similar coverage can be continued on individual basis with Blue Cross-Blue Shield.

CONTINUED AFTER RETIREMENT

Members of the Health Benefit Plan may continue their coverage after retirement with the same rates and benefits as the active group.

Other definitions such as Days of Care, room and board, hospital services, out-patient care, maternity care, surgical benefits in or out of hospital, anesthesia, emergency first aid, etc. are explained in detail in a pamphlet "Health Benefit Plan" available through the Annuity Board of the Southern Baptist Convention, 511 North Akard Building, Dallas, Texas 75201.

The other annuities having to do with salary, life insurance, etc., are still available to qualifying persons.

Report On State Missions

Jesus described the nature of His earthly ministry by reading these words from the prophecy of Isaiah. "The Spirit of the Loard is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captivies, and recovering of sight to the blind, to set at liberty them that are bruised, to preach the acceptable year of the Lord." (Luke 4: 18-19)

Jesus said, "as the Father hath sent me, even so send I you". Through State Missions, Baptists of North Carolina are preaching the gospel, healing the brokenhearted, teaching the handicapped, and setting at liberty the bruised.

State Missions is the open door which gives us an oppoetunity to go into all parts of North Carolina in the true missionary spirit. Except for the work of the Social Service and Educational Institutions. State Missions is *everything* that Baptists do in North Carolina in the name of Christ.

The Division of Missions of the North Carolina Baptists State Convention is under the direction of Dr. E. L. Spivey. Assisting him are the following:

Church Development Department
Department of Interracial Cooperation
Fruitland Bible Institue and Camp
Department of Deaf Missions (a good part of this program is in the Morganton area.)
Seminary Extension and Adult Education
Military Ministry and Japanese Work
North Dakota Ministry
Cherokee Indian Ministry
Associational Missionaries (Our association receives $720.00 a year assistance)
Institutional and other Ministries:
Samarcand Manor for Girls
Leonard Training School
McCain Prison Unit
McCain Tuberculosis Sanatorium
Field Service in Burnt Swamp Association
Morrison Training School
Odom Prison Farm
Pastoral Aid
Aid on Church Lots

State Missions is a many sided ministry: helping in Goodwill centers,

serving men in uniform and their families, visiting those in prison, witnessing to the deaf, aiding Indian Baptists, training pastors at Fruitland, building new churches, growing churches through associational missions, preaching to the lost, and baptizing those won.

This year, Oak Grove Baptist Church, in our association has been receiving Pastoral Assistance, and is working closely with the Department of the Church Development, which is a part of the State Missions Program.

Foreign Mission Report

Since 1845, the Foreign Mission Board has served as the channel through which churches co-operating with the Southern Baptist Convention extended their missionary outreach to other land.

Southern Baptist now have 1,901 missionaries serving in 57 countries: 685 missionaries to 19 Latin American countries; 625 to 14 countries of the Orient and Hawaii; 447 to 11 nations of Africa; and 144 to 13 countries of Europe and the Middle East. During the past year missionaries were named to four new countries: Togo, Ivory Coast, Luxembourg, and Yemen.

Presently there are 4,231 churches on mission fields of which 2,617 are self-supporting. In addition there are 7,482 chapels or mission points. Last year baptisms totaled 43,403 and the membership of churches reached 549,921. Students numbering 174,350 were enrolled in 1,110 schools. Twenty hospitals and forty nine dispensaries extended ministry to 39,364 patients and 395,207 out-patients. Sixteen children's homes provided ministries for children. Eighteen good will centers enrolled 3,560 children and 1,040 adults.

At the close of 1964, the Foreign Mission Board received through the Cooperative Program the sum of $1,278,211.07.

Preparation was made throughout the year for launching the Missionary Associate Program for people over 35 years of age and the Missionary Journeyman Program for single college graduates under the age of 27. The term of services is two years.

God has richly blessed our denomination's missionary effort this past year. Pray that the new year will be an even greater one for proclaiming the Lord Jesus Christ to the peoples of the world.

South Mountain Institute

The South Mountain Institute, Inc., is located on Lake James in the Longtown community. It has been at the present location since 1935.

The institution is controlled by a Board of Trustees that is self-prepetuating. The institution is not sponsored by any particular group and no member of the Board receives any compensation for whatever service he may render.

The people employed by the Board of Trustees to manage and operate the institution have always had difficulty in securing sufficient funds to meet the needs of the institution. Since World War II ended the cost of operating the home has increased steadily.

Everywhere one goes we hear the expression "times have changed". This is a true statement and in the area of child care a great change has taken place in the past twenty years. Child caring institutions are going all-out to give the children in their care the same opportunities and privileges as that of the average boy or girl living in the community. In order to let our boys and girls take part in the extra curricular activities in the public school, and in the community activities, it takes extra money for transportation, clothes and project material. We have to have better trained workers, and in order to have these we have to pay higher wages.

The foregoing statements are intended to point out that the South Mountain Institute is trying to move forward in every way possible for the benefit of the boys and girls under its care.

During the past year, beginning with October 1, 1964, through September 30, 1965, we cared for a total of sixty-six children and gave help to a boy and girl from our home that are in college. We had two girls and one boy to graduate from high school last spring. The boy is in college this fall, both of the girls are working, and one intends to go to college next September.

Quite a few of the boys and girls were members of the school band, and some took part in athletics, 4-H and the F. F. A.

I wish to express a deep appreciation to all of the churches in the association and especially these that sent an offering. A total of $2,491.73 was received by the institution from the following churches or classes. Mount Home, Pleasant View, Hopewell, Burkemont, Antioch Sunbeam Class, Morganton First Baptist, Glen Alpine Baptist, the Lillian Smith class of the Glen Alpine Baptist Church, Abee's Grove, Clower Bible Class of the Morganton First Baptist Church, Drexel Baptist, Huffman Bible Class and Baraca Bible Class of the First Baptist Church of Morganton. In addition to the cash offerings, two Sunday School Classes in the First Baptist Church in Morganton brought each child an individual Christmas present. A nice offering of household supplies was given by the Sunday School of the First Baptist in Morganton. The Junior and Intermediate Training Union Departments, and the GAs from the Burkemont Baptist Church brought Christmas gifts to the children. The GAs from Calvin Heights and Glen Alpine brought special Christmas gifts.

To the Oak Grove Baptist Church we extend a special message of thanks. This is the church where all of our chlidren attend Sunday School and preaching every Sunday. The church not only privides teachers to teach our

children, but it furnishes the literature for both Sunday School and Training Union. Our children make up fifty per cent or more of the regular Sunday morning congregation. They have very little money to put in the collection to help pay for the Sunday School and Training Union literature. This creates a kind of financial hardship on the church because it has a small active community membership. The people of the Oak Grove Baptist Church have been extremely kind to the South Mountain Institute. They have helped in every way possible to make our children's church experience a happy and purposeful experience. A number of our boys and girls made a confession of faith and were baptised and joined the church.

The South Mountain Institute is a permanent institution and shall continue to offer its service to the boys and girls in this area that need a home. Plans are underway to build a new cottage for sixteen boys.

We shall always need the prayers and the moral and financial support of all the people in the association.

Thanks again for the splendid cooperation from the Catawba River Baptist Association.

Respectfully submitted,
W. R. Williams

Stewardship Report

The Cooperative Program has been in effect for forty years, and truly it has proven to be the 'life line' of our witness in the world. It is a well accepted fact that the Cooperative Program is the foundation for our entire denominational program of preaching, teaching, and healing at home and abroad.

At the Southern Baptist Convention in Atlantic City, New Jersey, in 1964, Dr. James Baker Cauthen, Secretary of the Southern Baptist Convention's Foreign Mission Board, challenged us to send out five thousand missionaries in the years immediately ahead. At the present time, we have appointed more than two thousand Foreign missionaries, and it is obvious that sacrificial giving on the part of every Baptist in the Southern Baptist Convention will be required, if we reach this missionary advance challenge.

Within the state of North Carolina, more than 1,300 Baptist churches have set goals as a part of the nation wide emphasis, to enlist two million tithers by 1966. Every pastor in the state can secure a free "Planning Kit" from our state office upon request, if he will set a definite goal.

We are interested in the giving record of the Catawba River Baptist Association during the past year. According to the best information we have, 48 churches gave a total of $90,487.00 through the Cooperative Program. Three churches did not share in the world missions through the Cooperative Program. We should determine now to increase our tithes and offerings through the Cooperative Program by giving a percentage of our budget to this cause.

Our denominational leaders recommend that sharing through the Cooperative Program be on a percentage basis rather than a dollar basis. Churches should be as faithful in giving a proportionate share of their offering to world wide missions as they are in leading their people to share proportionately with the local church.

We make the following recommendations:

First, that the churches in the Catawba River Baptist Association participate in the "TITHE NOW" emphasis, and that we set a goal of tithers to reach in each church, if we have not already done so.

Second, that we encourage every church in this association to give special emphasis to Cooperative causes during the months immediately ahead.

Third, that every church plan a stewardship program promoted through the Sunday School during any month suitable to the local church.

Fourth, that each church in the association plan their budget on the basis of a percentage of the offering plate dollar going through the Cooperative Program.

W. A. Huneycutt

Report Of Missions Committee

The present Missions Committee has no report except the following recommendations:

That the association make the necessary constitutional change to provide for a Missions Committee that is large enough to be representive of all areas of the association, and to make possible the organization of subcommittees as needed to become, and stay, aware of the growing needs of all geographic areas of the county, and to accept, and work at, assignments of responsibility for special ministries, such as work with the Silent, the families of the Retarded, the migratory Construction and Industrial workers, special needs of the recreational areas in the county, prison work, ministry with Juveniles, Literacy work, Seminary Extension opportunities etc.; and that the make-up of the committee conform to that recommended in the Home Mission Board's Associational Development Program.

Report On Temperance And Morals

As we look at the world situation and the condition of our state, we wonder if we do not need to place more emphasis on the Scriptural teaching of "good works". That we are saved by grace is a glorious fact, but we desperately need to give attention to the fact that "we are created in Christ Jesus unto good works."

The application of good works and the redeeming gospel of Jesus Christ is needed in many areas:

1. Our family life in general is far from satisfactory. We take notice of an increasingly large number of teenagers dropping out of school and getting married. There is an increase in the number of unwed mothers. One out of four marriages end in divorce and juvenile delinquency is on the increase.

2. Socialism and Communism pose a great threat to our society. We have nothing but words of praise for social legislation that forsees the miseries of the masses, that has as its sole purpose the alleviation of suffering. Social progress that does not rob the individual of his rightful freedom is imperatively needed in all nations.

Much of the unhappiness in America, and in other nations of the world, is the result of political jockeying for other than noble motives.

3. North Carolina spent last year approximately $150,000,000 for intoxicating beverages. We regret to observe a growing consumption of whiskey, wine, and beer in Burke County. We deplore and are ashamed to see our highways and roads littered with beer cans, whiskey bottles, six-pack cartons and boxes. Many citizens of Burke County still feel that we should have had a voice in the establishment of an ABC Store in Morganton, an evil which affects the whole county.

4. We view with grave concern the wholesale disregard and commercialization of the Lord's Day. We as Christians, and churches, have as our responsibility the indoctrination of our people in the meaning of "Sunday; as a day of worship." It must become a Holy Day instead of a holiday.

In view of the aforementioned conditions, it is with a sense of urgency that we call our people to:

(1) A total commitment to Christ and a rededication of ourselves to His cause.

(2) A more informed approach to the pertinent issues of the hour such as (a) Family problems; (b) Communism; (c) Christian observance of the Lord's Day; (d) the problems of alcohol.

(3) A continous process of teaching in the church, school and home, to fortify our families against the evils of the day.

W. J. Bradley

Training Union Report

The task that has been assigned by the Southern Baptist Convention to the Training Union is as follows:

"Interpret systematic theology, Christian history, Christian ethics, and church polity and organization;

Give orientation to new church members;

Train all church members to worship, witness, learn and minister daily;

Discover, recruit, and train potential leaders;

Provide organization and leadership for special projects of the church;

Provide and interpret information regarding the work of the church and of the denomination."

Guidance is now available through the Training Union for orientation of new church members. The new study course book, *New Church Member Orientation Manual,* by Earl Waldrup is available.

There are now undated alternate programs materials for Adults and Young People. We urge leaders of Adults and Young People to use some of these different plans for programs.

There are now alternate organizations for Adults, Young People, Intermediates, and Juniors. We urge that these be used for a fresh approach to Training Union work.

The Training Union is now responsible for providing for training opportunities as needed for the total church program, and has a new and vital role in relationship to the Church Study Course. The lesson Course Study plan is a plan whereby the Training Union lessons on Sunday night may be studied for awards through the Church Study Course. It is now considered acceptable, and part of the plan for a church to offer leadership training, during the Training Union hour, in anyway needed, such as training Sunday School teachers, Deacons, and other church officers.

Just one note of caution! Where alternate, or undated units of program materials are used, be sure that sufficient planning has been done to have program materials and leadership lined up and ready to go to start another unit, or training project, just as quickly as possible.

There were more than 650 present for "M" Night last year, which ranked our attendance among the top 10 associations in North Carolina. Conferences were held at Mount Olive Baptist Church later in the year on the theme of *Organizing For Service.*

Your associational Training Union officers will be prepared to come to your church and help you and offer worthwhile help at associational meetings. Each church is encouraged to give them a chance to help.

Baptist Children's Homes of North Carolina, Inc.

The care of dependent, neglected and homeless children is the central mission of the Baptist Children's Homes of North Carolina. In addition to providing care for children it is the purpose of the Homes to join hands with other Christian forces to strengthen wholesome, Christian family life throughout the state. Our people have supported this ministry in a most generous and commendable way.

Our Homes are serving as many people who need our help as possible. They are dependent upon North Carolina Baptists for support. Every gift, however small or large, is appreciated and is used for the purpose for which it is given. Income through the Cooperative Program is becoming increasingly important.

The Thanksgiving Offering of last year is approaching three hundred ten thousand dollars ($310,000.00) and is the largest ever given, This suggests that our people welcome an opportunity to support the "helping ministries" of the church which are close to the heart of our Lord . . .

Two estates have made possible two very fine buildings which have just been completed on the Mills Home campus. Income from the estate of Mr. and Mrs. Leland J. Sadler of Anderson, South Carolina, was used to build a

library. An addition to the church was financed from the estate of Robert M. Idol and Lela Idol of Winston-Salem. These buildings will fill a most useful purpose in the educational and religious life of the Mills Home family.

There is a growing need for good Christian foster homes in which children needing this kind of care can live. Many families are finding much happiness and a great opportunity for service in caring for foster children. Thus, many boys and girls are privileged to grow up in Christian homes who otherwise would not have this opportunity. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

The need for a home in the western part of the state, more adequately to serve the people west of the Blue Ridge Mountain, has been discussed in various meetings and conferences. The possibility of such a home is meeting with genuine enterest and enthusiasn. Attention is currently being given to a suitable location.

Members of the Board of Trustees and members of the staff of the Children's Homes are committed to the task of maintaining a Christian program of child care — a program that will merit the undivided support and loyalty of our people and that will bring honor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

North Carolina Baptist Homes For The Aging

The day that North Carolina Baptists launched a ministry to the aging fourteen years ago was a good day indeed. Since that time four Homes for the Aging have come into being, and a fifth one is in the making. Many elderly people have been blessed by this compassionate ministry through the years, and today 160 people are in residence at Resthaven, and the Hayes Home in Winston-Salem, the Albemarle Home in Albemarle, and the Hamilton Home in Hamilton. When the proposed new Home at Yanceyville is completed, there will be capacity for 200. It is anticipated that construction will begin on the Yanceyville Home during 1965.

The labor of Christian love and nuture is ours together, and we could not operate without the concern, the prayers and the financial support of our very vital avenues — the Special Day Offering, received on the third Sunday of February each year, and the Cooperative Program. Special Day Offering receipts for 1964 were at an all-time high and exceeded $96,000.00. Through these gifts we were able to supplement from 80% to 90% of our needy residents who could not be with us otherwise.

It is urgently hoped that the Special Day Offering for 1965 will be the greatest ever, especially in view of the pressing and ever increasing needs of the aging in our midst who seek our help. The waiting list now is 175 and grows almost daily.

As the great heart of the Saviour yearns for all in the various areas of human need, we are grateful that He has commissioned us to include also a special ministry to the aged among us. We have responded to His plea, we are giving an answer to Him for these elderly people who are very dear to Him, and we pray that every church in our State Baptist Convention will be very careful to give increasing emphasis to this vital ministry.

Our churches contributed (_____) to this ministry in 1964, and (_____) in 1965.

Church Library Ministry

In every active, progressive Baptist church there are calls for materials to meet the needs of individual members and to supplement the activities of the educational program. Therefore, it is logical that each church have a well organized, functioning library to provide materials, to care for them, and to circulate them to the entire church. This library will assure the best possible

use of funds, the availability of materials to all the people and the Conservation of these materials.

Today's concept of a church library is that of a resource center where all types of materials are kept. In this resource center are printed materials-books, phamphlets, tracts, clippings — and audio-visuals — slides, filmstrips, maps, recordings, and pictures. The library also contains audio-visuals equipment and objects such as display cloths and missionary curios.

FREE LIBRARY OFFER: To help churches establish a resource center, the Baptist Sunday School Board with assistance from other convention agencies, offers free library materials to each Southern Baptist church or mission beginning a library for the first time. The Foreign Mission Board, Home Mission Board, Woman's Missionary Union, and Brotherhood Commission join the Sunday School Board in helping to start and strengthen church libraries. Materials included in the free library offer are fifteen books, two filmstrips, a recording, and nine resource (vertical) file items.

These materials are selected to give each new library several types of resource materials, materials for each age groups, materials for each organization, and materials related to the functions of the church. A list of the books, audio-visuals aids, and resource file materials is enclosed with this leaflet.

In order to receive these materials, the church must complete the seven points in "Steps in Starting a Church Library" outlined in that leaflet. These are basic in starting a library and should be used as a guide by any church beginning a library.

When the church has met the requirements for receiving the free library offer, complete the application form and send it to: Church Library Department, Baptist Sunday School Board, 127 Ninth Avenue, North, Nashville, Tennessee, 37203. Free helps will be sent to the librarian.

STEPS IN STARTING A CHURCH LIBRARY:

1. Vote in church business session to establish and support the library.
2. Elect a church librarian and at least two staff members in a church business session.
3. Arrange a definite place in the church building for the library.
4. Set up definite times when the library will be open.
5. Plan to use an adequate loan system which will include at least (1) accession records, (2) book pockets, (3) charging cards, (4) date-due slips, and (5) booking cards for audio-visuals materials and equipment.
6. Promote the use of the library materials through the organizations of the church.
7. Secure materials for the library.

Home Mission Report

Southern Baptists have enjoyed phenomenal growth during recent years. Between 1940 and 1964 our number of churches increased from 25,259 to 33,388 and our membership from 5,104,327 to 10,601,615.

Now and then some one decries concern for numerical growth. The call for quality is heard. It is possible for a denomination or a single church to content itself merely with statistical advance and give our minor attention to major issues of Christian living. It is encouraging to observe our churches in large numbers seeking not only to win persons to Christ and bring them into active life of the churches, but also to teach them to "observe all things" commanded by Christ.

On the other hand, it should be noted that quality and quantity are not incompatible. Effective evangelism and church extension work have brought into our churches thousands of "babes in Christ." They must have our continuing attention. They need time and guidance to grow into Christian maturity. But a concern for quality that ignores the population explosion around us is unrealistic. In the midst of a United States population which increases at the rate of 7,500 persons per day, we dare not fail to provide additional churches within reach of the unreached throughout this nation. The choice is not between better Christians or more Christians. To minimize better quality or quantity is to misunderstand our Christian commission and to

falter in our stewardship of the gospel. Our efforts must be directed toward developing better Christians and adding to our number more Christians.

The needs of the 35 million persons of Non-Anglo language or cultural background, many of them without a vital Christian witness, are laid on our hearts by missionaries to Indians in Oklahoma, to French-speaking in Louisiana, to Chinese in Arizona, to the deaf in Alabama, and to Spanish speaking in Texas. These persons are God's creation and His love embraces all men. Many missionaries and pastors are vitally needed to fill some of the most urgent spiritual challenges of our day.

We thank God for every missionary now serving. May God bless them with strength of spirit, mind, and body for the tasks of our times. Their dedication and their joyous self-sacrificing are an inspiration to the rest of us. But are there not others who should join this group? Vacant fields and hungry hearts ask for help. Our Lord commands, "Go!" Let us pray for divine guidance and yielded hearts as Southern Baptists seek to share the gospel in dark corners of spiritual need throughout our beloved land.

Report On Christian Literature

The purpose of this report is to call upon the Baptists of the Catawba River Association to examine their reading habits. It is to encourage the individual Christian to become more selective in his reading experiences—to avoid habitual contact with degrading or demoralizing reading, to become more involved in Christian experience through Christian literature.

Reading is experiencing. Real reading means taking all the fine threads of meaning from the printed page and weaving them into ones personality. As one reads, his mind constructs pictures of the places and people which are described. The reader feels the pain or pleasures of the character about whom he reads. He momentarily lives in the locale of the story, actually exists with the characters. Such an association helps shape the very being of the reader. The people with whom the reader thus associates and the activities they share are, therefore, extremely important. One does not escape reality through reading—instead, he brings his reading into reality.

The Christian is encouraged to examine his reading habits to see if he is searching out those reading experiences which will strengthen his life and avoiding those that would weaken it. Even in the reading of the daily news there is the danger of selecting an unhealty amount of the sordid and profane. One is encouraged to seek for the good and make it his main topic of conversation. He is encouraged to enrich his life through living with the many Christian friends to be found in Christian literature. Above all else, he is directed to walk daily with Christ through daily Bible reading.

It is heartily suggested that our churches promote the reading of the Charity and Children and the Biblical Recorder, that the Biblical Recorder be placed in the church budget on the Every-Family basis, or that a club be started, and that the churches also encourage more effective use of the wealth of good reading in quarterlies and literature. The Broadman Reading Plan, and the encouragement of reading of good books through starting or improving the church library ministry, should receive the attention of church leadership.

David Rogers

Report of The Resolutions Committee

The Resolutions Committee of the 136th annual session of the Catawba River Association recommends that we, the messengers, and visitors express how grateful we are for all preparation made in making the sessions a success. We express our appreciation to the following:

To our Heavenly Father for his many blessing;
To the Valdese First, North Morganton, and High Peak Baptist Churches for the flowers, meals, kindness, and thoughtfullness in serving as our hosts;
To Rev. Albert Ambrose, our moderator, Rev. Melvyn Curlee, our clerk, and all associational officers for serving so faithfully;
To Rev. J. E. Pearson and his wife for their devotion and loyalty to the churches of our association;
To the program committee; personnel, and guest for presenting an excellent program; and
To the Morganton News-Herald, the Valdese News, the Hickory Daily Record, radio stations WMNC and WSVM for publicizing the activities of each session.

We also recommend that, after witnessing the spirit of this 136th annual session of the Catawba River Association Meeting, we will truly dedicate ourselves to carry out the theme for this year— "A Church Fullfilling Its Mission Through Proclamation and Witnessing."

In connection with our discussion this morning about Socialism and Communism that we have it stated, "Socialism and Communism pose a great threat to our society."

Report of Baptist Hospital

During the past year your Baptist Hospital has continued to serve needs of the people of North Carolina. While ministering to the physical needs the hospital personnel have also sought to minister to the spiritual needs of those who are patients at the hospital. One of the most promising aspects of the hospitals' future is the expansion program that is now underway. This expansion program will provide for more space for patients as well as much needed space for training programs of the hospital.

The hospital is grateful for the continued support of North Carolina Baptists. So far for the year, the special offering to the hospital has amounted to $247,653.19. This is an increase of .01 per cent over last year. So far, during the year the hospital has received $137,616.04 through the Cooperative Program. With the increase in facilities this makes it more important that our Mother' Day offering increase. The churches of our association are urged to continue their support through the Co-Operative Program and through the Mother's Day program for the hospital.

Albert Ambrose

Report of The Music Committee

"Every good hymn learned and loved is another window through which the worshipping soul looks toward heaven." Good church music is not an end in itslef. It is a means to the end that the lost may be saved and the redeemed brought closer to God.

The Associational Music Committee works with the Department of Church Music of the State Convention to assist churches to worship through music.

The Church Music Committee provided music for the Annual Meeting of the Association, "Action Night", "M Night", "The Evangelism Rally", and the monthly meetings of the association when requested.

The Committee sponsored a Carol Sing with eight churches reporting participation. Rest Homes, mental institutions, sick and shut-in friends were visited by local churches.

The director assisted two churches in choir work-shops and conducted revival music in three others.

The associational Music Organization is being well organized this year, with Mr. Lee Harris as Director. Their first aim will be to help the churches with the music ministry. Mr. Harris will have capable people working with him. The churches are encouraged to seek their help.

Ansel McGill

Evangelism Report — 1965

Churches in the N. C. Baptist State Convention reported 27,346 Baptisms in 1963, and 29,725 in 1964 — a gain of 2,379 or 9%. Churches in the Catawba River Association reported 424 baptisms in 1963 and in 1964 — a gain of 10 or 434 baptisms. This year the churches in our association recorded 444 baptisms — a gain of 10 over 1964. It will be noted that in 1963 no Simultaneous effort was made. In 1964 such an effort was made with a net gain of 10 baptisms . In 1965 no Simultaneous effort was made and the net result was 10 baptisms over 1964.

It would seem then that the evangelistic thrust needed now waits not on new methods or mere loyalty to old methods but on NEW men and women. Men and Women who have been made new in Christ, in mind, body and soul, but more than that, who are now willing to surrender to the lordship of Jesus Christ, recognize the sovereignty of the Holy Spirit, and pray for Spiritual Revival in Depth. Seldom, if ever has Spiritual Revival been generated by the masses, but rather came as result of individuals or small groups who were willing to meet God's Standard of Excellence for Revival. The

Revival of Pentecost met God's standard. The revivals that came during the ministry of Francis of Assisi, Wesley, Finney and Evan Roberts met God's Standard. Feature of these revivals were:

1. Brought about by individual or small group who met God's Standard.
2. Marked with prolonged intercessory Prayer.
3. Marked with deep conviction of sin.
4. Marked by tremendous outpouring of praise to God.

God is not reluctant to give revival today. Humbly and shamefully we must confess that we have not met His Standard. The words of Peter (1 Peter 4: 17) seem to rebuke us when he says: "For the time is come that judgement must begin at the house of God: and if it first begin at us, what shall the end be of them that obey not the gospel of God." The time of self-judgment is now! Your Committee on Evangelism feels time is too pressing, the spiritual condition of our churches is too critical, the eternal destiny of men is too urgent for us to ignore God's Standard for Revival any longer. It is therefore with a great sense of responsibility that we make the following recommendations:

I. That throughout the Church year 1965-66 a concerted effort be made in every church to deepen the Spiritual life of our people in order that our churches may experience Revival in depth.

II. That every pastor feel keenly his obligation to prayer and Bible study that he may be able to lead his people to a higher plane of Christian living.

That every pastor take advantage of the Teaching of John's Gospel and the special morning sessions for pastors led by Edward A. McDowell prior to January Bible Study. Pray that God will use this opportunity to enrich, inspire and empower your ministry.

III. We further solicit the aid of the program Committee and Officers of the Pastor's Conference; to help emphasize Spiritual Revival in Depth throughout the year. It would also seem wise to your Committee on Evangelism that since only about 50% of our pastors can ever attend the Pastor's Conference, because of circumstances beyond their control, that the conference might consider the possibility of scheduling several meetings during the year at night so that all our preacher brethren can attend and enjoy the fellowship that many of us take for granted. These times could be used to give emphasis to Spiritual Revival in Depth.

IV. That March 28, 1966 be set aside for Evangelism Rally.

V. Churches proceed with own local plans for 1966.

In 1967

1. That Spiritual Revivals in Depth be held in the spring of 1967 by all our churches with the following recommendations:

a. That Bible Study, that normally comes in January, be scheduled no more than two weeks prior to revival date, with Church Membership Studies earlier.

b. That an Evangelism Clinic be held in the spring of 1967 prior to Revivals.

c. That these revivals be either Pastor or Lay-led revivals.

Respectfully submitted,
Paul S. Odum,
Acting-Chairman of Evangelism
